Rebel Down Under When The Shenandoahshook Melbourne1865:

Rebel Down Under Cyril Pearl,1970 The Voyage of the CSS Shenandoah William C. Whittle,2014-06-15 The only Confederate ship to circumnavigate the globe The Confederate cruiser Shenandoah was the last of a group of commerce raiders deployed to prey on Union merchant ships Ordered to the Pacific Ocean to greatly damage and disperse the Yankee whaling fleet in those waters the Shenandoah s successful pursuit of her quarry compared favorably with the exploits of the more celebrated Alabama and Florida but has never been as well known because it coincided with the war s end and the Confederacy s downfall It was however one of the best documented naval expeditions from England to the Indian Ocean Australia and the South Pacific the Bering Sea San Francisco and finally to port in Liverpool during the Civil War The ship s log and Captain James Waddell s notes are well preserved and a number of the Shenandoah s officers kept detailed journals of the entire voyage One of the most significant journals by Lieutenant William Whittle is presented here with annotations from other journals the official records and logs and newspaper accounts of the Shenandoah s activities together bringing to life the history of this remarkable voyage **The Last Confederate Ship at Sea** Paul Williams,2015-03-27 The CSS Shenandoah fired the last shot of the Civil War and was the only Confederate warship to circumnavigate the globe But what was Captain James Waddell s true relationship with his Yankee prisoner Lillias Nichols and how did it determine the ship s final destination Without orders Waddell undertook a dangerous three month voyage through waters infested with enemy cruisers He risked mutiny by a horrified crew who having been declared pirates could be hanged This is the true story behind the cruise of the Shenandoah one of secret love and blackmail brought to light for the first time in 150 years **Australian Colonists** Ken Inglis,2015-09-07 A social history of the period from 1788 to 1870 from the beginning of British settlement of Australia to the year when the last British soldiers sailed home from the colonies In his inimitable fashion Inglis tells the story of convicts currency lads and emigrants settling into their new land The newcomers brought with them from the old world their traditional holidays and made their own fetes in the new We see them facing natural enemies in the land and having their tranquillity shattered by bushrangers as well as rebellious convicts military officers and gold diggers With them we hear the sounds of distant war We meet the men they honoured and we read of efforts by poets and orators to turn the Australian experience into history Political Culture in Australian Perspective John A. Moses,2024-08-01 A Confederate Biography Dwight Sturtevant Hughes,2015-12-15 From October 1864 to November 1865 the officers of the CSS Shenandoah carried the Confederacy and the conflict of the Civil War around the globe through extreme weather alien surroundings and the people they encountered Her officers were the descendants of Deep South plantation aristocracy and Old Dominion first families a nephew of Robert E Lee a grandnephew of founder George Mason and descendants of one of George Washington s generals and of an aid to Washington One was even an uncle of a young Theodore Roosevelt and another was son in law to Raphael Semmes Shenandoah s mission commerce raiding guerre de course was a central

component of U S naval and maritime heritage a profitable business and a watery form of guerrilla warfare These Americans stood in defense of their country as they understood it pursuing a difficult and dangerous mission in which they succeeded spectacularly after it no longer mattered This is a biography of a ship and a cruise and a microcosm of the Confederate American experience *Korea and the Evolution of the American-Australian Relationship, 1947-53* Daniel Fazio, 2023-09-29 Fazio examines the significance of the US Australian Korean engagement 1947 53 in the evolution of the relationship between the two nations in the formative years of the Cold War In the aftermath of World War Two divergent American and Australian strategic and security interests converged and then aligned on the Korean peninsula Fazio argues that the interactions between key US and Australian officials throughout their Korean engagement were crucial to shaping the nature of the evolving relationship and the making of the alliance between the two nations The diplomacy of Percy Spender John Foster Dulles and James Plimsoll was particularly crucial He demonstrates that the American evaluation of the geo strategic significance of Korea was a significant factor in the making of the ANZUS alliance and events in Korea remained central to the evolving US Australian relationship Their Korean engagement showed the US and Australia had similar and overlapping rather than identical interests and that their relationship was much more nuanced and problematic than commonly perceived Fazio challenges the Australian mythology on the origins of the ANZUS Treaty and presents a cautionary insight into the limits of Australia s capacity to influence US policy to benefit its interests An insightful read for diplomatic historians providing greater depth to understanding the broader historical context of the trajectory of the US Australian relationship and alliance since the beginning of the Cold War *Antipodean America* Paul Giles, 2013 A sweeping study that spans two continents and over three hundred years of literary history Antipodean America identifies the surprising affinities between Australian and American literature **The White Pacific** Gerald Horne, 2007-05-31 Worldwide supplies of sugar and cotton were impacted dramatically as the U S Civil War dragged on New areas of production entered these lucrative markets particularly in the South Pacific and plantation agriculture grew substantially in disparate areas such as Australia Fiji and Hawaii The increase in production required an increase in labor in the rush to fill the vacuum freebooters and other unsavory characters began a slave trade in Melanesians and Polynesians that continued into the twentieth century The White Pacific ranges over the broad expanse of Oceania to reconstruct the history of blackbirding slave trading in the region It examines the role of U S citizens many of them ex slaveholders and ex confederates in the trade and its roots in Civil War dislocations What unfolds is a dramatic tale of unfree labor conflicts between formal and informal empire white supremacy threats to sovereignty in Hawaii the origins of a White Australian policy and the rise of Japan as a Pacific power and putative protector It also pieces together a wonderfully suggestive history of the African American presence in the Pacific Based on deft archival research in Australia New Zealand Fiji Hawaii the United States and Great Britain The White Pacific uncovers a heretofore hidden story of race labor war and intrigue that contributes significantly to the emerging intersectional histories

of race and ethnicity **Sea of Gray** Tom Chaffin, 2007-04-15 Assembled from hundreds of original documents including intimate shipboard journals kept by Shenandoah officers Sea of Gray is a masterful narrative of men at sea The sleek 222 foot black auxiliary steamer Sea King left London on October 8 1864 ostensibly bound for Bombay The subterfuge was ended off the shores of Madeira where the ship was outfitted for war The newly christened CSS Shenandoah then commenced the last most quixotic sea story of the Civil War the 58 000 mile around the world cruise of the Confederacy's second most successful commerce raider Before its voyage was over thirty two Union merchant and whaling ships and their cargoes would be destroyed But it was only after ship and crew embarked on the last leg of their journey that the excursion took its most fearful turn Four months after the Civil War was over the Shenandoah's Captain Waddell finally learned he was and had been fighting without cause or state In the eyes of the world he had gone from being an enemy combatant to being a pirate a hangable offense Now fearing capture and mutiny with supplies quickly dwindling Waddell elected to camouflage the ship circumnavigate the globe and attempt to surrender on English soil A superb account of how the Confederate raider Shenandoah brought the American Civil War to the farthest reaches of the world Nathaniel Philbrick author of Mayflower and Sea of Glory **Australia & America, 1788-1972** L.
