## Reason Why:

*To Reason Why* Amy Lecouteur, 2013 *To Reason Why* is a complete fictitious story. It is based in Yorkshire and Australia. Archibald and Margaret Benson Smythe inherited an Estate of over a thousand acres which had been in the family for over four hundred years. This they intended that their three sons Benjamin, James and Charles should carry on after their deaths. Benjamin called Ben inherited as the eldest son but was a bully and a hypocrite and had no intention of having his two brothers to work with him; consequently they made their own way in life. James emigrated to Australia with his new wife. Charles started a wool mill and as the two of them became more and more successful Ben became more and more jealous of them. He schemes up a plan to have James murdered. But does his scheme backfire? Ben's long suffering wife Jane of twelve years and produced six children turns the tables on him.

*The Reason why* Robert Kemp Philp, 1857 *The Reason Why* Robert Kemp Philp, 2019-12-18 In *The Reason Why* Robert Kemp Philp explores the intricate interplay of faith and reason against the backdrop of 19th century societal upheaval. Through a compelling narrative woven with philosophical reflections and vivid characterizations Philp invites readers to engage with fundamental questions about belief and skepticism. The book employs a conversational style that reflects the intellectual currents of its time, reminiscent of the works of contemporary thinkers like Thomas Carlyle and John Stuart Mill, making it a significant addition to Victorian literature. Robert Kemp Philp was not only a writer but a vibrant figure in the cultural milieu of his era. His background as a publisher and advocate for education likely shaped his interest in the tensions between science and religion, which he addresses with both sensitivity and rigor in this work. As a member of a generation grappling with the effects of the Enlightenment and the rise of rational thought, Philp's insights resonate with the struggles of his contemporaries, illuminating the human condition with empathy. I highly recommend *The Reason Why* to scholars and casual readers alike, as it provides profound insights into the human spirit's quest for understanding. Philp's eloquent prose and thought-provoking themes make it not just a literary work but a vital exploration of the beliefs that drive humanity forward.
