Marriage Under Fire:

Marriage Under Fire Daphne Clair, 1984 *Marriage Under Fire* James C. Dobson, 2004 I write to you today with a profound sense of concern and apprehension for the welfare of the family and indeed for the future of our nation I do not recall a time since the beginnings of Focus on the Family twenty seven years ago when the institution of marriage faced such a peril or when the forces arrayed against it were more formidable or determined Barring a miracle the family as it has been known for more than five millennia will crumble presaging the fall of Western civilization itself This is a time for concerned prayer divine wisdom and greater courage than we have ever been called upon to exercise **The Moral Minority** Stuart Chambers, 2005 *Sin, Sex, and Democracy* Cynthia Burack, 2008-04-17 While the Christian Right has spearheaded a variety of antigay projects over the past fifteen years including interventions in public schools antigay rights initiatives and support for a constitutional amendment banning same sex marriage observers of the institutionalized Christian Right have also noted a softening of antigay public rhetoric Sin Sex and Democracy analyzes these two ostensibly conflicting phenomena Examining Christian witnessing tracts the ex gay movement and recent linkages between gays and terrorists Cynthia Burack argues that as the Christian Right has become a more sophisticated interest group leaders have become adept at tailoring different messages for mainstream audiences and for the internal pedagogical processes of Christian conservatives Understanding the rhetoric and the theological convictions that lie behind them Burack claims is essential to better understand how American politics work and how to effectively respond to exclusionary forms of political thought and practice

Ministering Graciously to the Gay and Lesbian Community Brian Keith Williams, 2005 Helps you understand what will enable those individuals who are entrenched in what is called an alternative lifestyle to find a path of peace in the recovery of their soul and self esteem Educate those who want to learn to relate and to understand in order to genuinely minister graciously to the gay and lesbian community whether they be family friends or fellow church members Equip the reader with the information to gently and lovingly apply the oil of God's Spirit and the wine of God's love [The Abolition of Marriage](#) Kevin T. Holton, 2020-03-02 The assault on traditional marriage that began in the late 1990s seemingly ended with the 2015 Obergefell v Hodges decision legalizing same sex marriages in all 50 states Christians continue to mourn the loss of this sacred and covenantal institution to secularists but in doing so have forgotten their unique place as citizens not of this world but of the Kingdom of God Christian attempts to correct the standing constitutional order and reclaim marriage exclusively for heterosexuals will fail The way forward is to advocate the replacement of civil marriage laws with civil unions for heterosexuals and homosexuals alike Both Christians and secularists will find this alternative satisfying for it allows everyone to receive from the state equal protection of their rights and it allows the Church and other intermediary communal institutions to define and defend marriage as they have always understood it [A Tolerable Anarchy](#) Jedediah Purdy, 2010-03-09 In A Tolerable Anarchy Jedediah Purdy traces the history of the American understanding of freedom an

ideal that has inspired the country's best and worst moments from independence and emancipation to war and economic uncertainty Working from portraits of famous American lives like Frederick Douglass and Ralph Waldo Emerson Purdy asks crucial questions about our relationship to liberty Does capitalism perfect or destroy freedom Does freedom mean following tradition God's word or one's own heart Can a nation of individuals also be a community of citizens This is history that speaks plainly to our lives today urging readers to explore our understanding of our country and ourselves and a provocative look at one of America's cherished principles
