Proud Zion:

Proud Zion Hans Habe,1973 **Nietzsche and Zion** Jacob Golomb,2018-09-05 Nietzsche s ideas were widely disseminated among and appropriated by the first Hebrew Zionist writers and leaders It seems quite appropriate then that the first Zionist Congress was held in Basle where Nietzsche spent several years as a professor of classical philology This coincidence gains profound significance when we see Nietzsche s impact on the first Zionist leaders and writers in Europe as well as his presence in Palestine and later in the State of Israel from the Introduction The early Zionists were deeply concerned with the authenticity of the modern Jew qua person and with the content and direction of the reawakening Hebrew culture Nietzsche too was propagating his highest ideal of a personal authenticity Yet the affinities in their thought and the formative impact of Nietzsche on the first leaders and writers of the Zionist movement have attracted very little attention from intellectual historians Indeed the antisemitic uses to which Nietzsche s thought was turned after his death have led most commentators to assume the philosopher s antipathy to Jewish aspirations Jacob Golomb proposes a Nietzsche whose sympathies overturn such preconceptions and details for the first time how Nietzsche s philosophy inspired Zionist leaders ideologues and writers to create a modern Hebrew culture Golomb cites Ahad Ha am Micha Josef Berdichevski Martin Buber Theodor Herzl Max Nordau and Hillel Zeitlin as examples of Zionists who dared to look into Nietzsche s abyss This book tells us what they found **Zion's Works** John Ward,1903 The New Zionists David L. Graizbord,2020-05-26 Through a qualitative analysis and broad historical contextualization of personal interviews The New Zionists shows how American Jewish Millennials who are not religiously orthodox approach Israel and Zionism as galvanizing solutions to the thinning of American Jewish identity and re root themselves through Israeliness an unselfconscious and largely secular expression of national kinship and solidarity as well as of personal and communal purpose that American Judaism scarcely provides **Zion's Herald** ,1909 Zion's Home Monthly ,1888 **Zion's Youthful Warling, or Thoughts, on the Best Warfare ... By a Youth, etc. [The advertisement signed: G. B.]** G. B.,1812 Zion's Young People ,1901

Revival Martyn Lloyd-Jones,1987-02-01 In every era the church needs revival certainly today as much as ever And in the heart of every committed Christian there is the longing for personal revival to know the quality and depths of spiritual reality and the presence of God in one s personal life This was the deepest desire of Dr Martyn Lloyd Jones one of the great 20th century Bible expositors It was also the purpose behind this series of messages which were first given on the 100th anniversary of the Great Revival which started in Wales and swept across England and throughout the United States and to the far corners of the world As Dr Lloyd Jones recognized it is a rare time in the history of the church when there is a great outpouring of the Holy Spirit and a time of special interest of every Christian who longs for revival today As Dr J I Packer writes in his foreword Dr Lloyd Jones believed in the necessity of revival that is a quickening divine visitation as the only vent that can avert ultimate spiritual disaster The thrustful urgency of the sermons in this book testifies to the depth of his

conviction that without revival in the church there is really no hope for the Western world at all Dr Lloyd Jones deftly draws principles from the lives of Old and New Testament characters as well as expounding some of the great prayers of the Bible Clearly and forcefully he presents a masterful exposition of the circumstances accompanying revival in the past why each generation needs it and how it will come about today We must come to the sovereign God forsake our sin and wait upon Him for this special essential outpouring God bring us revival The Museum of Foreign Literature, Science, and Art Robert Walsh,Eliakim Littell,John Jay Smith,1839 The design of love, by E.B.
