Martha Root M. R. Garis, 1983 *Bahā'ī Identity and the Concept of Martyrdom* Per-Olof Åkerdahl, 2002 *Children of the Kingdom* Daun E. Miller, 2010 A practical guide for successful and spiritual parenting based on the love of God the love of family and the love of children Spiritually bases answers that convey a practical approach to educating children in a loving and supportive manner with spiritual principles virtues and character development serving as the foundation for their learning and growth Written in chronological order so that busy parents can find what they need quickly and easily the book designates each age group as an important stage in a child's life and one that demands specific action on the part of parents Using the Bahai writings as well as personal experience the author demonstrates that there is an alternative to the chaos and confusion that many parents see engulfing the world **An Introduction to the Baha'i Faith** Peter Smith, 2008-04-07 Peter Smith explores the history beliefs and practices of the Baha i faith **Prophet's Daughter** Janet A. Khan, 2005 Prophet's Daughter examines the extraordinary life of Bahiyyih Khanum 1846 1932 the daughter of Baha u llah founder of the Baha i Faith From the mid nineteenth century to the early twentieth century when women in the Middle East were largely invisible deprived of education and without status in their communities Bahiyyih Khanum was an active participant in the religion's turbulent early years and contributed significantly both to the development of its administrative structure and to its emergence as a worldwide faith community Her appointment to head the Baha i Faith during a critical period of transition stands unique in religious history The Baha'i Faith: A Guide For The Perplexed Robert H. Stockman, 2012-11-21 Founded by Bah u llah in Iran in the 19th century the Bah Faith is one of the youngest of the world's major religions Though it has over 5 million followers worldwide it is still little understood outside of its own community The Bah Faith A Guide for the Perplexed explores the utopian vision of the Bah Faith including its principles for personal spiritual transformation and for the construction of spiritualized marriages families Bah communities and ultimately a spiritual world civilization Aimed at students seeking a thorough understanding of this increasingly studied religion this book is the ideal companion to studying and understanding the Bah Faith its teachings and the history of its development The Calling Hussein Ahdieh, Hillary Chapman, 2017-07-25 In the 19th century countless individuals believed a new Revelation was imminent In Persia the B b fulfilled the prediction by several clerics of the appearance of the Promised Qa'im Tahirih of Qazvin a gifted teacher was at the vanguard of spreading the B b's teachings She unceasingly proclaimed the B b Faith and brought a deeper understanding of its teachings to the rapidly growing numbers of its converts Her vibrant poetry gave voice to her spiritual longing and passion and its freshness reflected the vitality of the new spiritual teachings She emerged as the most outspoken of the Baacute biacute leaders The authorities responded by having her murdered in the dead of night The memory of her life survives in her poems At the same time many Americans believed the Second Coming of Christ was imminent Several churches and movements emerged some founded by women Among them were Ellen G White a theological thinker who

shaped the beliefs of the Adventist movement Sojourner Truth who came up from slavery to electrify audiences with her salvation preaching and Mary Baker Eddy founder of the Church of Christ Science these women leaders were prefigured in the 18th century by Mother Ann Lee founder of the Shakers and the long forgotten female exhorters The Calling by Hussein Ahdieh and Hillary Chapman describes Tahirih in a fresh new manner juxtaposing and interweaving her life and work with that of her American contemporaries women whose existence she was probably not aware of but who shared with her a spiritual bond and vision of progress and justice

Lights of the Spirit Gwendolyn Etter-Lewis, Richard Walter Thomas, 2006 This groundbreaking work uncovers the role played by black people in the emergence of the Bah i faith in North America Drawing on a wide range of sources including personal essays letters and journals it offers a fascinating glimpse into the lives of some extraordinary individuals

No Jim Crow Church Louis Venters, 2016-09-20 A richly detailed study of the rise of the Bah Faith in South Carolina There isn t another study out there even remotely like this one Paul Harvey coauthor of The Color of Christ The Son of God and the Saga of Race in America A pioneering study of how and why the Bah Faith became the second largest religious community in South Carolina Carefully researched the story told here fills a significant gap in our knowledge of South Carolina s rich and diverse religious history Charles H Lippy coauthor of Religion in Contemporary America The emergence of a cohesive interracial fellowship in Jim Crow era South Carolina was unlikely and dangerous However members of the Bah Faith in the Palmetto State rejected segregation broke away from religious orthodoxy and defied the odds eventually becoming the state s largest religious minority The religion which emphasizes the spiritual unity of all humankind arrived in the United States from the Middle East at the end of the nineteenth century via urban areas in the Northeast and Midwest Expatriate South Carolinians converted and when they returned home they brought their newfound religion with them Despite frequently being the targets of intimidation and even violence by neighbors the Ku Klux Klan law enforcement agencies government officials and conservative clergymen the Bah s remained resolute in their faith and their commitment to an interracial spiritual democracy In the latter half of the twentieth century their numbers continued to grow from several hundred to over twenty thousand In No Jim Crow Church Louis Venters traces the history of South Carolina s Bah community from its early origins through the civil rights era and presents an organizational social and intellectual history of the movement He relates developments within the community to changes in society at large with particular attention to race relations and the civil rights struggle Venters argues that the Bah s in South Carolina represented a significant sustained spiritually based challenge to the ideology and structures of white male Protestant supremacy while exploring how the emergence of the Bah Faith in the Deep South played a role in the cultural and structural evolution of the religion
