Receiving The Word Of The Lord:

Receiving the Word through the Spirit Witness Lee, 2024-05-16 In this booklet compiled from Life study of Philippians Witness Lee fellowships concerning the relationship between the Word of God and the Spirit not only as a fact but also in our daily Christian experience with a particular focus on our receiving the Word by means of prayer **Church Dogmatics:**

The doctrine of the word of God (2 pts.) Karl Barth, 2004-01-01 Described by Pope Pius XII as the most important theologian since Thomas Aquinas the Swiss pastor and theologian Karl Barth continues to be a major influence on students scholars and preachers today Barth's theology found its expression mainly through his closely reasoned fourteen part magnum opus *Die Kirchliche Dogmatik* Having taken over 30 years to write the *Church Dogmatics* is regarded as one of the most important theological works of all time and represents the pinnacle of Barth's achievement as a theologian T T Clark International is now proud to be publishing the only complete English translation of the *Church Dogmatics* in paperback

The Collected Works of Witness Lee, 1959, volume 4 Witness Lee, *The Collected Works of Witness Lee 1959 volume 4* contains messages given by Brother Witness Lee in October 1959 through January 1960 Historical information concerning Brother Lee's travels and the content of his ministry in 1959 can be found in the general preface that appears at the beginning of volume 1 in this set The contents of this volume are divided into five sections as follows 1 Two sessions of fellowship given in Taipei Taiwan in October 1959 as part of a training concerning service These messages are included in this volume under the title *The Purpose Regulations and Standard of the Training* 2 Twenty messages given in Taipei Taiwan in the winter of 1959 These messages were previously published in a book entitled *Lessons on Prayer* and are included in this volume under the same title 3 Eighteen messages given in Taipei Taiwan in midweek meetings held in October 1959 through January 1960 These messages were originally published in *The Ministry of the Word* in 1962 and 1963 and were previously published in a book entitled *Life and Building in the Gospel of John* They are included in this volume under the same title 4 Seven messages given in Taipei Taiwan in the third part of a training that began on October 5 1959 and concluded on January 22 1960 These messages were given in November and December 1959 and are included in this volume under the title *Synopsis of Genesis 5* A two part topical outline of the Bible prepared in Taipei Taiwan in November and December 1959 This outline is included in this volume under the title *A Topical Outline of the Bible* *Herald of Gospel Liberty* Elias

Smith, 1909 *Did You Receive the Holy Spirit When You Believed? (Acts 19:2)* Bob McArthur, 2011-06-08 Do you know how to lead someone to Christ This book will make you think again Do you know the gospel message Do you know the purpose for church leaders Are you fully birthed into the family of God Did you receive the Holy Spirit when you believed Think again That is what this book will challenge you to do The Rev Paul Hoyt a retired Church of the Nazarene pastor said of the book My mind is being challenged and stretched The question is simply What does the Bible say about how New Testament believers became Christians What were their experiences and what does the Bible say they believed and understood about

those experiences This book will challenge you to rethink commonly held positions and universally understood practices and beliefs Dont be alarmed This book is completely Jesus focused The age old biblical truths about Christ are not being challenged Jesus is God the second person of the triune Godhead born of a virgin crucified and resurrected bodily and spiritually to new life His blood cleanses mankind of all sin no one comes to God except through Him and the Bible is the Word of God But the evangelistic message and experiences of the Bible of those early believers about this saving Jesus should correspond to the thought and practice of present day evangelism The disparity however might surprise you This book will help the Church get back to a New Testament evangelism that has somehow been lost along the way

The Ministry of the Word, Vol. 25, No. 06 Various Authors, 2022-01-02 This issue of The Ministry of the Word contains the eight messages of the international training for elders and responsible ones hosted by Living Stream Ministry on October 8 10 2021 The messages were provided via webcast from Anaheim California and the mutual fellowship prophesying and studying by groups were practiced locally in the various churches that participated The general subject of this series of messages is Meeting God s Need and Present Needs in the Lord s Recovery We must see that God has His need No matter what our human needs or the churches needs are God s need is much greater To see God s need we need to realize that God has a will a good pleasure which is His heart s desire God s good pleasure that which makes Him happy is the fulfillment of His eternal purpose to have His eternal habitation for His eternal expression In order for His will to be done on earth and for His eternal purpose to be fulfilled God needs our cooperation He has placed His almighty power under the limitation of the human will hence only when He has gained a people who will cooperate with Him by being totally responsive to Him will He have an unhindered way to accomplish His will God also needs to recover the earth from His enemy by man s dealing with Satan and subduing and conquering the rebellious earth Moreover God needs the family of Noah to build the church as today s ark to terminate the present crooked and perverted age and bring in God s kingdom God needs the man child the overcomers in the church as His dispensational instrument for His greatest dispensational move to end the age and bring in His kingdom To be constituted as overcomers we must realize that through regeneration we have been made a new creation As such we need to walk in newness of life to serve in newness of spirit and to be renewed daily Furthermore we daily need to labor on the all inclusive Christ as the good land by seeking and enjoying Christ in every situation Especially as elders and responsible ones we should enter into Christ s wonderful shepherding in His heavenly ministry by enjoying and ministering Christ to shepherd the church of God as a slave of God In meeting the Lord s need prayer is our most direct and intimate cooperation with Him Prayer is to absorb the elements of the soil of Christ as the good land and to express what God has spoken within us by our contacting and fellowshiping with Him The best prayer is to pray to God as a friend as portrayed in Abraham s glorious intercession his intimate conversation with God This kind of intercession expresses God s desire and carries out His will The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living

In Search of Evidence Emmanuel Amurawaiye MD,2013-12-09 Does God exist Man has not been able to give a credible answer to that question despite advances in knowledge As a result the world remains confused about religion and whether to believe claims made by sacred books like the Bible and the Quran Is it true that unbelievers would end up in Hell Did God give Moses the Ten Commandments and the other 600 laws of the Old Testament Did God reveal the Quran to Prophet Muhammad To answer these and other questions In Search of Evidence looks at passages taken from various Scriptures It contends that while we may not be able to conclusively determine whether God exists or not there is enough evidence to

determine whether the contents of the sacred books of the world's religions were revealed by an omniscient being God
Religion does not need to be taken on faith This book provides a framework for meaningful and objective rather than a faith
based search for the truth
