Looking Back At Joseph Oregon:

On Looking Back Elizabeth Dumpleton,2014-03-28 By the law of averages I should not be around for the writing of this book nor the subsequent ones but it has to be said that in this life against all the odds there are the survivors which is obviously the category into which I fall On Looking Back is the first in a series of books that reveal the compelling life story of Elizabeth Dumpleton Each chapter takes the reader on a journey beginning with Elizabeth s younger years where she fondly recounts her friendships and adventures living with her five older brothers and their single mother in the East End She then experiences the early death of her mother and is forced to endure a life fraught with unhappiness and danger as she is ripped from her brothers with a sudden evacuation to the country during the war Elizabeth lays bare her emotions recalling each memory honestly and unashamedly One moment the reader could be chuckling along with an amusing anecdote before sinking into sadness as she battles the twists and turns of a war torn life Full of compassion On Looking Back is an emotional read from start to finish Fans of biographies and memoirs will find this book difficult to put down once they pick it up

The year is 2088 and the world is different. A war killed most of the population and took many of the communities. One community was able to survive and rebuild after the war. This community is called Nova. In it lives a seventeen-year-old girl Kaia. Five months ago Kaia lost her parents to a factory fire. She starts to be drawn to a necklace that her mother wore every day and left for her after she died. The only problem is that it is locked away in a memorial for the factory fire victims. She manages to get the necklace from the memorial but ends up in a detention center called the Dome. As she starts her new life at the Dome, she finds new friends and a potential love interest. She also meets the man behind the idea of the Dome. Joseph is a smart, charming, witty, middle-aged man. As she lives her days at the Dome, she realizes that Joseph has a secret agenda that involves her and her deceased mother. She learns that everyone has secrets at the Dome, including Ethan. Kaia starts to learn of her mother's past projects and how she ties into them. Only the instructions for her mother's most recent project are now lost. She must fight along with Ethan and her new friends to stop Joseph from harming Nova. Throughout her journey, she must dig deep and use her brain to find messages that have been in front of her her whole life. She must also be brave and selfless as she puts her community first. She must look past surface-level information and dig deeper into what her mother has left for her. She once was a young and naive girl that through the story becomes a brave, fearless young woman. She must fight her own demons to stop Joseph's evil plan. She must finish what her mother has started for her.
