Lope de Vega,1822 Spanish Drama Before Lope de Vega James Pyle Wickersham Crawford,Warren T. McCready,1975 *Spanish Drama Before, Lope De Vega (Classic Reprint)* J. P. Wickersham Crawford,2015-07-09 Excerpt from Spanish Drama Before Lope De Vega Seventy years have passed since the first appearance of Adolph Friedrich von Schack's *Geschichte der dramatischen Literatur und Kunst in Spanien* the first part of which was devoted to a study of the predecessors of Lope de Vega and while many critical studies have been written upon individual dramatists and many plays not mentioned by Schack have been discovered and published no attempt has been made since that time to write a history of the earlier Spanish drama Limitations of space have prevented me from attempting to write a detailed history of the Spanish drama before Lope de Vega but I have tried to give at least an outline of the development of dramatic literature in that period I am fully aware of the fact that the picture which I present is incomplete but it is my hope that I have succeeded in presenting here the results of the studies of my many predecessors as well as of my own reading and that this little book will serve as a starting point for further investigation in a subject that offers so much of interest I have limited myself to a consideration of the drama in the Spanish language and have therefore paid little attention to the plays of that period written in Catalan and Valencian With considerable regret I have included only the Castilian plays of Gil Vicente and the plays in which the Castilian element seems to predominate and I have not even touched upon the many disputed points in the biography of the great Portuguese poet I wish to express my gratitude to my friend and colleague Professor Hugo A Rennert for his kindness in reading my manuscript About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
