Realismus Basic Art S:

Arts and Power Lisa Gaupp, Alenka Barber-Kersovan, Volker Kirchberg, 2022-09-05 The focus on concepts of power and domination in societal structures has characterized sociology since its beginnings Max Weber's definition of power as imposing one's will on others is still relevant to explaining processes in the arts whether their production imagination communication distribution critique or consumption Domination in the arts is exercised by internal and external rulers through institutionalized social structures and through beliefs about their legitimacy achieved by defining and shaping art tastes The complexity of how the arts relate to power arises from the complexity of the policies of artistic production distribution and consumption policies which serve to facilitate or hinder an aesthetic object from reaching its intended public Curators critics and collectors employ a variety of forms of cultural and artistic communication to mirror and shape the dominant social economic and political conditions Arts and Power Policies in and by the Arts brings together diverse voices who position the societal functions of art in fields of domination and power of structure and agency whether they are used to impose hegemonic totalitarian or unjust goals or to pursue social purposes fostering equal rights and grassroots democracy The contributions in this volume are exploratory steps towards what we believe can be a more systematic empirically and theoretically founded sociological debate on the arts and power And they are an invitation to take further steps

Phenomenology and the Arts Peter Costello, A. Licia Carlson, 2016-09-30 Phenomenology and the Arts develops the interplay between phenomenology as a historical movement and a descriptive method within Continental philosophy and the arts Divided into five themes the book explores first how the phenomenological method itself is a kind of artistic endeavor that mirrors what it approaches when it turns to describe paintings dramas literature and music From there the book turns to an analysis and commentary on specific works of art within the visual arts literature music and sculpture Contributors analyze important historical figures in phenomenology Kant Hegel Husserl Heidegger and Merleau Ponty But there is also a good deal of work on art itself Warhol Klee jazz and contemporary and renaissance artists and artworks Edited by Peter R Costello and Licia Carlson this book will be of interest to students in philosophy the arts and the humanities in general and scholars of phenomenology will notice incredibly rich groundbreaking research that helps to resituate canonical figures in phenomenology with respect to what their works can be used to describe LITERATURE AND THE FINE ARTS - Volume I Herbert Arlt, Donald G. Daviau, 2009-05-02 Literature and the Fine Arts theme is a component of Encyclopedia of Social Sciences and Humanities in the global Encyclopedia of Life Support Systems EOLSS which is an integrated compendium of twenty one Encyclopedias Literature and the fine arts exist as processes and are not the same as culture or cultural processes The arts are by definition creative acts of human beings The main elements of art processes are artists audiences and distribution and as historical phenomena they exist within a certain timeframe Myth and themes like love and death do not fade over time Changes in the arts come with new knowledge including new materials and with new forms of

communication brought about by new audiences Most important for the context of the arts are power structures and markets Modernization brought a basic change but up to now still has not led to a global village The culture of the towns is most important for artists In addition the world is still divided into those who live in poverty and have no access to the arts and those who are wealthy and sometimes have no interest in the arts The Theme on Literature and the Fine Arts deals in one volume and covers several topics with many issues such as Artists Audience in the Arts Power Structures Media

Communication Forms Markets and Art Processes which are then expanded into multiple subtopics each as a chapter This volume is aimed at the following five major target audiences University and College Students Educators Professional

Art of Suppression Pamela M. Potter, 2016-06-28 This provocative study asks why we have held on to vivid images of the Nazis total control of the visual and performing arts even though research has shown that many artists and their works thrived under Hitler To answer this question Pamela M Potter investigates how historians since 1945 have written about music art architecture theater film and dance in Nazi Germany and how their accounts have been colored by politics of the Cold War the fall of communism and the wish to preserve the idea that true art and politics cannot mix Potter maintains that although the persecution of Jewish artists and other enemies of the state was a high priority for the Third Reich removing them from German cultural life did not

eradicate their artistic legacies Art of Suppression examines the cultural histories of Nazi Germany to help us understand how the circumstances of exile the Allied occupation the Cold War and the complex meanings of modernism have sustained a distorted and problematic characterization of cultural life during the Third Reich **New Objectivity** Sergiusz Michalski,2003 Drawing on new research from local archives as well as reinterpretations of published literature Power and the People describes how England remained governable between 1525 and 1640 despite the wars famine epidemics and dynastic and religious crises of the period The book surveys the mechanisms of authority at various levels from the street and alehouse to the manor and the royal court Maintaining order was a difficult challenge given that England had no standing army or professional police and Alison Wall investigates everything from the roles of village constables to the social cohesiveness that came from civic celebrations and participatory politics Her book provides students with a rich perspective on the social world and political culture of early modern England **The Turn of the Century/Le tournant du siècle** Christian Berg, Frank Durieux, Geert Lernout,2012-06-21 No detailed description available for The Turn of the Century Le tournant du siècle Paul Tillich's Philosophy of Art Michael Palmer,2017-04-10 No detailed description available for Paul Tillich's Philosophy of Art **Jeanne Mammen** Camilla Smith,2022-10-20 Jeanne Mammen's watercolour images of the gender bending new woman and her candid portrayals of Berlin's thriving nightlife appeared in some of the most influential magazines of the Weimar Republic and are still considered characteristic of much of the glitter of that era This book charts how once the Nazis came into power Mammen instead created degenerate paintings and collages translated prohibited French literature and sculpted in clay and plaster all while hidden away in her tiny studio apartment in the heart of Berlin's fashionable west end What was it like as a woman artist to produce modern art in Nazi Germany Can artworks that were never exhibited in public still make valid claims to protest Camilla Smith examines a wide range of Mammen's dissenting artworks ranging from those created in solitude during inner emigration to her collaboration with artist cabarets after the Second World War Smith's engaging analysis compares Mammen's popular Weimar work to her artistic activities under the radar after 1933 in order to fundamentally rethink the moral complexities of inner emigration and its visual culture The examination of Mammen's life and work demonstrates the crucial role women artists played as both markers and agents of German modernity but the double marginalisation they have nonetheless encountered as inner migrants in recent history It will be of interest to students of German studies art history literature history gender studies and cultural studies **The popular encyclopedia; or, "Conversations lexicon;" being a general dictionary of arts, sciences, literature, biography, and history.
