Perspectives on social welfare: an introductory anthology. [Edited by] Paul E. Weinberger. 2nd ed Paul Eric WEINBERGER, 1974 **Perspectives on Social Welfare** Paul E. Weinberger, *Perspectives in Social Welfare*, 19??

Social Welfare David Macarov, 1995-02-28 Poverty unemployment limited access to health care the litany of ills plaguing contemporary society seems endless reflective of the pragmatic and philosophical battles waged to overcome what some perceive as insurmountable obstacles What role has the state played in mitigating the effects of these harsh realities Offering a comprehensive survey of past and present programs Social Welfare considers the substance and results of government intervention Shaped by the works of such distinguished figures as Martin Luther Adam Smith and Charles Darwin this incisive text charts the progression of social welfare policy from inception to its current status David Macarov links present policy to the convergence of five interacting motivations mutual aid religion politics economics and ideology In identifying these elements Macarov assays the significance of each in determining the nature of social welfare and its future Featuring chapter summaries and exercises this intriguing introduction to social welfare policy and practice will involve and inform students of social work political science and sociology David Macarov has written a handy introductory social policy text for undergraduate that transcends the descriptive accounts of the social services that pervade the literature Unlike many other introductory texts Macarov does not seek to list the major social services and describe their functioning but focuses instead on the role of ideas and wider social forces in social welfare The book is easy to read and thoroughly supported with recommendations for additional reading It is a useful addition to the literature *Journal of Sociology and Social Welfare* **A Bibliography of British History, 1914-1989** Keith Robbins, American Historical Association, Royal Historical Society (Great Britain), 1996 Containing over 25 000 entries this unique volume will be absolutely indispensable for all those with an interest in Britain in the twentieth century Accessibly arranged by theme with helpful introductions to each chapter a huge range of topics is covered There is a comprehensive index

Basic Readings in Social Security, 1982 *Theory and Practice of Community Social Work* Samuel H. Taylor, Robert W. Roberts, 1985 *Annotated Readings in Social Security* United States. Social Security Administration. Office of Research and Statistics, 1982 Over 2500 references about social security Classified order Author subject indexes

Child Welfare in the Legal Setting Thomas M O'Brien, 2013-04-03
Explore legal issues that often hinder the work of child welfare practitioners Child Welfare in the Legal Setting A Critical and Interpretive Perspective is a revolutionary study of the child welfare system that is essential for practitioners educators and students interested in public child welfare work It examines the legal system surrounding child welfare workers and

highlights their need for agency specific training This insightful book challenges the traditional rules of child welfare and paves the way for alternate methods of conceptualizing and organizing child protection It explores why many family interventions fail and others never even occur By identifying incongruities between the philosophy of child welfare and its function this book advocates a more individualistic and efficient technique for assisting clients Addressing issues and challenges from the initial identification of problems to navigating the legal system this book is also thorough enough for public child welfare workers who want to take their skills to the next level The large system perspective in this book uses the concentric circle model the rational legal model of legal and court action and the ritualized process model to examine child welfare practice Learn why terms such as child abuse and neglect have become social constructions that vary depending on the values of social workers judges attorneys agencies and communities *Child Welfare in the Legal Setting A Critical and Interpretive Perspective* examines the standardization of the organizational activities of child welfare systems and how this limits professionals ability to accurately recognize unique problems and intervene in the most beneficial manner *Child Welfare in the Legal Setting* also provides controversial opinions on emerging issues including family investigations sanction for Child Protective Services intervention the legal setting as a host environment the function of the child welfare system rationalization of child welfare intervention trained incapacity of social workers Title IVE programs the court system *Child Welfare in the Legal Setting A Critical and Interpretive Perspective* identifies vital issues by analyzing the ethical and moral foundations of the child welfare system This insightful book also takes a close look at how practitioners inadvertently devalue their clients by using language that creates stigmatized social categories such as victim and convicted felon Supervisors managers social workers and child welfare practitioners will benefit from this information The vignettes that supplement the narrative also make the book an important resource in any child welfare course

What the Market Does to People

David Macarov, 2003-11-18 This volume describes explains and exposes the growth of poverty the world over It reveals the shocking extent of poverty the forms it takes and its results and probes the origins of poverty in attitudes and ideologies norms and structures

Engaging and Working with African American Fathers Latrice Rollins, 2020-12-30 *Engaging and Working with African American Fathers Strategies and Lessons Learned* challenges traditional and historic practices and policies that have systematically excluded fathers and contributed to social and health disparities among this population With chapters written primarily by African American women drawing on years of research interviews and practical experience with this demographic each section explores current evidence on engagement approaches descriptions of agencies programs addressing specific issues fathers face and case studies documenting typical clients and approaches to addressing their diverse needs Offering an expansive overview of issues affecting African American fathers the book explores such important topics as public child and mental health education parenting employment and public initiatives among others *Engaging and Working with African American Fathers* is a key resource for social work public health education students researchers

practitioners policymakers and members of communities who are challenged by meeting the diverse needs of African American fathers Introduction to Social Welfare Walter A. Friedlander, Robert Z. Apte, 1980 Welfare in Review , 1969

Critical Multicultural Practice in Social Work Charlotte Williams, 2020-07-16 Critical multicultural practice rather than being a specialism is integral to Australian social work Drawing on critical race theory critical multiculturalism intersectionality and critical reflection as practice theory this major new edited collection challenges many of the dominant assumptions of cross cultural social work and provides instead a new model of transformative engagement Key concepts are considered including identity culture diversity and superdiversity how power and privilege shape everyday interactions and what is meant by citizenship in the contemporary context Part One explores the changing nature of multicultural practice in Australia including our society s changing demographic profile the impact of asylum and refugee migrations race and racism and cultural identity Indigenous perspectives and the relationship with multicultural practice are examined together with the ethical and legal basis for multicultural practice This part concludes with an outline of the editors framework for critical multicultural practice Part Two draws on contributions from a range of practitioners and offers new perspectives on diverse fields including child protection mental health disability ageing homelessness and rural and regional practice Featuring case studies and insights drawn from across the spectrum of practice this book is a vital resource for all social workers practising in Australia today A rich and nuanced analysis of what is happening at the interfaces of our work and the lives of Australian citizens it articulates ways forward that are genuine bold and empathetic From the foreword by Professor Kerry Arabena The University of Melbourne **A Constant Burden** Margaret Voysey Paun, 2017-11-30 First published in 1975 A Constant Burden was a truly ground breaking text in the field of medical sociology and has since become an undisputed classic Over thirty years later this revised edition gives new life to this important work It contains the same seminal study of families with a disabled child based on an analysis of interviews with parents about the effects of their child s disability on their family life Whereas much of the contemporary research assumed that the presence of such a child must constitute a problem and attempted to read parents responses as indicators of the family s psychological and social adjustment to this reality Voysey Paun s analysis takes a radically different stance She shows that what parents say should rather be understood as socially constructed accounts of normal parenting which induce others to identify them as properly fulfilling their responsibilities as good parents Voysey Paun s approach to the analysis and interpretation of interview responses has become a much more central theme for sociological research instrumental in changing theories about the nature of disability and the family as expressed by sociologists social workers and other agencies The revised edition contains a new introduction which puts the study in its intellectual context It will be essential reading in the sociology of health and illness and will also be of interest to social workers and other professionals concerned with disability and family life *An A-Z of Social Work Theory* Malcolm Payne, 2021-09-15 Puzzled by terminology skills law or theory Revising for your placement or exam Then look no further This

series of concise and easy to use A Zs will be your guide Designed for both students and newly qualified social workers this book will introduce you to over 350 key theories theorists and concepts in a concise and no nonsense way Careful cross referencing will help you make important connections while selected further reading will provide you with a springboard to further learning NIDA Research Monograph ,1976 *African American History Day by Day* Karen Juanita Carrillo,2012-08-22 The proof of any group s importance to history is in the detail a fact made plain by this informative book s day by day documentation of the impact of African Americans on life in the United States One of the easiest ways to grasp any aspect of history is to look at it as a continuum African American History Day by Day A Reference Guide to Events provides just such an opportunity Organized in the form of a calendar this book allows readers to see the dates of famous births deaths and events that have affected the lives of African Americans and by extension of America as a whole Each day features an entry with information about an important event that occurred on that date Background on the highlighted event is provided along with a link to at least one primary source document and references to books and websites that can provide more information While there are other calendars of African American history this one is set apart by its level of academic detail It is not only a calendar but also an easy to use reference and learning tool
