Marxism Markar Melkonian,1996-06-20 Concise and accessible this book will introduce undergraduates in various disciplines and others unfamiliar with Marxism to Marx's theory of social and political change For more advanced students looking for a lean but sophisticated overview this primer constitutes a trenchant and engaging reevaluation of Marx's intellectual legacy *The Weapon of Theory* Markar Melkonian,1994 International Political Economy Raymond C. Miller,2008-09-03 This textbook is the perfect short introduction to the fundamental theories and issues of international political economy IPE Written in a concise and accessible style the text equips students with the necessary skills and knowledge to understand this complex and fascinating area Engaging with both classical theories and the main contemporary debates this is the ideal starting point for the study of IPE The text introduces students to the three main theoretical approaches in IPE free market institutionalist and historical materialist The strengths and weaknesses of the theories are then illustrated by a series of fascinating applied case studies in such core areas as international trade finance transnational corporations development and the environment Combining clear historical and theoretical explanation with detailed empirical examples this is essential reading for students of international political economy global governance and international economics The American Bibliography of Slavic and East European Studies for 1994 Patt Leonard,Rebecca Routh,1997-05-31 This text provides a source of citations to North American scholarships relating specifically to the area of Eastern Europe and the former Soviet Union It indexes fields of scholarship such as the humanities arts technology and life sciences and all kinds of scholarship such as PhDs Blood, Bullets And Bodies Imani M. Tafari-Ama,2017-06-11 Fifth Edition The true story of Blood Bullets and Bodies a critical multimedia expos about the factors subverting the political will to act in the best interest of the poor even when explicit just cause exists for such altruistic action to take place Blood Bullets and Bodies is a strange and paradoxical story that needs to be read as much as it needs to be told It is a riveting story of sex violence political intrigue and survival by any means necessary The book is a literary mirror that provides a revealing and frightening reflection for a self destructing society to see itself profiled in the throes of its own possible demise Sure to stir controversy the new book contains a compelling rendition of the historical circumstances that have made crime and violence bullets blood and dead bodies the number one problem in late 20th and early 21st century Jamaica Despite the historic One Love Peace Concert and the Peace Truce in 1978 young gunmen seem to have gone wild ever since Using a variety of sophisticated methodological tools including literary sources oral interviews ethnographic studies and the lyrics of popular Reggae songs Imani Tafari Ama details the influences and implications of this violent social discourse for everyday performances of femininity and masculinity in Kingston's inner city environment as well as in the wider Jamaican society Tafari Ama's stated objective in publishing her thesis as a book is to separate fact from fiction in order to find real and enduring solutions that will reduce the distressing flood of blood bullets and bodies that is overflowing the streets of

Kingston She hopes that by highlighting some of the facts and exposing much of the fiction about life below the poverty line her provocative book will be a catalyst in motivating the political and community willpower necessary to find and implement the real time solutions that she proposes in her suggested Options for Development *International Affairs and Intelligence Studies Primer* Daniel Evans,2011-04 This book touches on International Relations Theory International Organizations The Study of the Factors of Peace Foundations of Peace International Political Economy Comparative Political Systems International Law International Political Systems Strategic Intelligence Intelligence Operations and Reports Counterintelligence and HUMINT Operations Criminal Intelligence Analysis Analytics for Intelligence Analysis and other areas This is a primer for International Affairs and Intelligence Studies **Forthcoming Books** Rose Arny,2004 Louis Althusser and the Traditions of French Marxism William S. Lewis,2005-01-01 In a careful exposition of French Marxism William Lewis places Althusser and his thought alongside the pre and post war French communist intellectual climate the result is an excellent and unique work Part theoretical treatise on some of Althusser s more complicated and less explored ideas part intellectual history Louis Althusser and the Traditions of French Marxism is in total an important text for philosophy French and francophone studies political thought cultural studies marxist thought and several other disciplines interested in the intellectual life and times of the twentieth century **Richard Rorty's Politics** Markar Melkonian,1999 Markar Melkonian meets Rorty head on taking him to task for insufficiently repudiating universal values essentialism and other metaphysical views he claims to have abandoned Melkonian does this in the course of making the case that the existing liberal democracies Rorty wants to defend bear little resemblance to Rorty s own liberal utopia in which the quest for autonomy is impeded as little as possible by social institutions Without denigrating such institutions as a free press independent judiciaries and representative democracy Melkonian suggests that socialism conceived as the state power of workers rather than capitalists holds greater promise than Rorty s liberal utopia for the supreme purposes of extending freedom and ameliorating suffering BOOK JACKET The Cultural Front Michael Denning,1996 Denning illuminates the radical movement of artists and intellectuals activists and workers which strove to create a genuinely democratic popular culture in America during the 1930s **Disinformation: A Primer in Russian Active Measures and Influence Campaigns Panel I, S.HRG. 115-40, Part 1, March 30, 2017, 115-1** ,2017 **Books in Print** ,1991 *The British National Bibliography* Arthur James Wells,1998 **A Primer on Communism** United States Information Agency,1956 *Proceedings and Addresses of the American Philosophical Association* American Philosophical Association,1996 List of members in v 1 **Caribbean Revolutions** Rachel A. May,Alejandro Schneider,Roberto González Arana,2018-06-21 A comprehensive history and comparative analysis of the most important Caribbean armed revolutionary movements during the Cold War era **The Big Three in Economics: Adam Smith, Karl Marx, and John Maynard Keynes** Mark Skousen,2015-01-28 History comes alive in this fascinating story of opposing views that continue to play a fundamental role

in today's politics and economics The Big Three in Economics traces the turbulent lives and battle of ideas of the three most influential economists in world history Adam Smith representing laissez faire Karl Marx reflecting the radical socialist model and John Maynard Keynes symbolizing big government and the welfare state Each view has had a significant influence on shaping the modern world and the book traces the development of each philosophy through the eyes of its creator In the twenty first century Adam Smith's invisible hand model has gained the upper hand and capitalism appears to have won the battle of ideas over socialism and interventionism But author Mark Skousen shows that even in the era of globalization and privatization Keynesian and Marxian ideas continue to play a significant role in economic policy

*Issues in Web-Based Pedagogy* Robert A. Cole, 2000-06-30 There has been an explosion of Web based courses in higher education Aiming at an interdisciplinary audience the contributors draw upon diverse philosophical and empirical backgrounds to make claims about Web based pedagogy Among the points they raise is the concern that education is more easily commodified through Internet technologies implying that traditional faculty roles in teaching and research are at risk Moreover current understandings of what it means to be a teacher or a student are undergoing redefinition as a result of these new distance learning technologies The contributors note that Web based pedagogy is associated with sound instruction when particular strategies are adopted As a corollary this form of teaching is least effective when attempts are made to directly translate traditional styles of teaching Political social and economic interests are competing to shape the direction that online education will take The authors argue that opportunities exist for administrators and faculty to define the terms under which Web based learning will occur in their institutions

**Marx, Lenin, and the Revolutionary Experience** Paul LeBlanc, 2014-06-03 Marx Lenin and the Revolutionary Experience offers a fresh look at Communism both the bad and good and also touches on anarchism Christianity conservatism liberalism Marxism and more to argue for the enduring relevance of Karl Marx and V I Lenin as democratic revolutionaries It examines the Red Decade of the 1930s and the civil rights movement and the New Left of the 1960s in the United States as well Studying the past to grapple with issues of war and terrorism exploitation hunger ecological crisis and trends toward deadening de spiritualization the book shows how the revolutionaries of the past are still relevant to today's struggles It offers a clearly written and carefully reasoned thematic discussion of globalization Marxism Christianity and religion in general Communism the history of the USSR and US radical and social movements

*Rereading Global Socialist Cultures After the Cold War* Dubravka Juraga, M. Keith Booker, 2002-06-30 As a counter current to the incessant din of capitalist triumphalism and the portrayal of socialism as grey sameness since about 1990 scholars of literature call attention to the major contributions made by socialist writers to the production of culture in Asia Africa and South America The seven essays draw on a wide range of socialist cultures and the perspectives of individual authors to demonstrate the variety of thought within a socialist paradigm
