Married By Midnight American Romance 815:

Married by Midnight Mollie Molay, 2014-10-15 Oh what a night How had Maxwell Taylor ended up naked in a honeymoon suite with Kelly O'Rourke at his side The last thing the Boston blue blood remembered was catching the garter at a wedding and putting it on sweet Kelly's shapely leg Then the memories hit him He and this redheaded spitfire of a stranger had gotten hitched last night And if his dated body could be trusted they'd just consummated their wedding But before the midnight groom could absorb this monumental fact his blushing bride had one more surprise Kelly's military father and three brawny brothers were about to break down the door And there would be no getting out of this situation unscathed for in the O'Rourke family marriage was forever

The Baby in the Back Seat Mollie Molay, 2014-10-15 There was a baby in his back seat And when Sam Harrison noticed that the infant stowed away in his car was his own daughter he ran his SUV right into a water tower Luckily no one was hurt but the escapade left Sam and his baby stranded on Laura Evans's land and she wasn't too happy about her unexpected visitors Well baby Annie soon had Laura cooing a different tune especially when she learned the single dad knew nothing about child rearing She agreed to take them in for a limited time only But between lessons in baby care her closely guarded heart began to melt though she would never reveal those feelings to Sam For Laura had her share of secrets to keep American Baby Unexpected arrivals lead to the sweetest of surprises as Harlequin American Romance celebrates the love only a baby can bring
