Human Rights in Nigeria's External Relations in the Age of General Muhammadu Buhari and His Successors Philip C. Aka, 2024-07-17 Under the Fourth Republic since 1999 the challenge Nigerian leaders face like never before is how to create a state that matches the expectations of their diverse peoples at home and abroad Taking this proposition as starting point this book advances proposals for a human right policy referred to alternately in the work as principled foreign policy for Nigeria under the Fourth Republic taking advantage of the inestimable opportunity afforded by General Muhammadu Buhari s departure from the political scene on May 29 2023 after the famine domestically and externally wrought by his two terms of office as President It is a broad ranging argument draped in the less arcane constitutional vocabulary and material of human rights for thoroughgoing reforms at home and abroad as the only antidote to the nation building dilemmas Nigeria confronts in the first quarter of the twenty first century Buhari s departure marks the end of military teleguidance of Nigerian politics under the Fourth Republic in the camouflage of democratic rule a birthmark of remote control dating back to the first military intervention in the country in January 1966 These momentous events within

Nigeria coincide with equally epoch making developments in the UK Nigeria's former colonial overlord with ripple effects in Nigeria signified by the death of Queen Elizabeth II after seven decades on the throne and the emergence of Prince Charles as King of England A new monarch in Britain adds to the opportunity that falls open for the reconfiguration of Nigeria's external relations with ramifications for the application of human rights in those relations Despite its known disabilities Nigeria has the potential infrastructure including its sizable population to conduct a human right policy if its leaders rationalize the country's resources more wisely *Law and Humanities* Helle Porsdam,2019-04-11 Promoting cultural and scientific creativity and knowledge and understanding cultural rights work as atrocity prevention tools and enable people to aspire to a better future

The Content and Context of Hate Speech Michael Herz,Peter Molnar,2012-04-09 The contributors to this volume consider whether it is possible to establish carefully tailored hate speech policies that are cognizant of the varying traditions histories and values of different countries Throughout there is a strong comparative emphasis with examples and authors drawn from around the world All the authors explore whether or when different cultural and historical settings justify different substantive rules given that such cultural relativism can be used to justify content based restrictions and so endanger freedom of expression Essays address the following questions among others is hate speech in fact so dangerous or harmful to vulnerable minorities or communities as to justify a lower standard of constitutional protection What harms and benefits accrue from laws that criminalize hate speech in particular contexts Are there circumstances in which everyone would agree that hate speech should be criminally punished What lessons can be learned from international case law [An Insider's Guide to the UN](#) Linda M. Fasulo,2004-01-01 A guide to the United Nations covers such topics as its history organization finances and operations around the world [Fidel Castro and Africa's Liberation Struggle](#) Sabella Ogbobode Abidde,Charity Manyeruke,2020-10-01 The post 1959 Cuban government's engagement with Africa which was led by its charismatic and revolutionary leader Fidel Castro had two connecting dimensions military internationalism and humanitarian internationalism While African states and societies benefited immensely from these engagements it was Fidel Castro's military assistance towards the decolonization of and the pushback of Apartheid South Africa that received the loudest attention and ovation in the developing world Fidel Castro this book argues was never motivated by economic selfish or geopolitical considerations but rather by the altruism and the certainty of his worldview and by the historical connection between the peoples of Cuba and Africa The principle of international solidarity socialism and the emancipation of Africa was a much desired aspiration and attainment Beginning covertly in Algeria in 1961 and the Congo and Guinea Bissau in 1964 and more conspicuously in Angola in 1975 Fidel Castro and his socialist government was at the forefront supporting liberation movements in their struggle against colonialism Defining Castro's engagement with Africa was his support for the People's Movement for the Liberation of Angola MPLA against the United States backed Apartheid South Africa which supported the National Liberation Front of Angola FNLA and the National Union

for the Total Independence of Angola UNITA **The Ethics of Foreign Policy** David B. MacDonald, Robert G. Patman, 2016-03-23 This ground breaking volume considers the ethical aspects of foreign policy change through five interrelated dimensions conceptual security economic normative and diplomatic Defining ethics and what an ethical foreign policy should be is highly contested The book includes many very different viewpoints to reflect the strong divergence of opinion on such issues as humanitarian intervention free trade the doctrine of preemption political corruption and human rights The thematic approach provides this volume with a clear organizational structure giving readers a balanced overview of a number of important conceptual and practical issues central to the ethical analysis of states conduct and foreign policy making An impressive group of international scholars and practitioners including a New Zealand Foreign Minister a US National Security Advisor and an ICJ Justice makes this volume ideally suited to courses on international relations security studies ethics and human rights philosophy media studies and international law **The Past Can't Heal Us** Lea David, 2020-07-16 Lea David exposes the dangers and pitfalls of mandating memory in the name of human rights in conflict and post conflict settings *Bosnia as Civic State and Global Citizen* Philip C. Aka, 2021-11-22 For long the narrative in constitutional law public policy and statecraft is that Bosnia must join the EU as a matter of economic development and nation building This book introduces another dimension to the narrative oversights without which the story remains one dimensional rather than balanced That missing element in the literature this study integrates is a reformed Bosnian state along the lines proposed in this book that operates outside the EU The setting of the work within the fields of knowledge of comparative constitutional law and public choice theory provides added value to the reader including students scholars policy makers and lay persons **Our Last Best Hope -President John F. Kennedy** M. James Wilkinson, 2007-12 As America tries to deal with the consequences of its misfired Iraq expedition and the host of other challenges lurking in a murky future this book will sharpen our thoughts on the uses and misuses of the UN and where it fits into Washington policies The authors suggest an approach and specific policy elements that merit serious attention even as they make clear they do not expect the UN will be any kind of panacea Morton Abramowitz Senior Fellow at The Century Foundation By the same authors *The Third Try* can the UN work Published in Australia by Scribe Books in 2005 *The Third Try* was selected for the short list of a prestigious New South Wales Literary Prize The German translation by Dr Michael Haupt was released in 2006 by Parthas Verlag in Berlin from *Third Try* Australian reviews a brilliant analysis of an often maligned organization that pledged international kinship and is struggling to reinvent itself to stand for something meaningful An extremely significant book that is sure to rouse the public from its slumber Five stars Tony O Loughlin Australian Bookseller Publisher October 2005 written for the lay reader and is set out in a clear straightforward style Its accessible manner makes welcome reading when facing such a daunting subject Chris Saliba WebDiary **The Interrelation between the Right to Identity of Minorities and their Socio-economic Participation** Kristin Henrard, 2013-01-08 This edited volume sets out to unravel

various dimensions of a particular topical question pertaining to minorities and minority protection which has not been explored yet more particularly the socio economic participation of minorities in relation to their right to respect for identity This interrelation and interaction is studied from a multi disciplinary perspective spanning a broad range of disciplines while drawing on a rich variety of case studies covering various corners of the world This interrelation manifests itself in distinctive ways for religious minorities ethnic minorities and indigenous peoples As it is impossible to provide a comprehensive coverage this volume aims to offer a range of articles that reveal the breadth of the theme under review while combining theoretical analysis with fascinating case studies

Christianity, Globalization, and Protective Homophobia Kapya Kaoma, 2017-11-16 This book examines how socio political assumptions inform and shape the contestation of sexuality on the African continent Across Africa the idea that homosexuality is un African un Christian un natural and un cultural is now well established This book analyzes politically and religiously inspired protective homophobia within the context of Africa s socioeconomic and political place in the global community The author builds upon on the ground research and his groundbreaking previous studies on the cultural politics of globalization in Africa to present a wide complex and interdisciplinary understanding of Africa s sexual politics

Navigating the Tension Between Sovereignty and Self-Determination in Postcolonial Africa Philip C. Aka, 2024-01-16 This book addresses the unique challenges faced by Africa regarding peaceful self determination Unlike other regions Africa has seen limited success in nonviolent self determination campaigns Since 1989 only three African nations Namibia Eritrea and South Sudan have joined the UN after enduring prolonged and violent struggles for independence In a world characterized by constant change border alterations typically require armed conflicts in postcolonial Africa In response to this disconcerting trend the book offers pragmatic blueprints for achieving peace emphasizing constitutional approaches to navigate the delicate balance between sovereignty and self determination The work delves into the complexities of five self determination struggles spanning three African countries providing valuable insights into the challenges faced It distils six critical lessons from these case studies and presents fourteen blueprint proposals tailored to address the unique dynamics of postcolonial Africa where reconciling sovereignty and self determination remains a pressing concern
