

Stop looking for angels, and start looking for angles. There are options. Settle in for the long haul and then try each and every possibility, and you'll get there. When people ask where we are, what we're doing, how that "situation" is coming along, the answer should be clear: We're working on it. We're getting closer. When setbacks come, we respond by working twice as hard.

Messenger for the Guardians Martin E. Crespo, 2008-11 Amy Roth challenges her fate with little more than determination, courage, and a few friends. Lanterman once again explores the nature of friendship and deep sea fishing as she creates a vivid picture of human emotion and struggle. In her new novel 'Transition in Green', Lanterman compels us to wonder how many young people lose their way in our mobile society. What role does luck play? This novel brims with hope and it delivers. Amy Roth seems a perfect victim when Rick Horner spots her in the airport in Spokane. Argus Pritchett, a rumpled retired cop, refuses to look the other way. They stay in touch over the years as Amy works out her life goals, independence, and happiness. Harv Leigh finds himself in Bakersfield longer than he planned. If Harv is part of the answer for Amy, he must wait. Will he? Will a trip to the Big Island help? And what about Trez? Amy believes Trez can bend luck itself.

Treasure Williams Amy's role model and mentor wonders if Amy recognizes happiness.

order to heal others Written with Jesus s guidance Healing Hands of Jesus illustrates how you can choose to change the karmic things and past lives that are happening right now Angels heal many lives at once by healing one personality and integrating one fragment at a time into the higher self shortening the incarnation of a troubled past and present Every experience in life is created by unconscious thoughts Your outer situation triggers your innermost emotions and feelings The mind requires answers in order to change one s perspective Because most answers lie either in childhood or in a past life it is necessary to look within The angels trigger our memories to identify the connection which is when healing begins Such things as parental imprinting family karma ego anger fear guilt sadness depression or learned behavior perpetuate from one life to the next These issues repeat themselves through many lives until we learn how to heal the issues Healing Hands of Jesus explains that we must ask forgiveness for the negative things that are happening to us now in order to heal ourselves

Source s ChallengeGoing Beyond Spirituality is not about the life I have had My past is my past it does not define who I am Instead my past defines the people who have been in my life and the influences they have had on me There is nothing wrong with this Actually I thank them for being there for me Who I am personality wise is a consequence of my pasta conditioning one might say As an individual my challenge as an adult has been to un condition myselfto find what I am made of to be a consequence of myself and to be at peace with this Yes others have had worse lives than me but are they and if you have picked up this book are you willing to move past your past and be un conditioned To move past the pain and hurt the agony of being eaten away by the emotions brought about by family and life history To face the new challenge of finding the real self To let go of who you think you are and to find who you truly are Source s ChallengeGoing Beyond Spirituality is meant to be used as a guide to question what one thinks how one acts why something happened when it will change and where one is going The first step is to realise that everyone may not see from the same perspective but no one is not alone in endeavours of searching for the Truth And that Truth is who you really are
