Receiving The Holy Spirit With The Evidence Of Speaking In Tongues:

Receiving the Holy Spirit Steve Walters,2001-04-01 Dedicated to helping those receive the baptism of the Holy Spirit Deals with the ways one may receive the hindrances of receiving the process of receiving and what part altar workers may play in it All of this is written in easy to understand language so that anyone can simply pick up this book read it and instantly know how to receive the baptism of the Holy Spirit with the evidence of speaking in tongues [Evidence for Speaking in Tongues](#) Billy Prewitt,2019-05-17 The key to revival in the modern church is the power and presence of the Holy Spirit Evidence for Speaking in Tongues Fanning the Flames of Revival presents the doctrinal foundation for speaking in tongues concluding that the Baptism in the Holy Spirit is the door to the spiritual gifts and power in ministry Revival hinges on this experience If there is one thing that we need it is a mighty move of the Spirit to revive the Church and sweep countless sinners into the Kingdom This is ultimately the end goal of Evidence for Speaking in Tongues Fanning the Flames of Revival In this book you will learn answers to these and other questions Is the Baptism in the Spirit separate from conversion What is the evidence for the Baptism in the Spirit Why is speaking in tongues important How does a person receive the Baptism in the Spirit Why didn't many of the great preachers in history speak in tongues What is the difference between praying in tongues and the gift of tongues How can I lead my church to experience revival Then you will also learn the intimate connection between the Baptism in the Spirit and the spiritual gifts and spiritually empowered ministry This connection leads to a spiritually empowered Church which in turn leads to revival If you have ever wondered why you do not see the gifts of the Spirit manifested in your church then you must read this book In it you will read testimonies of modern miracles that will inspire you to believe for miracles around you Many people have legitimate questions about the validity of speaking in tongues in the present day Others have been dogmatically taught against tongues In this book Billy Prewitt shares from personal experience how to handle criticism related to speaking in tongues He also answers many of the common arguments that are raised against tongues Have you met someone who encountered problems when attempting to receive the Baptism in the Spirit Pulling from over twenty years of experience Billy Prewitt also identifies common obstacles that people experience when seeking the Baptism in the Spirit and provides reasonable solutions The book also provides helps for leaders that are seeking revival These inspirational helps include chapters on how to increase faith through study and also in the Church how to preach toward revival and a very personal appeal to seek God on a higher level **Getting Acquainted with the Holy Spirit** R. Michael Baldock PHD.,2017-03-17 Does learning excite you Do you long to grow in the Word of God Are you tired of being stagnant and stuck in your walk with the Lord In this book of books Dr Michael Baldock examines and breaks down the most powerful force known to man The Holy Spirit Finally a book has been written and put together between one set of covers so that Pastors Leaders laymen and even new born babies in Christ can read it and study its pages and take steps into new levels in God through the power of the Holy Spirit Pastor Tim Agee The Sanctuary Church [The](#)

Power of the Holy Spirit Samuel R. Bess, 2022-01-04 The purpose of this book is to enlighten and help you receive God's precious promise so that God's perfect will can be done in your life. This book will help you understand why the Holy Spirit should be sought after once you believe and get baptized. God's most precious promise is now available to you so you do not have to be robbed of something very valuable in your spiritual walk. I believe that this book will encourage you to seek the Holy Ghost if you truly believe in the gospel of Jesus Christ. In this book you will learn seven steps to help you receive the Holy Spirit as well as learn why believers should speak in tongues. The traditions and doctrines of men have robbed many believers of this power to be witnesses with the evidence of speaking in tongues that Jesus Christ has been raised from the dead. The world is not supposed to hear words but see proof that Jesus is alive today. As a believer you should be taught to receive the baptism of the Holy Spirit and walk in love. I hope this book will teach you to trust the Word of God and believe what His Word says. The power of the Holy Spirit is now available to you today. Receive ye the Holy Spirit and remember to walk in love.

The Reasons You Haven't Received the Holy Spirit Tochukwu Nkwocha, 2016-06-24 Having struggled with receiving the Holy Spirit in his early years in Christianity due to erroneous teachings he was exposed to and having received help from God's Word the Bible the author through debunking the erroneous teachings presented in this book continues to help several young Christians to receive the Holy Spirit effortlessly. Have you done all you could to receive the Holy Spirit and you still haven't? Have you prayed and fasted and observed vigils? Perhaps guilt has barred you from receiving God's free and precious Gift. This book will surely help you. Your search is over. The Comforter has come. You need not wait any longer.

The Holy Spirit James Linzey, 2004-08 The book is strong medicine for anyone who might think that the Holy Spirit is a raw power that can be manipulated in any way we please. Frank D. Macchia, D. Theol. Editor, *Pneuma: The Journal of the Society for Pentecostal Studies*. This book is a valuable source for anyone interested in the subject of the Holy Spirit and experience in deeper spiritual life. Willie Tjiong, Ph.D., Director, Doctor of Ministry Program, Regent University. Pastors and all students of the Holy Spirit especially will find this volume a valuable and welcome resource. Trevor Grizzle, Ph.D., Professor of New Testament, Oral Roberts University. Without rancor the book deftly alludes to objections and criticisms that are often directed toward the Pentecostal position and answers those questions effectively. Robert H. Spence, D.D., President, Evangel University. Dr. Linzey's work is more than an articulate apologetic; it is an unveiling of the Person of the Holy Spirit by one who has had an intimate encounter. Dr. M. Wayne Benson, President, Central Bible College. This is the most comprehensive book on the working and ministry of the Holy Spirit in the life of a New Testament believer available today. Benjamin L. Thornley, D.D., Vice President, Kingsway Theological Seminary. The author got it right. This book will be of particular interest to the non-Pentecostal Christian troubled by theological misunderstandings. Major General James L. Gardner, USAF Ret., Senior Military Advisor, Chaplaincy, Full Gospel Churches.

E.W. Kenyon and His Message of Faith Joe McIntyre, 1997 *Supernatural Faith and Power* Chika Achumie, 2024-09-24 Faith, hope, and love remain. These three remain. They are not shakeable or

unstable They are unshakable and stable They are immutable They remain strong in all corners of life They are alive forever more They are stable They work They produce results They do not fail They never fall and cannot fail Faith hope and love can't fail and they always produce good results But the greatest of them is love Love is only greater but all three of them abide In other words after everything else fails they will not fail Because the scripture says Whether there be tongue prophecy they shall cease but faith hope and love abide They cannot cease No matter what happens faith does not fail Faith does not fail Hope does not fail Love does not fail So if it failed it is not faith Faith never fails Jesus didn't heal them because of their unbelief He tried but couldn't heal them because they didn't believe Mark 6:5-6 And He was not able to do even one work of power there except that He laid His hands on a few sickly people and cured them And He marvelled because of their unbelief their lack of faith in Him And He went about among the surrounding villages and continued teaching Jesus said to you Have faith in God constantly Truly I tell you whoever says to this mountain be lifted up and thrown into the sea and does not doubt at all in his heart but believes that what he says will take place it will be done for him For this reason I am telling you whatever you ask for in prayer believe trust and be confident that it is granted to you and you will get it **Audacity of**

Speaking in Tongues Oppong Kyekyeku, 2018-10-25 Theological correctness has made speaking in tongues controversial and it confuses everyone within Christendom Many doubts which surrendering it are creating fear instead of faith for its authenticity meanwhile Jesus promised every believer as one of the signs to follow us Speaking in tongues is not the Holy Spirit but it is the evidence indicating that the Holy Spirit has come upon you It happened on the day of Pentecost when one hundred and twenty believers gathered together in Jerusalem The Holy Spirit came upon all of them and they began to speak in tongues as evidence to confirm Jesus's prophecy Peter couldn't ignore its reality but confirmed that the Holy Spirit had come upon the Gentiles just as they received when he heard the household of Cornelius speaking in tongues In Ephesus Paul also believed the fact that the Holy Spirit had come upon all the twelve converts by laying his hands on them because they spoke in tongues Now we contemporary Christians cannot overlook this evidence Instead we must continue until we pass to the next generation Because the truth has to be told **The Spirituality of Black Hebrew Pentecostals** Fred G.

Sherron, 2010-01-01 The spirituality of Black Hebrew Pentecostalism is a rich tradition that has been hidden from the view of scholars With the new interest in spirituality forming the background to this title the author attempts to enlighten readers about this tradition **Renewal Theology** J. Rodman Williams, 2011-05-03 Renewal Theology deals with the full range of

Christian truth from within the charismatic tradition Previously published as three separate volumes Renewal Theology represents the first exhaustive balanced articulation of charismatic theology Renewal Theology discusses Book One God the World and Redemption Book Two Salvation the Holy Spirit and Christian Living Book Three The Church the Kingdom and Last Things As theology this work is an intellectual achievement But it is much more than that The author urges the church to undertake its task of theology in the proper spirit an attitude of prayer a deepening sense of reverence an ever increasing

purity of heart a spirit of growing love a theological approach rooted in the glory of God Done in such a spirit theology becomes a faithful and powerful witness to the living God *The Speaking In Tongues Controversy* Rick Walston,2003-07 Many books and articles have been written in defense of speaking in tongues as the unmistakable physical evidence of the Baptism in the Holy Spirit Through his careful and thorough analysis of the Pentecostal texts in the Book of Acts Dr Walston is challenging this view **Initial Evidence** Gary B. McGee,2008-01-01 This is a superb collection of articles on the central issue of Pentecostalism speaking in tongues as the initial evidence for the baptism in the Holy Spirit The articles written by both Pentecostals and non Pentecostals are historically informative scholarly irenic in spirit ecumenical in treatment and wide ranging in interest Here is an opportunity for both Pentecostals and non Pentecostals to become better informed about Pentecostalism While offering a solid defense of traditional Pentecostalism the book also offers candid assessments that take a different view This book should become a must for those who want to understand both historic and present day Pentecostalism Gordon D Fee Professor Emeritus of New Testament Regent CollegeThe most complete and scholarly analytical treatment of glossolalia as initial evidence of the baptism in the Holy Spirit that has yet appeared Both the historical and theological sections support and challenge the distinctive Pentecostal teaching on the subject of tongues Vinson Synan Former Chairman North American Renewal Service Committee a remarkably diverse collection of essays that thoughtfully probe the distinctive which has come to characterize the Pentecostal Movement namely speaking in an unknown tongue Irenic in tone the volume is a must for scholars pastors and lay persons of all theological perspectives who desire to enter into dialogue in this area of debate D William Faupel Professor of the History of Christianity Wesley Theological SeminaryInitial Evidence edited by Gary McGee is a substantive contribution to the study of American Pentecostalism The historical overviews in it are of tremendous value particularly for newcomers to Pentecostalism who may lack a historical grounding in the movement Exegetical essays such as that by Donald Johns will challenge readers who are comfortable with current hermeneutical models to rethink the biblical text and it offers great promise for more contributions to Pentecostal exegesis Howard M Ervin Professor Emeritus of Old Testament Graduate School of Theology Oral Roberts University
