Fraud Investigation and Forensic Accounting in the Real World William L. Jennings, 2022-05-22 This book covers every aspect of forensic accounting, anti-fraud control systems and fraud investigations. The author uses his own case experience to guide the reader through each phase of a forensic accounting assignment and fraud investigation. The book opens with an explanation of what happened to a company that was ensnared in a huge commodity purchasing scheme. Using his knowledge and experience gained over 40 years, the author illustrates that unexpected fraud occurrences can happen to any company in any industry. Additionally, the author explains the current white collar crime threats that organizations face every day as well as legal issues that are often implicated in forensic accounting and fraud investigation projects. Electronic and non-electronic evidence gathering is also covered in detail with illustrative examples. One chapter is devoted entirely to the often misunderstood but extremely important subject of witness interviews. It provides the correct approach to the analysis and correlation of evidence in determining findings and conclusions of an investigation. Another chapter is devoted to proper report writing. The author provides detailed guidance on presenting findings to a variety of audiences including management, a board, law enforcement and at trials and hearings. It also covers proper techniques for measuring economic damages and concludes with a useful index. William L. Jennings is a Senior Director at Delta Consulting Group. He is responsible for providing forensic accounting investigation and asset recovery services to corporations, government agencies, attorneys and their clients as well as business controls consulting services to organizations. With more than 40 years of experience in public accounting and auditing, forensic accounting, business valuation, investigation, asset recovery and business controls development, Mr. Jennings has worked on hundreds of forensic accounting and investigation assignments and he provides expert testimony.

Marijuana is Safer Steve Fox, Paul Armentano, Mason Tvert, 2013-09-01 In 2012 voters in Colorado shocked the political establishment by making the use of marijuana legal for anyone in the state twenty-one years of age or older. In the wake of that unprecedented victory, nationally recognized marijuana policy experts Steve Fox, Paul Armentano and Mason Tvert

revisit the Marijuana Is Safer message that contributed to the campaign's success as the first edition of this book predicted it would in 2009. In this updated and expanded edition, the authors include a new chapter on the victory in Colorado and updates on a growing mountain of research that supports their position. Through an objective examination of marijuana and alcohol and the laws and social practices that steer people toward the latter, the authors pose a simple yet rarely considered question: Why do we punish adults who make the rational safer choice to use marijuana instead of alcohol? For those unfamiliar with marijuana, *Marijuana Is Safer* provides an introduction to the cannabis plant and its effects on the user and debunks some of the government's most frequently cited marijuana myths. More importantly, for the millions of Americans who want to advance the cause of marijuana policy reform or simply want to defend their own personal safer choice, this book provides the talking points and detailed information needed to make persuasive arguments to friends, family, coworkers, elected officials, and of course, future voters.

Real-World Enlightenment Susan Kaiser Greenland, 2024-07-16

In *Real World Enlightenment*, Susan Kaiser Greenland offers wisdom and practical advice for living a more meaningful, purposeful, and joyful life. Arianna Huffington, Founder and CEO of Thrive Global, 50 practical tools from mindfulness, psychology, science, and time-honored traditions to help you ease anxiety, overwhelm, and stress. Beloved mindfulness teacher, best-selling author, and longtime Buddhist practitioner, Susan Kaiser Greenland explores time-honored themes that tap into the enduring sense of love, connection, and well-being that is with us regardless of our circumstances. These universal themes, including Change, Humility, Interdependence, Concentration, Joy, Kindness, and Discernment, among many others, help us find emotional and psychological freedom by lessening our reactivity, broadening our perspectives, and deepening our relationships. Drawing from science, psychology, Buddhism, wisdom traditions, and personal stories, Kaiser Greenland gives us strategies to shift from a narrow, survival-driven frame of mind to one that is grounded and expansive. She offers valuable methods to apply these themes daily, including:

- Robust tools to manage stress and develop attention, like tapping into sensory pleasures or focusing on a single image or phrase.
- Catchy slogans that promote emotional balance when you feel overwhelmed, like "drop the baggage" or "don't play the scene before you get there."
- These and other phrases can interrupt spiraling thoughts and move you back into your comfort zone.
- Accessible meditations to experience greater equanimity, slow down your thinking process, and heighten awareness of the natural movement of your mind.
- Time-tested life hacks to care for yourself and others with greater kindness and compassion.
- Strategies that bring greater ease and effortlessness into your life and relationships by helping you remain flexible and creative, even in challenging situations.
- And much more.
