Realities Of Human Resource Management Managing The Employment Relationship:

EBOOK: Realities of Human Resource Management Keith Sisson, John Storey, 2000-05-16 This new book builds on the success of *Managing Human Resources and Industrial Relations* Storey and Sisson 1993 It provides a succinct affordable up to date analysis of themes and topics relevant to the management of human resources today It covers issues of critical contemporary importance such as restructuring continuous improvement involvement and participation pay and working time training and development recruitment and selection It also looks at the implications of contextual changes such as the signing of the social chapter of the EU Maastricht Treaty and movement towards European Economic and Monetary Union Three features in particular distinguish this volume from the many others in the field Firstly it deals with both the individual and the collective aspects of managing the employment relationship Most books cover either one or the other but not both Secondly in analysing the latest thinking in both areas this book takes account of the large body of empirical research that is now available and identifies what it all means for the practitioner Thirdly the distinctive style in which this book is written gives it an immediacy not common in management texts This book will be equally valuable to practising managers not only specialist human resource managers and students of business and management who are studying a course or module in human resource management Helpfully for the latter audience the book is arranged so that each chapter could appropriately constitute the required reading for a week by week programme extending over ten weeks *Realities Of Human Resource Management* Sisson , Keith, Storey, John, 2000-05-01 This book provides a succinct affordable up to date analysis of themes and topics relevant to the management of human resources today It covers issues of critical contemporary importance such as restructuring continuous improvement involvement and participation pay and working time training and development recruitment and selection *Employment Relations in the Hospitality and Tourism Industries* Rosemary Lucas, 2004 This timely book is one of the first of its kind to consider contemporary issues such as skills shortages labour turnover and training as well as changes in employment protection law in different areas of the hospitality industry *Employment Relations in the Hospitality and Tourism Industries* , **Employee Relations** Elizabeth Aylott, 2018-08-03 Fostering positive relationships between employers and employees is crucial to ensure employee commitment and engagement as well as overall business performance *Employee Relations* is a practical guide to the principles and practice of employee relations in the workplace Covering the key areas such as conflict and dispute resolution dismissal and redundancies rights and ethics it equips you with the skills and knowledge you need to plan implement and assess employee relations in any type of organization Practical diagnostic tools and a variety of real life examples from organizations including Amazon HSBC and the UK Police Force are found throughout This fully revised second edition of *Employee Relations* features new material on the gig economy the virtual workplace and recent legislation changes and is more closely linked to the CIPD professions map New online supporting resources include a series of templates questionnaires and further tools to help evaluate and support

the development of an effective employee relations strategy HR Fundamentals is a series of succinct practical guides for students and those in the early stages of their HR careers They are endorsed by the Chartered Institute of Personnel and Development CIPD the UK professional body for HR and people development which has over 145 000 members worldwide

Partnership and Modernisation in Employment Relations Miguel Martinez Lucio, Mark Stuart, 2004-10-28 This collection examines the significance of partnership based approaches to the modernization of employment relations Drawing from the work of leading researchers the contemporary interest in partnership is situated within an historical political and practical context Particular attention is given to exploring and understanding the practices and experiences of partnership at the workplace

The Employment Relationship Peter Herriot, 2013-01-11 The Employment Relationship presents a controversial perspective on an area hitherto dominated by industrial relation experts and radical sociological theorists Exploring some of the metaphors commonly used to describe the employment relationship Peter Herriot argues that it is often their dark rather than their bright side which best expresses how employees really feel Human resources sometimes feel like human discards The main culprits in this situation he suggests are the top managers who fail to treat employment as a relationship and employees as individuals He concludes that management rhetoric must be replaced by real dialogue and points to three issues where this is most crucial employee compliance contractual inequalities and the need for organisational change The Employment Relationship will make essential reading for all managers and occupational psychologists It will also be of interest to students of work psychology human resource management or organisational behaviour

Strategic Human Resource Management Gary Rees, Paul Smith, 2017-05-01 An accessible introduction written by a stellar contributor line up of world renowned lecturers and practitioners in the field including Linda Holbeche Stephen Taylor and Jim Stewart
