# Marriage Divorce Remarriage Social Trends In The United States

**Rachel S Tattersall**

## **Marriage Divorce Remarriage Social Trends In The United States:**

The Starter Marriage and the Future of Matrimony Pamela Paul, 2003-01-14 A pioneering look at first marriages lasting five years or less and ending without children Paul's book will be a lesson to those contemplating marriage and a comfort to those who falter *The Economist* What is it about marriage that makes today's twenty and thirtysomethings want it so badly And why do so many of their marriages despite high hopes and desires end in divorce Nobody goes into a starter marriage expecting to divorce and trade up to something better but like a starter home a starter marriage can teach you a lot about what to look for and what to avoid the next time around Drawing on extensive research and interviews with starter marriage vets Pamela Paul explores why young people are jumping in and out of marriage and what lessons can be drawn from their failures She shows how starter marriages can be avoided and why lifelong marriage is still a desirable achievable option for the next marrying generation

**First Births in America** Ronald R. Rindfuss, S. Philip Morgan, C. Gray Swicegood, 2023-11-15 This book explores the shifting patterns of parenthood in the United States over the past century focusing on the timing of first births and the social economic and cultural factors that influence these decisions It highlights the concurrent bloom and bust in fertility trends where the number of older parents has increased while the rates of childlessness have also risen primarily due to delays in childbearing among younger people Through an examination of historical trends the book considers how factors such as education religion and socioeconomic status influence when individuals choose to become parents It also compares American fertility patterns with those of other developed nations particularly Japan to show how different cultural contexts shape reproductive behavior The study takes a life course perspective emphasizing how early life experiences and broader social contexts affect decisions about when to start a family The book provides a detailed analysis of fertility trends from both macro and micro levels using a variety of data sources including surveys and longitudinal studies It also investigates the consequences of delayed childbearing childlessness and the timing of parenthood on family dynamics career trajectories and social roles In doing so the book offers insights into the complex interplay between individual choices and societal influences and discusses the implications for future demographic and social change This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1988

**Is There Life after Divorce in the Church?** Richard L. Morgan, 2006-04-01 Richard L. Morgan has produced a welcome resource for those of us who have been divorced and felt we were beyond the pale of the Christian community It is true that Jesus speaks against divorce but it is also true that some New Testament scholars believe he was speaking to protect the rights of the oppressed under ancient law the oppressed being women On the other hand divorce is a painful experience that impacts over half of those who married It cannot be ignored by religious

leaders some of whom themselves may be divorced If we believe in acknowledging sin without casting the sinner out we need to find ways of healing in churches I always reminded myself in giving sermons that if national statistics were right half of my listeners had been impacted by divorce Rev Dr John C Morgan minister teacher and author of Awakening the Soul Richard Lyon Morgan is a retired Presbyterian minister and pastoral counselor now living at Redstone Highlands North Huntingdon Pennsylvania In addition to his doctorate in church history he has a master s degree in counseling from Wake Forest University A former pastoral counselor with School of Pastoral Care he has led divorce support groups and counseled many persons young and old going through the process of divorce Dr Morgan is divorced and married again with ten grandchildren

**The All-or-Nothing Marriage** Eli J. Finkel, 2019-01-08 After years of debate and inquiry the key to a great marriage remained shrouded in mystery Until now Carol Dweck author of Mindset The New Psychology of Success Eli J Finkel s insightful and ground breaking investigation of marriage clearly shows that the best marriages today are better than the best marriages of earlier eras Indeed they are the best marriages the world has ever known He presents his findings here for the first time in this lucid inspiring guide to modern marital bliss The All or Nothing Marriage reverse engineers fulfilling marriages from the traditional to the utterly nontraditional and shows how any marriage can be better The primary function of marriage from 1620 to 1850 was food shelter and protection from violence from 1850 to 1965 the purpose revolved around love and companionship But today a new kind of marriage has emerged one oriented toward self discover self esteem and personal growth Finkel combines cutting edge scientific research with practical advice he considers paths to better communication and responsiveness he offers guidance on when to recalibrate our expectations and he even introduces a set of must try lovehacks This is a book for the newlywed to the empty nester for those thinking about getting married or remarried and for anyone looking for illuminating advice that will make a real difference to getting the most out of marriage today

Many Faces of Love Kaarina Määttä, Satu Uusiautti, 2013-04-19 What do we actually talk about when we talk about love Research on love and emotions has been met with suspicion although people live in a network of relationships from birth to death and the ability to build and maintain relationships is an important strength This book provides a comprehensive research based analysis of love in human life romantic love and its ups and downs and the fascination of love the combination of work and family the secrets of a long lasting marriage senior love and the throes and relief of a divorce Love is also discussed in relation to other phenomena such as friendship play and creativity In addition themes of parental love and pedagogical love and the ability to love as well as dark sides of love are introduced Love is worth cherishing and practicing Other people s experiences may be helpful and information about the nature of love can relieve the pain Thus love in its various forms makes the best health insurance This book is meant for everyone interested in love but also for professionals in various fields such as psychologists educators and couple and family counselors The book is based on authors Prof Kaarina M t t s and Dr Satu Uusiautti s extensive research on love at the University of Lapland Finland

**Close Romantic**

**Relationships** John H. Harvey, Amy Wenzel, 2001-06 Intended to highlight cutting edge research on the maintenance enhancement of close relationships for researchers in the area or as a supplement for Intimate Relationship courses in psych communication family relations and socio depts

**Divorce in Psychosocial Perspective** Joseph Guttman, 1993-03 Many books deal with divorce and its aftermath some deal with the impact of divorce on children and families others with the legal or sociological aspects of divorce and a few focus on divorced mothers and fathers Most of these books are characterized by their practical orientation toward the issues and problems posed by divorce None of these however have attempted to offer an integrated view of the massive amount of theoretical and research literature on divorced adults and their children In addition none present a comprehensive view of divorce as a psychological process within its larger social context Filling that void this book offers a comprehensive view of divorce as a social interpersonal and psychological phenomenon reviews the theory and research on divorce focusing on the major protagonists of the divorce drama the mother the father and the children and introduces a social psychological theory of divorce process

**Marriage, Divorce, Remarriage** Andrew J. Cherlin, 1992-09-28 With roller coaster changes in marriage and divorce rates apparently leveling off in the 1980s Andrew Cherlin feels that the time is right for an overall assessment of marital trends His graceful and informal book surveys and explains the latest research on marriage divorce and remarriage since World War II Cherlin presents the facts about family change over the past thirty five years and examines the reasons for the trends that emerge He views the 1950s when Americans were marrying and having children early and divorcing infrequently as the aberration and he discusses why this period was unusual He also explores the causes and consequences of the dramatic changes since 1960 increases in divorce remarriage and cohabitation decreases in fertility that are altering the very definition of the family in our society He concludes with a discussion of the increasing differences in the marital patterns of black and white families over the past few decades

**Social Structure and Aging** K. Warner Schaie, Carmi Schooler, 2013-05-13 This volume presents a systematic examination of the impact of social structures on individual behaviors and on their development in adulthood and old age These papers and responses attempt to improve the reciprocal relationship between changes in social macro and micro structures and the process of psychological development in relation to issues of human aging Using and combining concepts and data from various fields this research promotes a better understanding of the effects of demographic patterns and social structures on the psychological development of adults

**Divorce with Decency** Bradley A. Coates, 2017-05-31 This completely revised and updated fifth edition of the award winning Divorce with Decency includes the most current research statistics and insights on the effects of divorce on spouses their children and society over all Written by a prominent divorce lawyer with four decades of experience it is the most comprehensive treatment of the legal emotional economic psychological and social aspects of romantic relationships marriage and divorce available anywhere in a single volume Initial sections look at the dynamics of divorce the causal factors the common stages from initial separation onward and the

complications surrounding each stage for older and younger couples and children Important information on spouse abuse is also included The book discusses key criteria in selecting an attorney and gives expert advice on directing and monitoring the course of a case efficiently and economically Detailed background on critical legal issues is given followed by case histories highlighting key points of divorce law Extensive new sections have been added to this edition which provide key tips on preserving improving and possibly saving marriages Key chapters focus on post divorce issues of single parenthood and new relationships as well as the rapidly changing nature of love romance digital dating and other topics in this modern New Millennium Informative yet highly readable and occasionally amusing Divorce with Decency has proven to be indispensable to anyone involved in a divorce whether directly or indirectly

**A Clinician's Guide to Maintaining and Enhancing Close Relationships** John H. Harvey, Amy Wenzel, 2001-11 This edited book highlights cutting edge applications and research on the maintenance and enhancement of close romantic relationships First rate contributors cover a breadth of topics from specific problems such as alcoholism to therapeutic interventions

*Handbook of Family Communication* Anita L. Vangelisti, 2004 Integrating the varying perspectives and issues addressed by researchers theorists and practitioners this edited collection presents an analysis and synthesis of cutting edge research and theory on family interactions

*The Population of the United States* Donald J. Bogue, Douglas L. Anderton, Richard E. Barrett, 2010-07-06 This third edition written with two new coauthors combines 1990 census data with information from the Current Population Survey the National Health Interview Survey and numerous other sources even including demographic data not available in any other published source

Children Today, 1984

**Family Communication** Chris Segrin, Jeanne Flora, 2011-10-14 Family Communication carefully examines state of the art research and theories of family communication and family relationships In addition to presenting cutting edge research it focuses on classic theories and research findings that have influenced and revolutionized the way scholars conceptualize family interaction This text offers a thorough and up to date presentation of scientific research in family communication for both teachers and students of family communication as well as professionals who work with families This second edition features Chapters updated with the latest research including over 2000 references Material on understudied family relationships such as extended family relationships and gay and lesbian relationships Recent research on understudied topics in family communication including the influence of technology on mate selection negotiating work and family stress single parenting cohabitation elder abuse forgiveness in marriage and the links among communication culture and mental health A revised chapter on parent child communication taking a lifespan perspective that helps organize the large body of research in this area A new chapter devoted to extended family relationships with special focus on grandparent grandchild relationships in law relationships and adult children and

their parents An expanded review of family conflict processes especially in relation to decision making and power A companion website provides chapter outlines exam questions and PowerPoint slides for students and instructors Undergraduate readers should find the information easy to understand while advanced readers such as graduate students and professionals will find it a useful reference to classic and contemporary research on family communication and relationships *Handbook of Marriage and the Family* Marvin B. Sussman, Suzanne K. Steinmetz, Gary W.

Peterson, 2013-06-29 To know where we are going as scholars educators and practitioners in the field of marriage and family life we first need to know where we have been A perusal of early texts on marriage and family life provides some thought provoking insights into the accuracy of the saying what goes around comes around It is interesting to note who has been considered to be in a position to provide information on marriage and family life Included in the eclectic collection of texts we reviewed were ministers whose focus was on spirituality doctors who emphasized medical aspects of child and adult health and public health professionals and home economists concerned with fighting disease who emphasized cleanliness order fighting germs and eliminating rodents and insects There are also philosophers who drew from ancient texts when discussing family life and a count who assembled a group of German intellectual elites to address various topics An insightful essay of this type is by Marta Karlweis 1926 in which she notes There is no other fetish that society holds to so firmly as the conception woman with all its usual associations of infantilism and dependence The child requires protection is a minor and consequently a serf but above all it possesses no spiritual existence Neither doctorates or other distinctions nor the right to vote have as yet been able to dispel this sweet idea of the childishness of woman which man cherishes p *The Law and*

*Child Development* Mavis Maclean, 2017-03-02 This volume asks what legal and socio legal scholarship can contribute to understanding the role of law in the care and development of children The editors have selected key articles ranging from theoretical analysis to empirical data based research that address the law's approach in the United States and the United Kingdom to resolving parenting disputes after separation protecting children from abuse and neglect and affording children procedural protections in the juvenile justice system Their introduction to these important and often distressing areas of the law confirms the importance of understanding how law works in practice and reaffirms that law itself remains responsible for articulating and protecting society's values **Thanks for Nothing** Nicholas H. Wolfinger, Matthew McKeever, 2024 Single

mothers face unique economic challenges which have persisted despite women's gains in higher education and the workplace Drawing on forty years of data from two national surveys Nicholas H Wolfinger and Matthew McKeever explore the contradictions that lie at the heart of single motherhood They find that some single mothers are doing better even as others have fallen through the cracks Providing an in depth look into the economics of single motherhood Thanks for Nothing offers the most detailed statistical portrait of single mothers to date and importantly provides concrete suggestions for how policymakers should respond to persisting inequalities among mothers **Single Parent Families** Marvin B

Sussman, Shirley Hanson, 2014-05-12 Here is a comprehensive source of vital information on single parent families in contemporary society This book analyzes literature and empirical research concerning single parent families and explores issues and challenges they face Contributing authors from many fields and perspectives examine a broad range of subjects relating to families in which one person is primarily responsible for parenting The only state of the art compendium on the topic of single parent families available today the book synthesizes empirical theoretical and contemporary literature about the diversity myths and realities of single parent families in western countries Each chapter contains a demographic overview definitions a literature review and implications for practice research education and social policy Theoretical and conceptual perspectives related to parenting and wider families are included An analysis synthesis and commentary on single parent families concludes the volume Themes highlighted throughout the book include socioeconomic and demographic characteristics of single parent families cultural and ethnic features and legal and ethical components Some chapter topics include single parenthood following divorce single parenthood following death of a spouse never married teen mothers and fathers female headed homeless families adoptions by single parents noncustodial mothers and fathers grandparents as primary parents single parents of children with disabilities Single Parent Families contains additional resources useful for family professionals an annotated bibliography a video filmography and a national community resource list The book is intended for a multidisciplinary audience including sociologists psychologists health care professionals social workers therapists and other researchers clinicians policymakers and educators An ideal primary or reference text for undergraduate and graduate level programs the book can also serve as a tool for staff development and continuing education in service agencies

### **Marriage Divorce Remarriage Social Trends In The United States Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Marriage Divorce Remarriage Social Trends In The United States PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books

and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Marriage Divorce Remarriage Social Trends In The United States PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Marriage Divorce Remarriage Social Trends In The United States free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
