

# Daddy

You have loved me and held my hand  
since my birth.  
There is no better daddy in all the earth.

I will watch you as you guide me  
through life.  
With you, I will be able to handle any strife.

YOU are my hero, that's the truth.  
I will look to you throughout my youth.

My handprint and handmade art,  
Is for you to know  
you are always in my heart.

Happy Father's Day to you.  
I want to celebrate all the days through.

Violet

Poetry Moramarco and Zolynas believe can reveal most about the nature of male life today especially the enormous changes men have experienced in recent years As the editors state in their introduction A quiet revolution has been taking place in men s poetry over the past few decades as men have been chronicling the history of their hearts and have been examining those relationships central to their being in the world their connections to their fathers and mothers their own sense of fatherhood and of being sons and brothers their marriages divorces and other aspects of their love lives as well as the ways they conceive of maleness and femaleness The poems collected in *Men of Our Time* 257 from more than 170 poets include a wide mix of ethnic and racial perspectives that reflect the multicultural tenor of American life They reveal men s most intimate feelings about the loss of childhood sexual anxieties and fantasies aging self sufficiency and dependency and the perennial quest for a masculine identity Above all the poems are unapologetically grounded in a distinctly male experience or imagination *Men of Our Time* reclaims a poetry that is connected to and expressive of men s lives in the closing decade of the twentieth century
