Rev. Cynthia L. Danals

Receiving The Love Of God Through Loss In The Death Of The Neighbor:

Receiving the Love of God Through Loss in the Death of Thy Neighbor William H. Jankans, 1998-04-01 *The New Jerusalem Messenger*, 1869 *The Ultimate Luther Collection* Martin Luther, 2022-11-13 The Ultimate Luther Collection offers a profound exploration of the theological and ecclesiastical reforms initiated by Martin Luther during the 16th century. This compendium comprises pivotal works such as the Ninety Five Theses, his sermons, and letters, all showcasing Luther's passionate advocacy for faith and scripture over institutional authority. The literary style is marked by deeply personal yet scholarly prose that addresses complex theological concepts with clarity and fervor. Contextualized within the broader narrative of the Protestant Reformation, Luther's writings challenge the Catholic Church's practices while promoting a return to biblical foundations. Martin Luther, a former monk whose existential struggles with faith and guilt propelled him towards radical reform, serves as a pivotal figure in Christian history. His background in scholastic theology and personal demands for moral and spiritual integrity catalyzed his challenge to church hierarchies. The collection illustrates not only his theological innovations but also the socio-political climate that informed his work, revealing how his convictions resonated across Europe and inspired movements that reshaped Christianity. For those seeking a deeper understanding of the Reformation and its lasting impacts, The Ultimate Luther Collection is indispensable. It serves as both an academic resource and an engaging narrative for any reader interested in the roots of contemporary faith practices and the ongoing dialogue about authority, grace, and personal conviction in religion.

Lest We Lose Love Scherto Gill, 2023-04-18 Few are aware that since antiquity there has always been the philosophy of love at the core of Western culture. It articulates what makes life meaningful and worthwhile and how we can live a good life together through an ethic of love. This book fills this significant gap, not only reconnecting the reader with such important wisdom and more crucially also reorienting our socio-economic institutions and collective actions towards more loving and caring and more concerned with the qualities of our lived experiences. By rediscovering the gifts of love, we may challenge the existing systemic dehumanisation and draw from knowledge and understanding already present in our culture. This is timely because the global crises we are facing are catastrophic, especially when it comes to climate change. Therefore, we must respond from a place of love rather than fear. Whether it is reducing the use of fossil fuels, lowering greenhouse emissions, choosing the right food to eat, or advocating for structural transformation, our concerted endeavours start with an appropriate appreciation of the nature of our well-being, which includes the planet's well-being. This book highlights a clear pathway forward to ensure collective healing and flourishing with nature; we must practise the art of loving.

Way B.A. B.D. MDiv.,2020-09-04 For centuries numerous people have asked How do you get right and stay right with god Since a person s god is whatever they value love the most possible gods are limitless When asked from the Judeo Christian perspective the question is narrowed but the answers are extremely diverse Due to many identified factors the author believes incorrect answers have been too frequently offered starting soon after the death of Jesus and continuing to this day Due to God s nature and ours the author bases his answer exclusively on appropriate God like love as described and practiced by Jesus The ancient Hebrews recognized the original answer and Jesus repeated it when he insisted we love God above all else and then love our neighbor as our self Paul got it all wrong Jesus did not fill the empty spaces in Paul s Judaism Believe Jesus and act like it God and the Illegal Alien Robert W. Heimburger,2018 A fresh response to the problem of illegal immigration in the United States through the context of Christian theology *The Works of ... Thomas Wilson, D.D., ... With His Life Compiled from Authentic Papers by the Revd. C. Cruttwell ... The Second Edition* Thomas Wilson,1782 *Practicing Prayer for the Dead* James B. Gould,2016-11-04 Throughout history Christians have prayed for the dead This book challenges Protestants who seldom pray for the dead to begin doing so and Roman Catholics and Eastern Orthodox who pray only for the Christian dead to include the unsaved as well Gould discusses the meaning of prayer for final consummation of all things growth of the blessed in heaven purification of the imperfect in purgatory and salvation of the unsaved in hell identifying the necessary conception of the afterlife required by each particular prayer He also reflects on the spiritual value of prayer for the departed how it enhances faith builds hope and sharpens discipleship and provides some sample prayers for public liturgy and private devotion In essence Practicing Prayer for the Dead offers an outline of theology from the perspective of death arguing that prayer for all the departed is one aspect of a tightly knit web of doctrines The argument while revisionary in some respects is orthodox ecumenical and integrative engaging a range of academic disciplines so as to be biblically accurate historically informed and philosophically reasoned **The Collected Works of Martin Luther** Martin Luther,2023-11-16 The Collected Works of Martin Luther presents a comprehensive anthology of the influential theologian s writings encompassing his seminal discourses during the Protestant Reformation The volumes reflect Luther s bold literary style blending scripture based argumentation with poignant personal reflections and a passionate call for ecclesiastical reform Key texts such as the Ninety

Five Theses and the Large and Small Catechisms illustrate not only Luther's theological insights but also his skillful use of rhetoric making complex ideas accessible to the laity. The work situates itself within the historical context of 16th century Europe capturing the fervor of a transformative era in Christianity. Martin Luther 1483-1546 a German monk and theologian emerged as a central figure in the Reformation driven by a profound quest for spiritual truth and reform within the Catholic Church. His intimate struggles with faith and doctrine compelled him to challenge the prevailing norms of his time echoing the sentiments of growing dissatisfaction among believers. His writings reveal a deep understanding of scripture and a commitment to the principles of justification by faith shaping the beliefs of countless followers in the centuries that followed. This collection is indispensable for scholars and lay readers alike offering insights into the foundations of Protestant thought and the enduring relevance of Luther's theological contributions. It invites readers to engage with the historical narrative and appreciate the literary artistry that has influenced modern Christianity and Western thought.

The Holy Word in Its Own Defence ... Second Edition, Revised Abiel SILVER, 1867 *The Works of the Right Reverend Father in God Thomas Wilson, Fifty-eight Years Lord Bishop of Sodor and Man* Thomas Wilson, Clement Cruttwell, 1782 **My Neighbor's Shoes** Becki Rogers, 2023-05-23

Christians today are very discriminating in who they consider to be a neighbor they should love and what that love should look like. Jesus commanded his followers to love their neighbors and enemies as they love themselves. Believers are commanded to put themselves in their neighbors shoes and love them accordingly. This type of love is an empathetic love; it answers the question: What would I need if I were in this person's situation? **My Neighbor's Shoes: Following Jesus in Empathy Toward Others** encourages Christ followers to live a life of empathy, outlining the life and teachings of Jesus as the model for this life-changing love.

John Wesley's Teachings, Volume 3 Thomas C. Oden, 2013-01-22

John Wesley's Teachings is the first systematic exposition of John Wesley's theology that is also faithful to Wesley's own writings. Wesley was a prolific writer and commentator on Scripture; his collected works fill eighteen volumes, and yet it is commonly held that he was not systematic or consistent in his theology and teachings. On the contrary, Thomas C. Oden demonstrates that Wesley displayed a remarkable degree of internal consistency over sixty years of preaching and ministry. This series of 4 volumes is a text-by-text guide to John Wesley's teaching. It introduces Wesley's thought on the basic tenets of Christian teaching: God, providence, and man. Volume 1: Christ and salvation; volume 2: the practice of pastoral care; volume 3: and issues of ethics and society; volume 4: In everyday modern English, Oden clarifies Wesley's explicit intent and communicates his meaning clearly to a contemporary audience. Both lay and professional readers will find this series useful for devotional reading, moral reflection, sermon preparation, and for referencing Wesley's opinions on a broad range of pressing issues of contemporary society.

The Book of Deuteronomy and Post-modern Christianity James Baxter,2013-04-02 As a dominant voice in our society Western Christianity including fundamentalism is dying despite the growing tendency of people to identify as spiritual but not religious In the face of this reality churches continue to preach the same message of sin judgment guilt in order to be saved or in the case of more progressive churches feel good messages No wonder Western Christianity is failing If it is ever to regain its viability Christianity must rethink its total devotion to Christ and look again at its roots A new Christianity must start over with the original vision of God s dream for us as expressed by Moses and Jesus Jesus was not a Christian He was a Jewish reformer and he worked within the context of the Jewish Scriptures the Old Testament Deuteronomy was one of these books When this ancient wisdom is paired with post modern Christianity we see that the teachings of Moses and Jesus are as relevant today as they were two to three thousand years ago perhaps even more so
