Smith,2025-02-21 As the title suggests this book is a combination of personal musical memoir travelogue and recollections of a sometime vinyl record and memorabilia collector wannabe journalist and photographer It traces the author s journey both literally and metaphorically across and through a range of musical genres including those discovered during his extensive international travels From early exposure to The Beatles through to Soul and Blues and on to the more exotic sounds and experiences from across Africa Eastern Europe and The Middle East to Central America and beyond However much of the focus here revolves around the Manchester music scene Whilst there is much here to please the musical geeks with regard to collecting it is the author s stories and anecdotes many involving luminaries from across the musical spectrum that truly engages the reader The book includes recollections from notable gigs and concerts including the infamous Derby Hall Joy Division riot in Bury shortly before singer Ian Curtis committed suicide This includes postscripts to that gig that are unique and unreported But whatever your musical taste this book contains much more Allowing the reader to share in the author s emotional and candid roller coaster ride through his experiences musical and otherwise both near and far From potentially dangerous encounters with Eastern European heavies dancing on tables at Middle Eastern weddings to communally drinking shake shake home brew in dubious African clubs With a vast array of unique photographs to illustrate the work this is a must read for any self respecting music fan *Before the Lights Go Out* Sean Fitz-Gerald,2020-10-06 A Globe and Mail Best Book A finalist for the Rakuten Kobo Emerging Writer Prize A love letter to a sport that s losing itself from one of our best sports writers Hockey is approaching a state of crisis in Canada It s become more expensive more exclusive and effectively off limits to huge swaths of the potential sports loving population Youth registration numbers are stagnant efforts to appeal to new Canadians are often grim at best the game increasingly does not resemble the country of which it s for so long been an integral part As a lifelong hockey fan and father of a young mixed race son falling headlong in love with the game Sean Fitz Gerald wanted to get to the roots of these issues His entry point a season with the Peterborough Petes a storied OHL team far from its former glory in a once emblematic Canadian city that is finding itself on the wrong side of the country s changing demographics Fitz Gerald profiles the players coaches and front office staff a mix of world class talents with NHL aspirations and Peterborough natives happy with more modest dreams Through their experiences their widely varied motivations and expectations we get a rich colourful understanding of who

this enigmatic questing musician and his works into an artist whose constant traveling through identities influences and media defines him as one of modern culture's truly global citizens. At the heart of Paul Hegarty's analysis is the idea of locatedness: what it means to be in a specific place at a given time and to reflect on that time and the changes which inevitably occur. Gabriel's work, Hegarty argues, can be understood as a series of reflections on the where of being, a facet of existence that spans everything from politics to psychology, philosophy, psychogeography, and inward reflection.
