and themes from the Old Testament do occupy a position of startling importance in his writings Old Testament characters such as Abraham and Job often play crucial and even decisive roles in his texts Snatches of Old Testament wisdom figure prominently in his edifying literature The vocabulary and cadences of the Psalms saturate his expression of the range of human passions from joy to despair The essays in this first tome seek to elucidate the crucial rhetorical uses to which he put key passages from the Old Testament the sources that influenced him to do this and his reasons for doing so *Violence, Desire, and the Sacred, Volume 1* Scott Cowdell,Chris Fleming,Joel Hodge,2012-08-16 Violence Desire and the Sacred presents the most up to date inter disciplinary work being developed with the ground breaking insights of Ren Girard s mimetic theory The collection showcases the work of outstanding scholars in mimetic theory and how they are applying and developing Girard s insights in a variety of fields Girard s mimetic insight has provided a fruitful way for different disciplines such as literature anthropology theology religion studies cultural studies and philosophy to engage on common anthropological ground with a shared understanding of the human person The aim of this edited collection is to present this interdisciplinary work and to illustrate how Girard s insights provide fertile ground for bringing together disparate disciplines in a shared purpose As academic work on Girard s insights is growing this collection would meet the need to show the critical interdisciplinary applications of these insights **Volume 1 the Dancing Hand of God** James
