Voices of Resistance Judy Maloof,2014-07-11 Latin American women were among those who led the suffrage movements of the nineteenth and early twentieth centuries and their opposition to military dictatorships has galvanized more recent political movements throughout the region But because of the continuous attempts to silence them activists have struggled to make their voices heard At the heart of Voices of Resistance are the testimonies of thirteen women who fought for human rights and social justice in their communities Some played significant roles in the Cuban Revolution of 1959 while others organized grassroots resistance to the seventeen year Pinochet dictatorship in Chile Though the women share many objectives they are a diverse group ranging in age from thirty to eighty and coming from varied ethnic and socioeconomic backgrounds The Cuban and Chilean women Judy Maloof interviewed use the narrative form to reinvent themselves Maloof includes narratives from a poet a tobacco worker a political prisoner an artist and a social

worker to demonstrate the different faces of their struggle In the process these women were able to begin to put together their fragmented lives Speaking out is both a means for personal liberation and a political act of protest against authoritarian regimes The bond that these women have is not simply that they have suffered they share a commitment to resisting violence and confronting inequities at great personal risk [Hodder & Stoughton's sixpenny novels.
