**High Desert Drifter** Patrick J. Cook, 2011-07 A life lived in earnest provides one with a moral compass upon which to gauge the parameters of one s inner journey the source of any lasting fulfillment Wayfarers gives evidence of the epic miles one may travel when morality transcends the dead end of mindless dogma and becomes instead a conduit to personal happiness John Johnson linguist A Scribendi critique Hello Mr Cook I read your engaging novel and thoroughly enjoyed it I found it difficult to put away in the evenings It was a pleasure to read with its vivid details presented in wonderfully lush descriptive passages By focusing specifically on a handful of characters you manage to ensure that the story is not too bogged down in historical details which could be distracting The book is well organized and obviously well thought out The plot which is excellent flows organically from one event to the next toward the natural conclusion It s especially interesting how Daniel and Jerry s lives parallel each other throughout the book The dialogue is so well done You do an excellent job of capturing the nuances of the characters speech and their accents Additionally you do well at making

the dialogue realistic to the characters For the most part it seems that each character would naturally say whatever it is you have written for them Very nicely done Mr Cook I m the person at WritersLiterary responsible for reviewing your manuscript I just finished and feel compelled to tell you that I think you have a SUPERB writing style and I love your prose Russell Brooklyn NY **I Could Be Killing You** Jeremy L. Main Sr.,2014-02-10 Take a journey through a life being put to death Ride along with a serial killer as he tells all Come inside and explore the darker side of your soul As you ride along with beauty and brutality love and lust undying friendship and the art of death itself You will have to come inside to find out for yourself One thing is for sure once you walk in his shoes you will never be the same again *Final Harvest of the Werewolf* Dragan Vujic,2002-01-15 Jack Lusk a writer relocates to an apparently quiet laid back country town Much to his surprise he discovers that the entire community is infested with werewolves A slayer Buck Lanark is called in to terminate the abominations However the problem becomes overwhelming Buck calls for assistance His friends arrive for a showdown with the werewolves The Brotherhood of the Silver Bullet also makes an unexpected debut A bitter battle is fought to the death Silver bullets fly werewolves die Unfortunately the shooters do not escape unscathed Steven Cervi and Buck Lanark have their last confrontation One man kills the other but not with impunity And the werewolves reap their final harvest Letters to My Mother Mary Ruth Borg,2009-10-27 I knew I liked to write when I was a teenager locking myself in my room I was angry frustrated and needed a positive outlet I was tired of breaking things I was sad having to pick up pieces of my little treasures So I picked up a pencil to write about how I felt and why I was being self destructive I was determined to find a way to diffuse the confusion in my head Taught very early to pray I d put my prayers on paper Seeing something written brought me back into reality I had a reference point Something I could read over and over to remind myself who I was and that I would be okay This is my story of survival My journey from the traumatic experience of being molested countless times by my step father while living within the strict religious practices of Jehovah s Witnesses to my healing process with Parents United I thought my life of confusion mistrust and low self esteem could never change As I got older I attracted more dysfunction in my choices I didn t know I could change that I didn t know any better I became afraid for my children I thought I was crazy and didn t have good parenting skills After years of therapy I learned to have control over my life and how to take the power back that I kept giving away I am no longer a victim It has been a long and twisty road Today I am proud to be happy healthy and productive in my world I am proud to be a survivor I hope to inspire others and give them hope that the craziness in their heads can go away I want to keep talking about this until the cycle is broken and all children are safe **Rangers Lead the Way** Thomas Taylor,1996 In this well researched book by Thomas H Taylor you will see why the Rangers have become one of the U S Army s elite fighting groups Discover their roots from the early days of Darby s Rangers through WWII and Korea Maps show where they have been and action photographs capture the stress of training and the demands of combat Follow the Rangers as they lead the way through 50 years of military history **Road to Neon**
