Looking Back Memoirs And Photographs:

Looking Back Todd Webb, 1991 Born in 1905 Webb began keeping a journal in 1946 the same year he moved to New York and took up photography in earnest These memoirs document not only Webb s struggles as a young photographer but also the heady atmosphere of New York in the forties and fifties The many photographs all in bandw are simply magnificent Annotation copyrighted by Book News Inc Portland OR

Looking Back: Memoir of a Psychoanalyst Paul Ornstein, 2019-08-18 Looking Back is the unusual memoir of a senior figure in the international psychoanalytic community Dr Paul Ornstein was one of the small and distinguished group of Holocaust survivors physicians who came to the U S after the second world war and became prominent in American psychoanalysis His memoir traces his route from a small town in Hungary to Budapest s Neolog Rabbinical Seminary to a Hungarian forced labor battalion through medical school in post war Heidelberg to the Chicago Institute for Psychoanalysis to Cincinnati Ohio where he became a prominent professor of psychiatry and a leader of the psychoanalytic Self Psychology movement How does one begin to identify and evaluate a well lived life I thought again of this question as I read Paul Ornstein s lovely and surprisingly profound memoir titled simply Looking Back Memoir of a Psychoanalyst If you want to know what a life well lived looks like read this book Ornstein all of his personal and professional accomplishments and contributions notwithstanding possesses an endearing humility Its tone colors the memoir For entrance into a life history that spans the great events of the last century that charts the growth and development of psychoanalysis into a humanistic and humane endeavor and that depicts a life very well lived I commend Looking Back Memoir of a Psychoanalyst Joye Weisel Barth International Journal of Psychoanalytic Self Psychology Paul Ornstein s remarkable life has taken him from a cheder in a Hungarian town to the Budapest Rabbinical Seminary through the Holocaust to the summit of his psychoanalytic profession This memoir tells this story in vivid and often moving fashion including his dazed postwar search for surviving family members the tenderness of his romance and reunion with his beloved wife and collaborator Anna their improbable postwar study of medicine among former Nazis at Heidelberg his use of hypnosis to cure a paralyzed aide to a legendary congressman to his development along with Anna into a towering figure in self psychology Paul who has been fortunate to have Helen Epstein as his co author enriches the book by using his penetrating insight to analyze his own motivations and foibles and those of colleagues and teachers The reader comes away astonished by how Paul was able to transcend trauma and retain a spirited delight in living and a lifelong sense of optimism Joseph Berger veteran reporter The New York Times and author Displaced Persons Growing Up American After the Holocaust In this memoir Paul Ornstein describes his remarkable and moving personal historical and professional life journey losing many family members his community and his country in the Shoah yet being blessed from the beginning with a resilient optimism and clear eyed certainty about what he can accomplish and who and what matters to him family first and foremost friends community and identity and being a psychoanalyst Looking Back including photos and accounts of Ornstein

s close relationship with his long lived survivor father with Michael Balint and with Hans Kohut could be called My Father's Culture It serves as companion volume to his beloved Anna's My Mother's Eyes Dr Nancy J Chodorow Author The Power of Feelings Individualizing Gender and Sexuality and other works Professor of Sociology Emerita University of California Berkeley Lecturer on Psychiatry Harvard Medical School Training and Supervising Analyst Boston Psychoanalytic Society and Institute Paul Ornstein was one of the psychoanalysts who came to the U S from Europe after the second world war and became a central figure in American psychoanalysis He and his wife Anna have made an essential contribution to establishing Heinz Kohut's self psychology as an important part of our pluralistic psychoanalytic world The book is a portrait of a fine psychoanalyst and a fine human being Dr Arnold Richards Editor InternationalPsychoanalysis.net Publisher ipbooks.net Former editor JAPA It is rare for a psychoanalyst of Paul Ornstein's generation and stature to share his personal and professional history Dr Ornstein's story is unique and fluently written with journalist Helen Epstein provides a way for mental health professionals and lay people alike to learn how one can overcome apocalyptic trauma Students of psychoanalytic history will get a window onto the Hungarian tradition that stretches from Ferenczi to Balint to Ornstein as well as the politics of the American psychoanalytic community chiefly in Cincinnati and Chicago Dr Ornstein's story demonstrates how determination perseverance and love can conquer all Dr Eva Fogelman author of Conscience and Courage Rescuers of Jews during the Holocaust and co producer of Breaking the Silence The Generation After the Holocaust Looking Back is like its author direct without frills but leaves the reader thinking about some of the Big Questions And like the story of Passover Paul Ornstein's story is one that demands telling and retelling Lester Lenoff MSW LCSW Consulting Editor Psychoanalytic Inquiry Editorial Board The International Journal of Psychoanalytic Psychotherapy As a survivor Paul Ornstein is a model of resilience turning his Shoah experience into a lesson in living As a psychoanalyst he was able to distance himself from ego psychology and to acknowledge under the influence of Kohut the clinical importance of empathy an evolution that had numerous equivalents in other countries and especially in France The result is an important book both moving and intellectually challenging Dr Rachel Rosenblum Paris Psychoanalytic Society Recipient of the 2013 Hayman Award This memoir conveys one man's experience of the Holocaust and how he was able to reconstruct a life after the war Uniquely it also gives us a feel for what was a seismic event in analytic circles in the 20th century the birth and growth of Self Psychology From horror to empathy not a bad journey to read about in a short succinct book Dr Michael Rosenbluth FRCP Chief Department of Psychiatry Toronto East General Hospital Associate Professor University of Toronto This memoir is a gem rich and deeply personal as well as a chronicle of a remarkable life lived during a remarkable time And those photos They are stunning Dr James Fisch Editorial Board International Journal of Psychoanalytic Self Psychology **The Arts of Democratization** Jennifer M. Kapczynski, Caroline Kita, 2022-02-07 Scholars of democracy long looked to the Federal Republic of Germany as a notable success story a model for how to transition from a violent authoritarian regime to a

peaceable nation of rights Although this account has been contested since its inception the narrative has proved resilient and it is no surprise that the current moment of crisis that Western democracies are experiencing has provoked new interest in how democracies come to be The Arts of Democratization Styling Political Sensibilities in Postwar West Germany casts a fresh look at the early years of this fledgling democracy and draws attention to the broad range of ways democracy and the democratic subject were conceived and rendered at this time These essays highlight the contradictory and competing impulses that ran through the project to democratize postwar society and cast a critical eye toward the internal biases that shaped the model of Western democracy In so doing the contributions probe critical questions that we continue to grapple with today How did postwar thinkers understand what it meant to be democratic Did they conceive of democratic subjectivity in terms of acts of participation a set of beliefs or principles or perhaps in terms of particular feelings or emotions How did the work to define democracy and its subjects deploy notions of nation race and gender or sexuality As this book demonstrates the case of West Germany offers compelling ways to think more broadly about the emergence of democracy The Arts of Democratization offers lessons that resonate with the current moment as we consider what interventions may be necessary to resuscitate democracy today

Yarrow,2021-11 Andrew L Yarrow tells the story of *Look* magazine one of the greatest mass circulation publications in American history and the very different United States in which it existed The all but forgotten magazine had an extraordinary influence on mid twentieth century America not only by telling powerful thoughtful stories and printing outstanding photographs but also by helping to create a national conversation around a common set of ideas and ideals Yarrow describes how the magazine covered the United States and the world telling stories of people and trends injustices and triumphs and

included essays by prominent Americans such as Martin Luther King Jr and Margaret Mead It did not shy away from exposing the country's problems but it always believed that those problems could be solved Look which was published from 1937 to 1971 and had about 35 million readers at its peak was an astute observer with a distinctive take on one of the greatest eras in U S history from winning World War II and building immense increasingly inclusive prosperity to celebrating grand achievements and advancing the rights of Black and female citizens Because the magazine shaped Americans' beliefs while guiding the country through a period of profound social and cultural change this is also a story about how a long gone form of journalism helped make America better and assured readers it could be better still **Writing the Radical**

Memoir Paul Williams, Shelley Davidow, 2023-05-18 For those that have mastered the basics of memoir and wish to probe this brand of creative nonfiction further Writing the Radical Memoir uses salient theories about memory and the self to challenge assumptions about how we remember and tell the truth of our lives when we write about it Innovative in approach and making new critical ideas accessible each chapter maps out the key principles of such writers as Barthes Lacan Derrida Lewis Mehl Madrona Philippe Le Jeune and Joseph Campbell invokes literary examples to show how other writers have mastered the idea before reflecting on how you can practically apply the theory to your writing With original exercises and prompts for further reading that bridge the gap between the theoretical and how it might be put into practice the book is attentive to the multiple facets of the genre of nonfiction writing generally covering such topics as The writer reader contract How to embark on a thematic symbolic exploration of themes and incidents in your life How neuro scientific theory can inform our understanding of memory and recall and what happens to our memories when we remember them Character development and the ethics of writing about real people How constructing your identity in memoir offers a chance to push back against traditional structures That memoir might not be preservation of your past but a process of self erasure How J M Coetzee's Autobiography trilogy challenges traditional biography By bringing together lived experience post structuralist and postmodernist theories praxis and artistic vision as a unique approach to writing memoir this book encourages you to think the self how it is portrayed created erased and made strange through the process of writing and remembering
