Nine Gates Entering The Mind Of Poetry:

Nine Gates Jane Hirshfield, 1998-08-26 A Gate Enables passage between what is inside and what is outside and the connection poetry forges between inner and outer lives is the fundamental theme of these nine essays *Nine Gates* begins with a close examination of the roots of poetic craft in the mind of concentration and concludes by exploring the writer's role in creating a sense of community that is open inclusive and able to bind the individual and the whole in a way that allows each full self expression in between *Nine Gates* illumines the nature of originality translation the various strategies by which meaning unfolds itself in language poetry's roots in oral memory and the importance of the shadow to good art A person who enters completely into the experience of a poem is initiated into a deeper intimacy with life Delving into the nature of poetry Jane Hirshfield also writes on the nature of the human mind perception and experience *Nine Gates* is about the underpinnings of poetic craft but it is also about a way of being alive in the world alertly musically intelligently passionately permeably In part a primer for the general reader *Nine Gates* is also a manual for the working writer with each gate exploring particular strategies of language and thought that allow a poem to convey meaning and emotion with clarity and force Above all *Nine Gates* is an insightful guide to the way the mind of poetry awakens our fundamental consciousness of what can be known when a person is most fully alive

Come, Thief Jane Hirshfield, 2011-08-23 A revelatory indispensable collection of poems from Jane Hirshfield that centers on beauty time and the full embrace of an existence that time cannot help but steal from our arms Hirshfield is unsurpassed in her ability to sink into a moment's essence and exchange something of herself with its finite music and then in seemingly simple inevitable words to deliver that exchange to us in poems that vibrate with form and expression perfectly united Hirshfield's poems of discovery acknowledgment of the difficult and praise turn always toward deepening comprehension Here we encounter the stealth of feeling's arrival as some strings untouched sound when a near one is speaking So it was when love slipped inside us an anatomy of solitude wrong solitude vinegars the soul right solitude oils it a reflection on perishability and the sweetness its acceptance invites into our midst How suddenly then the strange happiness took me like a man with strong hands and strong mouth and a muscular unblindfolded awareness of our shared political and planetary fate To read these startlingly true poems is to find our own feelings eloquently ensnared Whether delving into intimately familiar moments or bringing forward some experience until now outside words Hirshfield finds for each face of our lives its metamorphosing portrait its particular memorable singing and singular name Love in August White moths against the screen in August darkness Some clamor in envy Some spread large as two hands of a thief who wants to put back in your cupboard the long taken silver

Sea Summit Yi Lu, 2015-11-10 Translated to English this collection of contemporary Chinese poetry examines humanity's relationship with nature and the ecological crisis Influenced by both the gray sinister sea near the village where Yi Lu grew up during the Cultural Revolution and the beauty of the sea in the books she read as a child *Sea Summit* is a collection of paradox and questioning The sea is an impossible force to the poet it is both a majestic presence that predates man and something to carry with us wherever we go to be put by an ancient rattan chair so we can watch its waves toss from above Exploring the current ecological crisis and our complicated relationship to the wildness around us Yi Lu finds something more complex than a traditional nature poet might in the mysterious connection between herself and the forces of nature represented by the boundless ocean Translated brilliantly by the acclaimed poet Fiona Sze Lorrain this collection of poems introduces an important contemporary Chinese poet to English language readers Praise for *Sea Summit* Yi Lu is a theatre scenographer and her poems brim with the imagistic tendencies we might expect from a visual artist More specifically her poetic style fits that of a theatrical set designer Within the poetry of *Sea Summit* the images are like set pieces They play supporting roles as they help to tell the speaker's stories Sensitive and poignant poetry *The Literary Review* A compilation of over twenty years of work Yi's poetry
