With A Foreword** William Glasser,1975      **Reality** William Glasser,1965      Stations of the Mind William Glasser,1981      Reality Therapy in Action William Glasser,1999-12-08 Dr Glasser s therapy is based on inescapable truths Meaningful relationships are central to the good life the choices we make will determine their quality and we can only create them if we take responsibility for ourselves without controlling the other person His vivid stories and dialogues illustrate how to go about creating a good life From the foreword by Peter Breggin M D In this long awaited continuation of his most successful book Reality Therapy Dr William Glasser takes readers into his consulting room and illustrates through a series of conversations with his patients exactly how he puts his popular therapeutic theories into practice Dr Glasser introduces us to among others Jerry who is trying to overcome his obsessive compulsive disorder Bea and Jim a couple who want to rebuild their relationship after Jim s affair and Roger an alcoholic in desperate need of a meaningful relationship These vivid almost novelistic case histories bring Dr Glasser s new version of this therapy to life and show readers how to get rid of the controlling punishing i know what s right for you psychology that crops up in most situations when people face conflict with one another Practical and readable Reality Therapy in Action is Dr Glasser s most accessible book in years      **The Reality Therapy Reader** Alexander Bassin,Thomas Edward Bratter,Richard L. Rachin,1976 Selected articles written by Dr Glasser himself by the three editors and by many other therapists      Counseling with Choice Theory William Glasser,2001-05-15 In Counseling with Choice Theory Dr William Glasser takes readers into his consulting room and illustrates through a series of conversations with his patients exactly how he puts his popular therapeutic theories into practice These vivid almost novelistic case histories bring Dr Glasser s therapy to life and show readers how to get rid of the controlling punishing I know what s right for you psychology that crops up in most situations when people face conflict with one another Practical and readable Counseling with Choice Theory is Dr Glasser s most accessible book in years      Hospital Literature Index ,1989      Reality Therapy For the 21st Century Robert E. Wubbolding,2013-08-21 This text is a comprehensive practical clearly illustrated examination of reality therapy It includes an historically significant interview with William Glasser MD multicultural applications and research based studies Its goal is to enhance the skills of helpers so that clients may live a more effective life through a total balance of love health and happiness To help teach reality therapy the author encapsulates the delivery system into the acronym WDEP It is expanded to include 22 types of self evaluation which counsellors and therapists can use to shorten therapy time in the current managed care environment Each component of the delivery system is illustrated with dialogues so that the reader can see exactly how the system is practical and immediately usable      Control Theory in the Practice of Reality Therapy Naomi Glasser,William

Glasser,1989 Dr William Glasser's bestselling theories of Reality Therapy and Control Theory are put into action in a series of fascinating case studies Each case shows successful resolutions to help therapists learn how these treatments compliment each other

**Realiaty Therapy** William Glasser,1965      **Reality Therapy: Theory & Practice** Leon Lojk,Bosiljka Boba Lojk, Besides Scientific Argument of Reality Therapy written by Leon Lojk reality therapy has never actually been presented in a broader theoretical context In addition to deepening understanding of total behaviour or understanding of the organism as an operationally closed self regulating system understanding of personality the relationship between the individual and their environment understanding the concept of relationships in light of choice theory the beliefs about human behaviour that underlie our actions and understanding mental health Theory and the Practice of Reality Therapy by Leon and Boba Lojk presents reality therapy in relation to other psychotherapeutic approaches through some similarities and differences between them Group reality therapy was presented in a similar way With regard to the reality therapy theory of practice so far only structured procedural reality therapy has been available in the literature Glasser called it the old reality therapy and advocated therapy using choice theory which he called the new reality therapy This is the authentic approach of the therapist who himself lives in accordance with choice theory beliefs which requires profound changes in the understanding of human behaviour Until now it has not been possible to find a description in the literature of how the process of new reality therapy flows except for the author's practical presentation of working with clients These pages present for the first time the new reality therapy theory of practice through formulation the relationship between therapist and client and the theory of change in reality therapy How reality therapy looks in practice is evident from practical examples of working with clients The offered reading is certainly welcome to participants in reality therapy training and to reality therapists practitioners and those who want to learn more about this approach
