Lightning War Bruce Smith, 2015-10-23 It would be really swell if those ascending to power were good trustworthy and capable leaders They're not Power doesn't corrupt people corrupt everything That includes the Allied Nations an amalgam of the world's governments What about those anthropomorphic mechs from Infitech that eventually found their way into every household Corrupted Topping this list are four superhuman terrorists who are labeled Wielders The Wielders control temperature electricity luminous energy and geomorphic forces How these people gained such abilities remains a mystery Just one of them could level cities or rout entire armies Flare ups involving Wielders keep

surfacing spreading panic and demanding a response Mark works hard at Infitech with several other renowned scientists To ensure international security the allies contract them to develop a defense for the threat Wielders pose The solution they come up with works maybe a little too well Finding his life transformed Mark eventually comes face to face with a fifth Wielder Sparking a war humanity had already lost he changes history becomes a beacon of hope and is referred to as the Anomaly by his enemies In his struggle to control the force he wields Mark must answer an important question what should we do with power

Act of faith Ximo Soler Navarro, 2017-04-12 The world is a darker place than what we could perceive from our well lit cities and Lucas knows this better than anybody else This sombre character has travelled to all corners of the world hunting the results of the humanity's bad actions the demons However suddenly his life will take an unexpected turn when media announces that in Jerusalem an Arabic boy is considered the new Messiah Will it be true that he is the God's second son who has come to redeem again our sins For a long time the human being has looked up to the sky and has asked God to save us and to forgive us for our human sins That divine mercy has been always directly related with the image of Jesus Christ but is the world ready for the arrival of a new saviour Are the western religions authentic trade companies of faith ready Or maybe they fear that the new Messiah expels again the merchants from the temple The hunter will be involved in a dangerous battle in which his enemies will not be just the inhabitants of the Avern He will also have to defend himself against the fanatic components of an ancient Christian organisation of warriors who vowed to fight against the Lucifer's army However the current corruption in the Vatican curia will turn them into even more dangerous enemies than the angels of night to which he is used to fight Now only God will be able to recognise his own people
