Thomas Jefferson Wilson Jeremiah Moses, 2019-03-28 In *Thomas Jefferson A Modern Prometheus* Wilson Jeremiah Moses provides a critical assessment of Thomas Jefferson and the Jeffersonian influence Scholars of American history have long debated the legacy of Thomas Jefferson However Moses deviates from other interpretations by positioning himself within an older Federalist historiographic tradition offering vigorous and insightful commentary on Jefferson the man and the myth Moses specifically focuses on Jefferson s complexities and contradictions Measuring Jefferson s political accomplishments intellectual contributions moral character and other distinguishing traits against contemporaries like George Washington and Benjamin Franklin but also figures like Machiavelli and Frederick the Great Moses contends that Jefferson fell short of the greatness of others Yet amid his criticism of Jefferson Moses paints him as a cunning strategist an impressive intellectual and a consummate pragmatist who continually reformulated his ideas in a universe that he accurately recognized to be unstable capricious and treacherous

Smith, 2015-09-25 A rapidly growing number of Americans are embracing life outside the bounds of organized religion Although America has long been viewed as a fervently religious Christian nation survey data shows that more and more Americans are identifying as not religious There are more non religious Americans than ever before yet social scientists have not adequately studied or typologized secularities and the lived reality of secular individuals in America has not been astutely analyzed *American Secularism* documents how changes to American society have fueled these shifts in the non religious lands *Sale* American Art Association, Anderson Galleries (Firm), 1922 **Sale** Anderson Galleries, Inc, 1922 **Reason, the Only Oracle of Man, Or, A Compendious System of Natural Religion** Ethan Allen, 1836 **Reason, the Only Oracle of Man** Ethan Allen, 1854 **New England in the Republic 1776 - 1850** James Truslow Adams, 1926 *A Few Lawless Vagabonds* David Bennett, 2014-05-19 This surprising true story of Vermont s collusion with the British may be the best American Revolutionary War era book to come out in years *Military Review* This riveting work of political and military history provides an account of the three way relationship between Ethan Allen the Republic of Vermont 1777

1791 and the British in Canada during the American Revolution Ethan Allen was a prime mover in the establishment of the Republic then led the fight to maintain its independence from the predatory states of New Hampshire New York and Massachusetts from the American Continental Congress and from British attacks on the new state In order to defend Vermont s independence Ethan Allen even went so far as engaging in secret unlawful negotiations with the British in Canada aimed at turning Vermont into a separate Government under the Crown The attempts of the Allen family to maintain Vermont s independence from its neighbors were unsuccessful Vermont became the fourteenth state in 1791 A Few Lawless Vagabonds is the first systematic attempt using archival sources to show that the Allens were utterly serious in their aim to turn Vermont into a Crown colony a project which came close to success in late 1781 The portrait of Ethan Allen that emerges in this book is not of a warrior hero of the American Revolution but of a successful Vermont nationalist who is justly celebrated as the principal founder of the State of Vermont a rare combination of patriot and betrayer of the public trust

Heroes of Three Wars Willard W. Glazier, 1882 *The Bible in American Law and Politics* John R. Vile, 2020-09-19 While scholars increasingly recognize the importance of religion throughout American history *The Bible in American Law and Politics* is the first reference book to focus on the key role that the Bible has played in American public life In considering revolting from Great Britain Americans contemplated whether this was consistent with scripture Americans subsequently sought to apply Biblical passages to such issues as slavery women s rights national alcoholic prohibition issues of war and peace and the like American presidents continue to take their oath on the Bible Some of America s greatest speeches for example Lincoln s Second Inaugural and William Jennings Bryan s Cross of Gold speech have been grounded on Biblical texts or analogies Today Americans continue to cite the Bible for positions as diverse as LGBTQ rights abortion immigration welfare health care and other contemporary issues By providing essays on key speeches books documents legal decisions and other writings throughout American history that have sought to buttress arguments through citations to Scriptures or to Biblical figures John Vile provides an indispensable guide for scholars and students in religion American history law and political science to understand how Americans throughout its history have interpreted and applied the Bible to legal and political issues
