Kenneth Burke and the Conversation after Philosophy Timothy W. Crusius,1999-03-30 Throughout much of his long life 1897 1993 Kenneth Burke was recognized as a leading American intellectual perhaps the most significant critic writing in English since Coleridge From about 1950 on rhetoricians in both English and speech began to see him as a major contributor to the New Rhetoric But despite Burke s own claims to be writing philosophy and some notice from reviewers and critics that his work was philosophically significant Timothy W Crusius is the first to access his work as philosophy Crusius traces Burke s commitment and contributions to philosophy prior to 1945 from Counter Statement 1931 through The Philosophy of Literary Form 1941 While Burke might have been a late modernist thinker Crusius shows that Burke actually starts from a position closely akin to such postmodern figures as Michel Foucault and Richard Rorty Crusius then examines Burke s work from A Grammar of Motives 1945 up to his last published essays drawing most heavily on A Rhetoric of Motives The Rhetoric of Religion and uncollected essays from the 1970s This part concerns Burke s contributions to human activities always closely associated with rhetoric hermeneutics dialectic and praxis Burke s highly developed notion of our species as the symbol using animal argues Crusius draws together the various strands of his later philosophy his concern with interpretation with dialectic and dialogue with a praxis devoted to awareness and control of the self deceiving and potentially self destructive motives inherent in language itself

*Burke in the Archives* Dana Anderson,Jessica Enoch,2013-06-15 Burke in the Archives brings together thirteen original essays by leading and emerging Kenneth Burke scholars to explore provocatively the twenty first century usefulness of a figure widely regarded as the twentieth century s most influential rhetorician Edited by Dana Anderson and Jessica Enoch the volume breaks new ground as it complicates extends and ultimately transforms how the field of rhetorical studies understands Burke calling much needed attention to the roles that archival materials can and do play in this process Although other scholars have indeed looked to Burke s archives to advance their work no individual essays books or collections purposefully reflect on the archive s role in transforming rhetorical scholars understandings of Burke By drawing on an impressively varied range of archival materials including unpublished letters newly recovered reviews notes on articles drafts of essays and even comments on student papers from Burke s years of teaching the essays in this volume mount

distinct powerful arguments about how archival materials have the potential to reshape and invigorate rhetorical scholarship Including contributors such as Jack Selzer Debra Hawhee and Ann George this collection pursues Burke behind the arguments of his major works to the divergent preoccupations habits of mind breakthroughs and breakdowns of his insight Through the archival arguments and analyses that unify its essays Burke in the Archives showcases how historiographic and methodological work can propel Burke scholarship in new directions

**The Rhetorical Imagination of Kenneth Burke** Ross Wolin, 2001 Blending the genres of biography intellectual history and rhetorical theory this study presents an analysis of Burke's 1897-1993 early essays and his eight theoretical works placing them in the context of their social and political history Wolin humanities and rhetoric Boston University casts each work as a re-articulation and extension of the ideas imbedded in Burke's previous efforts The tactics of conflict cooperation and motivation are emphasized c Book News Inc

**Fifty Years of Rhetoric Society Quarterly** Joshua Gunn, Diane Davis, 2018-05-15 Fifty Years of Rhetoric Society Quarterly Selected Readings 1968-2018 celebrates the semicentennial of Rhetoric Society Quarterly bringing together the most influential essays included in the journal over the past fifty years Assessed by members of the Rhetoric Society of America this collection provides advanced undergraduate and graduate students with a balanced perspective on rhetorical theory and practice from scholars in both communication studies and rhetoric and writing studies The volume covers a range of themes from the history of rhetorical studies writing and speaking pedagogy and feminism to the work of Kenneth Burke the rhetoric of science and rhetorical agency

*Contemporary Perspectives on Rhetoric* Sonja K. Foss, Karen A. Foss, Robert Trapp, 2014-04-04 The anniversary edition marks thirty years of offering an indispensable review and analysis of thinkers who have exerted a profound influence on contemporary rhetorical theory I A Richards Ernesto Grassi Chaim Perelman and Lucie Olbrechts-Tyteca Stephen Toulmin Richard Weaver Kenneth Burke Jürgen Habermas bell hooks Jean Baudrillard and Michel Foucault The brief biographical sketches locate the theorists in time and place showing how life experiences influenced perspectives on rhetorical thought The concise explanations of complex concepts are clear engaging insightful and highly accessible serving as an excellent primer for reading the major works of these scholars The critical commentary is carefully chosen to highlight implications and to place the theories within a broader rhetorical context Each chapter ends with a complete bibliography of works by the theorists

*Criticism and Literary Theory 1890 to the Present* Chris Baldick, 2014-06-11 Presents a coherent and accessible historical account of the major phases of British and American Twentieth century criticism from decadent aestheticism to feminist deconstructionist and post colonial theories Special attention is given to new perspectives on Shakespearean criticism theories of the novel and models of the literary canon The book will help to define and account for the major developments in literary criticism during this century exploring the full diversity of critical work from major critics such as T S Eliot and F R Leavis to minor but fascinating figures and critical schools Unlike most guides to modern literary theory its focus is firmly on developments within the English speaking world

*Addressing Postmodernity* Barbara Biesecker, 2000-10-05 A deconstructive reading of the three texts that constitute the apex of Burke's career: A Grammar of Motives, A Rhetoric of Motives, and The Rhetoric of Religion. Studies in Logology. Confronting challenges posed by postmodernity to social theorists and critics alike. Biesecker, U. of Iowa argues that a radicalized rereading of Burke's theory of the negative opens the way toward a rhetorical theory of social change and human agency. Of interest to philosophers, social theorists, graduate students, and precocious undergraduates. Annotation copyrighted by Book News, Inc., Portland, OR.

Modern Rhetorical Criticism Roderick P. Hart, Suzanne M. Daughton, Rebecca Lavally, 2017-12-06 A comprehensive and up-to-date introduction to the analysis of public rhetoric. *Modern Rhetorical Criticism* teaches readers how to examine and interpret rhetorical situations, ideas, arguments, structure, and style. The text covers a wide range of critical techniques from cultural and dramatic analysis to feminist and Marxist approaches. A wealth of original criticism demonstrates how to analyze such diverse forms as junk mail, campaign speeches, and popular entertainment as well as literature. This long-awaited revision offers specific guidance on crafting analytic essays and contains new coverage of legacy as well as new media, identity criticism, and postcolonial and decolonial criticism. The fourth edition also offers additional resources online for instructors and students.

The Handbook of Organizational Rhetoric and Communication Oyvind Ihlen, Robert L. Heath, 2018-08-14 A one-stop source for scholars and advanced students who want to get the latest and best overview and discussion of how organizations use rhetoric. While the disciplinary study of rhetoric is alive and well, there has been curiously little specific interest in the rhetoric of organizations. This book seeks to remedy that omission. It presents a research collection created by the insights of leading scholars on rhetoric and organizations while discussing state-of-the-art insights from disciplines that have and will continue to use rhetoric. Beginning with an introduction to the topic, *The Handbook of Organizational Rhetoric and Communication* offers coverage of the foundations and macro contexts of rhetoric as well as its use in organizational communication, public relations, marketing, management, and organization theory. It then looks at intellectual and moral foundations without which rhetoric could not have occurred, discussing key concepts in rhetorical theory. The book then goes on to analyze the processes of rhetoric and the challenges and strategies involved. A section is also devoted to discussing rhetorical areas or genres, namely contextual application of rhetoric and the challenges that arise, such as strategic issues for management and corporate social responsibility. The final part seeks to answer questions about the book's contribution to the understanding of organizational rhetoric. It also examines what perspectives are lacking and what the future might hold for the study of organizational rhetoric. Examines the advantages and perils of organizations that seek to project their voices in order to shape society to their benefits. Contains chapters working in the tradition of rhetorical criticism that ask whether organizations' rhetorical strategies have fulfilled their organizational and societal value. Discusses the importance of obvious, traditional, nuanced, and critically valued strategies such as rhetorical interaction in ways that benefit discourse. Explores the potential risks, paradoxes, and

requirements of engagement Reflects the views of a team of scholars from across the globe Features contributions from organization centered fields such as organizational communication public relations marketing management and organization theory The Handbook of Organizational Rhetoric and Communication will be an ideal resource for advanced undergraduate students graduate students and scholars studying organizational communications public relations management and rhetoric

*Encyclopedia of Contemporary Literary Theory* Irene Rima Makaryk, 1993-01-01 The last half of the twentieth century has seen the emergence of literary theory as a new discipline As with any body of scholarship various schools of thought exist and sometimes conflict within it I R Makaryk has compiled a welcome guide to the field Accessible and jargon free the Encyclopedia of Contemporary Literary Theory provides lucid concise explanations of myriad approaches to literature that have arisen over the past forty years Some 170 scholars from around the world have contributed their expertise to this volume Their work is organized into three parts In Part I forty evaluative essays examine the historical and cultural context out of which new schools of and approaches to literature arose The essays also discuss the uses and limitations of the various schools and the key issues they address Part II focuses on individual theorists It provides a more detailed picture of the network of scholars not always easily pigeonholed into the categories of Part I This second section analyses the individual achievements as well as the influence of specific scholars and places them in a larger critical context Part III deals with the vocabulary of literary theory It identifies significant complex terms places them in context and explains their origins and use Accessibility is a key feature of the work By avoiding jargon providing mini bibliographies and cross referencing throughout Makaryk has provided an indispensable tool for literary theorists and historians and for all scholars and students of contemporary criticism and culture

*Power to Hurt* William Frank Monroe, 1998 William Monroe addresses what William J Bennett ignores in *The Book of Virtues* How do readers use literature as equipment for living Tackling modernism and postmodernism Monroe outlines virtue criticism an alternative to current theory Focusing on works by T S Eliot Vladimir Nabokov and Donald Barthelme he demonstrates that these alienistic texts are not just filled with belligerence but are also endowed with virtues such as trust and the promise of solidarity with the reader By considering these vital texts as responses to personal situations and institutional practices Monroe brings literature back to the common reader and shows how it offers functional responses to the dysfunctional situations of modern life Readers interested in literary criticism American culture and the relationship between ethics and literature will be fascinated by virtue criticism and this fresh look at the virtues and vices of alienation Chosen as a Choice Magazine s Outstanding Academic Book for 1999

**The Promise of Reason** John T. Gage, 2011-11-11 No single work is more responsible for the heightened interest in argumentation and informal reasoning and their relation to ethics and jurisprudence in the late twentieth century than Cha m Perelman and Lucie Olbrechts Tyteca s monumental study of argumentation *La Nouvelle Rh torique Trait de l Argumentation* Published in 1958 and translated into English as *The New Rhetoric* in 1969 this influential volume returned the study of reason to

classical concepts of rhetoric In *The Promise of Reason* Studies in The New Rhetoric leading scholars of rhetoric Barbara Warnick Jeanne Fahnestock Alan G Gross Ray D Dearin and James Crosswhite are joined by prominent and emerging European and American scholars from different disciplines to demonstrate the broad scope and continued relevance of The New Rhetoric more than fifty years after its initial publication Divided into four sections Conceptual Understandings of The New Rhetoric Extensions of The New Rhetoric The Ethical Turn in Perelman and The New Rhetoric and Uses of The New Rhetoric this insightful volume covers a wide variety of topics It includes general assessments of The New Rhetoric and its central concepts as well as applications of those concepts to innovative areas in which argumentation is being studied such as scientific reasoning visual media and literary texts Additional essays compare Perelman s ideas with those of other significant thinkers like Kenneth Burke and Richard McKeon explore his career as a philosopher and activist and shed new light on Perelman and Olbrechts Tyteca s collaboration Two contributions present new scholarship based on recent access to letters interviews and archival materials housed in the Universit Libre de Bruxelles Among the volume s unique gifts is a personal memoir from Perelman s daughter No mi Perelman Mattis published here for the first time *The Promise of Reason* expertly compiled and edited by John T Gage is the first to investigate the pedagogical implications of Perelman and Olbrechts Tyteca s groundbreaking work and will lead the way to the next generation of argumentation studies

Critical Responses About the Black Family in Toni Morrison's God Help the Child Rhone Fraser, Natalie

King-Pedroso, 2019-12-17 Critical Responses About the Black Family in Toni Morrison's God Help the Child explores the integral role of what Kobi Kambon has called the conscious African family in developing commercial success stories such as those of Morrison's protagonist Bride Initially Bride's accomplishments are an extension of a superficial cult of celebrity which inhabits and undermines the development of meaningful interpersonal relationships until a significant literal and metaphorical journey helps her redefine success by facilitating the building of community and family *Management of*

*Corporate Communication* Robert L. Heath, 2020-07-24 Whereas many organizational communication texts address internal communication processes few consider the efforts that companies expend to communicate with external stakeholders Likewise many texts that concentrate on public relations or advertising consider external communication but fail to give attention to internal communication Combining both points of view this text explains how an entire organization operates through enactments of personnel and external stakeholders Central to this book is a concern for meaning and its influence on the performance of jobs in response to expectations of co-workers and external publics The concept of narrative is used to explain how individual and organization performance is the expression of personae that are best when enacted jointly in varying degrees of coordination to satisfy mutual performance expectations Narrative explains the power of organizational meaning interpersonal contacts group performance stakeholder negotiation and internal and external organizational zones of meaning assumptions that are shared by people who enact an organization through coordinated efforts **Rediscovering**

**the Dead Sea Scrolls** Maxine L. Grossman, 2010-06-28 Fifteen respected DSS scholars representing diverse perspectives offer here a window into the scholarly study of these ancient texts Rediscovering the Dead Sea Scrolls introduces readers to a wide range of established and experimental treatments of the Scrolls including paleography archaeology manuscript analysis and a variety of literary historical and social scientific approaches The authors provide not only an introduction to a given approach but also a more self-reflective assessment of the limits of their approaches and the potential pitfalls associated with them From publisher description
