**I Want to Enjoy My Marriage: Best Practices for an Enjoyable and Lasting Marriage** Joy Hope-Minzie, 2022-07-31  
Marriages face obstacles Marriages have challenges No one goes into a marriage with the intention for it to fail However the success or failure of your marriage will be determined by how well you and your spouse handle the challenges when they arise I know that you want your marriage to be enjoyable and lasts a lifetime and that is God s desires for your marriage as well If you desire a better and more enjoyable marriage this book provides you with some best practices to help you achieve this Your desire is possible *No More Perfect Marriages* Jill Savage, Mark Savage, 2017-02-07 No marriage is perfect But every marriage can get better No More Perfect Marriages is about having the right expectations and growing in love and grace Guiding couples in the fundamentals of marital health Jill and Mark share how they came back from infidelity and restored intimacy to their marriage Read this book to guard against the seven slow fades that threaten every marriage and get tools and tips for cultivating a stronger connection with your spouse *The Walk Out Woman* Dr. Steve Stephens, Alice Gray, 2009-01-21 Every woman longs to be appreciated respected and adored but when her needs aren t met within her marriage she could be tempted to walk away As little hurts and disappointments accumulate and her heart hardens a woman s loneliness and vulnerability take over and she might find emotional fulfillment elsewhere perhaps in even a casual encounter with another man When the marriage enters this realm of real danger the woman believes it will be less painful to walk away than try to work on it With heart and wisdom Dr Steve Stephens and Alice Gray offer practical advice for how to stop this epidemic of walk out women They outline the warning signs of severe marital discontent and share how to reconnect with your spouse communicate your hurt and open your heart If both partners are willing to work at it any marriage can be saved *Are You Even Thinking About Walking Out* I m at the point where I don t think it is worth the effort anymore The only reason I m staying is because of the children Surely God doesn t want me to be this unhappy Every woman longs to be appreciated valued and cared for When these needs go unmet she may be tempted to leave the husband she once loved but walking out is seldom the path to happiness Like trusted friends Dr Steve Stephens and Alice Gray offer wise and gentle advice to restore hope to your marriage You ll discover proven methods for how you can move toward each other rather than away build up instead of tear down and find love rather than lose it *Story Behind the Book* Although a growing number of women are walking away from their marriages there are no books to help them realize that this is not the path to happiness A woman s discontentment settles like dust on furniture and although she tries she fails to make her husband understand His responses seem too little and too late Many women mistakenly believe it is easier emotionally to leave the marriage than try to restore it We want a woman to realize that even when her heart seems closed to her husband there is a way to open it and become one again Loss of love does not equal loss of marriage Loss of hope does not mean the relationship should be abandoned *Lists to Live By: the First Collection* , 2004-10-20 This treasury of to the point

traditional and identifies nine developmental tasks that must be successfully undertaken in a good marriage separation from the family of origin up and down vicissitudes of early years children balance of work and home dealing with infidelities and more The men and women Wallerstein interviewed readily admit that even the best relationship requires hard work and continuing negotiation especially in the midst of societal pressures that can tear marriages apart But they also convey an inspirational message for almost all of them feel that their marriage is their single greatest accomplishment The Good Marriage explains why and its lively mix of storytelling and analysis will challenge every couple to think in a profoundly different way about the most important relationship in their lives Should be required reading for all who are interested in marriage W Walter Menninger Should prove a lifesaver for many couples Publishers Weekly Will enrich the sparse literature on happy marriages USA Today One of the nice things about The Good Marriage is its modesty It doesn't pretend to offer a philosophy or even a lecture on marriage It takes no position on the ideologically charged issues of women's marital roles and status Equally important it ignores the two most common ways of talking about marriage as a contract negotiated between two equal parties and as the pathway to individual fulfillment For this reason it is refreshingly free of rights talk and therapy talk Indeed Wallerstein places much more emphasis on the development of good judgment and a moral sense than on the acquisition of effective communication or negotiation skills Barbara Dafoe Whitehead The Atlantic A lagniappe to enduring couplehood The strength of this study is that Ms Wallerstein a gifted interviewer persuades the couples to reveal their interior lives in rich explicit detail Susan Jacoby The New York Times Book Review Written in a masterful style that often reads like the best popular fiction Wallerstein and Blakeslee again combine their substantial talents deftly and entertainingly exploring the foundations of good marriages Tara Aronson San Francisco Examiner Chronicle Groundbreaking Boston Globe This is a wonderfully readable and immensely valuable book full of wise and original insights about the many many roads to marital happiness Judith Viorst With wisdom humor and sympathetic understanding Judith Wallerstein helps us recognize and rediscover the good marriage lucid psychologically sophisticated and generously wise David Blankenhorn Newsday Historically informative as well as profoundly wise psychologically Joan M Erikson For a long time as a Rabbi I've been using The Good Marriage by the late Judith Wallerstein in my pre marital counseling She provides amazingly helpful insights which open up conversations and lead couples to think much more deeply about what they are getting themselves into and what they might need to do to keep their marriages strong Rabbi Carl M Perkins A welcome addition to the field of literature on contemporary marriage The style is clear concise sensitive and occasionally personal Her personal additions add warmth emotional consciousness and greater insight into what makes individuals and couples happy in their relationships This book has value for the many audiences interested in relational theory that want to approach relationships from a realistic and positive perspective Nancy Williford Clinical Social Work Journal In The Good Marriage Wallerstein's new study of 50 married couples offers affirmation that the process of marriage itself presents a vehicle for transformation A
