The Immortals Quartet #4: REALMS OF THE GODS Tamora Pierce, 1999-09-01 She should have killed Ozorne when she had the chance Daine must seek help in the Divine Realms for Ozonre has made a pact with Uusoae God of Chaos who exists only to suck all life into chaos and oblivion Master of Myriad Realms Jiang NanQiYin,2020-05-30 Wang Zheng as the most unremarkable diaosi among the diaosi was instantly smashed by the Myriad Realm Emperor Spirit System into becoming a demon possessing the Myriad Realm Divine Spark You have money don t you Acting cool is it Your father's God of Fortune has taken control of the fortunes of a country seizing the fortunes of all eighteen generations of your ancestors Stealing a national goddess from me Yue Lao had tied several tens of thousands of red strings while the First Lady had come to buy me tea An expert from a pirate country had come to provoke him Possess the body of a wargod until you cry for your father and calling for your mother With the activation of the Celestial Emperor Divine Spark every single God would support it Cosmologies of Pure Realms and the Rhetoric of Pollution Yohan Yoo, James W. Watts, 2021-05-30 This collaboration between two scholars from different fields of religious studies draws on three comparative data sets to develop a new theory of purity and pollution in religion arguing that a culture s beliefs about cosmological realms shapes its pollution ideas and its purification practices The authors of this study refine Mary Douglas foundational theory of pollution as matter out of place using a comparative approach to make the case that a culture s cosmology designates which materials in which places constitute pollution By bringing together a historical comparison of Ancient Near Eastern and Mediterranean religions an ethnographic study of indigenous shamanism on Jeju Island Korea and the reception history of biblical rhetoric about pollution in Jewish and Christian cultures the authors show that a cosmological account of purity works effectively across multiple disparate religious and cultural contexts They conclude that cosmologies reinforce fears of pollution and also that embodied experiences of purification help generate cosmological ideas Providing an innovative insight into a key topic of ritual studies this book will be of vital interest to scholars and graduate students in religion biblical studies and anthropology The Social and Cultural Order of Ancient Egypt Steen Bergendorff, 2019-12-04 From the Narmer palette to funerary preparations to pyramids Steen Bergendorff draws
