Elahi,2010-09-16 My Life:living Through Pakistan's Traumas Muhammad-Najm Akbar,2010-09-17 In this autobiographical historical and analytical perspective on Pakistan Najm takes a closer look at the judicial revolution in Pakistan Pakistani Judiciary becomes the reader's navigator through meandering paths of Pakistan's internal battles for institutional growth This is also a diplomat's view of the socio historical evolution of Pakistan His outlook combines an insider's insights and limitations with an extensive historical and cultural learning process that includes living working and pursuing academic interests abroad He also unravels fundamental contradictions that militate against emergence of equitable educational opportunities in Pakistan He meets thus a general reader a policy maker legal community abroad and at home democracy advocates the Diaspora the students and analysts on their turf Born in Multan Pakistan Najm is currently a candidate for MA in Law and Diplomacy at The Fletcher School of Law and Diplomacy Tufts University *Inside Al-Qaeda and the Taliban* Syed Saleem Shahzad,2011-05-23 President Obama may have delivered on his campaign promise to kill Osama bin Laden but as an Al Qaeda strategist bin Laden has been dead for years This book introduces and examines the new generation of Al Qaeda leaders who have been behind the most recent attacks Investigative journalist Syed Saleem Shahzad dedicated his life to revealing the strategies and inner workings of Al Qaeda and the Taliban He had access to top level commanders in both movements as well as within the ISI Pakistan's intelligence service Shahzad's work was praised by US Secretary of State Hillary Clinton for bringing to light the troubles extremism poses to Pakistan's stability Inside Al Qaeda and the Taliban explains the wider aims of both organisations and provides an essential analysis of major terrorist incidents including the 2008 Mumbai attacks In May 2011 Shahzad was abducted and killed in Pakistan days after writing an article suggesting that insiders in the Pakistani navy had colluded with Al Qaeda in an attack on a naval air station This book is a testament to his fearless reporting and analytical rigour It will provide readers worldwide with an invaluable introduction to a new phase of the ongoing struggle against terrorism which threatens lives in so many countries Law, State and Inequality in Pakistan Muhammad Azeem,2017-07-02 Through a detailed historical and empirical account of post independence years this book offers a new assessment of the role of the judiciary in Pakistani politics Instead of seeing the judiciary as helpless or struggling against an authoritarian state it argues that the judiciary has been a crucial link in the

creation of state and political inequality in Pakistan This rubs against the central role given to the judiciary in developing countries to fix the corrupt politicians and stubborn bureaucracies in the World Bank's Good Governance paradigm and rule of law initiatives It also challenges the contemporary legal and judicial discourse that extols the virtues of Public Interest Litigation While the book's core analysis is a critique of the contemporary liberal legal project it also adds to the critical tradition of social theory by linking political economy to a social theory of law The theoretical aspect of the study is applicable to any developing society whose judiciary is going through foreign sponsored rule of law judicial reforms
