Looking For George:

George Jarrod Tatom,2021-07-21 George Took the right steps to have a comfortable life unfortunately his path became a bumpy road of many hardships that beat him down mentally Eventually the demons became more than he could bare He sadly sent his body and heart to heaven but left his soul and knowledge for a young boy s conscience to make it through life without self harm **The Valley** Robert Hammond,2016-07-25 Stay close to the river and you cant go far wrong These were the words that woke Molly from her sleep They came from the next room and the voice was strange to her She crept out of bed and went to the door which was partly open Through the gap she could see her mother huddled over the fading light from the fire in the hearth She had a shawl wrapped around her shoulders and was listening to someone who had their back to the bedroom door Molly could tell it was the voice of an old man he sounded friendly but cautious It may take a week by foot in this weather so here is some money to provide food and lodgings along the way With that the stranger stood up and wished Mollys mother Godspeed and may your prayers be answered All Gods Battle Amazing George Hilton McCabe,2013-05 Amazing George lives a life of bad and good religious choices His conscious life seems confused Yet he finds powerful forces guiding him to where he is most uncomfortable He knows he is flawed with failure posessed by dangerous ambitions and confused by memory shadows He wanders seemingly without purpose while moving with the relentless guidance of people and events You may see your own religious beliefs lived or distorted Innocently these sneak into George s living but they come as if by some design He finds a variety of people rejecting and accepting them carelessly His own life plans give way to horrific events as well as the most uplifting Somehow he keeps on his way without personal direction He s clumsy comical tragic and perhaps hope filled He is his own person without suspecting his own destiny until a burst of clarity renders him amazing A patient reader will get his or her amazing reward for loyalty Journal and Proceedings ,1920
