The Love Poems of John Keats John Keats,2007-04-03 Since the death of John Keats in 1821 scholars and laymen alike have hailed him as the greatest poet since Shakespeare This sixth book in St Martin s love poetry series contains 26 of Keats finest poems with accompanying art from the period [John Keats](#) John Keats,Andrew Motion,2000 The response of one writer to the work of another can be doubly illuminating In the Poet to Poet series a contemporary poet selects and introduces a poet of the past whom they have particularly admired Andrew Motion was born in 1952 He is a poet and biographer and the Professor of Creative Writing at the University of East Anglia His biography of Keats was published in 1997 In 1999 he was appointed Poet Laureate

Keats John Keats,2009-12-03 A passage from the book Of all the great poets of the early nineteenth century Wordsworth Coleridge Scott Byron Shelley Keats John Keats was the last born and the first to die The length of his life was not one third that of Wordsworth who was born twenty five years before him and outlived him by twenty nine Yet before his tragic death at twenty six Keats had produced a body of poetry of such extraordinary power and promise that the world has sometimes been tempted in its regret for what he might have done had he lived to lose sight of the superlative merit of what he actually accomplished The three years of his poetic career during which he published three small volumes of poetry show a development at the same time rapid and steady and a gradual but complete abandonment of almost every fault and weakness It would probably be impossible in the history of literature to find such another instance of the growth of a poet s mind The last of these three volumes which is here vi reprinted was published in 1820 when it had good success among the literary people and a moderate sale It contains the flower of his poetic production and is perhaps altogether one of the most marvellous volumes ever issued from the press But in spite of the maturity of Keats s work when he was twenty five he had been in no sense a precocious child Born in 1795 in the city of London the son of a livery stable keeper he was brought up amid surroundings and influences by no means calculated to awaken poetic genius [John Keats](#) John Keats,1993 This is a collection of Keat s best and most famous poems including some of his sonnets and three of his longer narrative poems
