Henry, 2023-05-03 About the Book An autobiographic account of her youth M J Henry's *From the Inside Looking Out* offers a first hand view of life in the poor rural south She knew early in her life that her family was totally dysfunctional They were not normal and did not live like other people lived For most of her life she has lived under the misconception that if you don't talk about it it will go away or maybe it isn't true They were very poor and didn't know how poor they were until they were older and could see how other people lived Being poor and dysfunctional are two totally different things Many people were and still are poor and that is no shame It's only shameful when you don't do all you are capable of to overcome it Verbal and mental abuse have no limits As an adult M J was having nightmares and horrible dreams about her childhood She'd heard and experienced that if you put things on paper that it would change the whole perspective in one way or another She had been praying long before daylight for God to give her some answer for what she should do and how to deal with the future Later that morning the inspiration came to her that she should write a book about her life She felt that she owed it to herself her children and grandchildren and all of the others who whispered behind our backs and to those who were involved in some way Once M J poured out her heart and soul on paper the dreams stopped About the Author M J Henry grew up in rural Mississippi in the mid 1940s Early in her life they had no electricity running water or inside plumbing While she wasn't all that interested in school M J did graduate from high school She's enjoyed two fulfilling jobs each lasting almost 20 years each She's worked as a sales manager for a manufacturing company which gave her the opportunity to travel to many military bases Her other role was a consolidations supervisor for a student loan company The most successful fulfilling job she's ever had however is being a mother to two amazing children who have graced her with three precious grand children and one great grandchild M J currently lives in Mississippi This is her first published book *Gardeners' Chronicle* ,1907 *Allyson's Journey, Backward* Suzanne Muir, 2023-03-10 For each of us there is a point in time when the course of our actions taken will change or firmly seal the direction of our life For fifty five year old Allyson Gregory her defining moment was when she was eighteen and a college freshman Because of a brief fool
