Some Like It Hot Clifford Wright, 2005-09-13 300 spicy recipes from some of the most flavorful and piquant cuisines

Gumbo Life: Tales from the Roux Bayou Ken Wells, 2019-02-26 A sprightly deeply personal narrative about how gumbo for 250 years a Cajun and Creole secret has become one of the world's most beloved dishes Ask any self-respecting Louisianan who makes the best gumbo and the answer is universal Momma The product of a melting pot of culinary influences gumbo in fact reflects the diversity of the people who cooked it up French aristocrats West Africans in bondage Cajun refugees German settlers Native Americans all had a hand in the pot What is it about gumbo that continues to delight and nourish so many And what explains its spread around the world A seasoned journalist Ken Wells sleuths out the answers His obsession goes back to his childhood in the Cajun bastion of Bayou Black where his French speaking mother's gumbo often began with a chicken chased down in the yard Back then gumbo was a humble soup little known beyond the boundaries of Louisiana So when a homesick young Ken at college in Missouri realized there wasn't a restaurant that could satisfy his gumbo cravings he called his momma for the recipe That phone taught gumbo was a disaster The second cooked at his mother's side fueled a lifelong quest to explore gumbo's roots and mysteries In *Gumbo Life Tales from the Roux Bayou* Wells does just that He spends time with octogenarian chefs who turn the lowly coot into gourmet gumbo joins a team at a highly competitive gumbo contest visits a

factory that churns out gumbo by the ton observes the gumbo making rituals of an iconic New Orleans restaurant where high end Creole cooking and Cajun cuisine first merged Gumbo Life rendered in Wells affable prose makes clear that gumbo is more than simply a delicious dish it s an attitude a way of seeing the world For all who read its pages this is a tasty culinary memoir to be enjoyed and shared like a simmering pot of gumbo *New Orleans Pralines* Anthony J. Stanonis,2024-10-08

The Creole praline arrived in New Orleans with the migration of formerly enslaved people fleeing Louisiana plantations after the Civil War Black women street vendors made a livelihood by selling a range of homemade foods including pralines to Black dockworkers and passersby The praline offered a path to financial independence and even its ingredients spoke of a history of Black ingenuity an enslaved horticulturist played a key role in domesticating the pecan and creating the grafted tree that would form the basis of Louisiana s pecan orchards By the 1880s however white New Orleans writers such as Grace King and Henry Castellanos had begun to recast the history of the praline in a nostalgic mode that harkened back to the prewar South In their telling the praline was brought to New Orleans by an aristocratic refugee of the French Revolution Black street vendors were depicted not as innovative entrepreneurs but as loyal servants still faithful to their former enslavers The rise of cultivated shelled and cheaply bought pecans as opposed to the foraged pecans that early praline sellers had depended on allowed better resourced white women to move into the praline selling market especially as tourism emerged as a key New Orleans industry after the 1910s Indeed the praline became central to the marketing of New Orleans Conventions often hired Black women to play the praline mammy role for out of towners while stores sold pralines with mammy imagery in boxes designed to look like cotton bales After World War II pralines went national with items like praline flavored ice cream 1950s and praline liqueur 1980s Yet as the civil rights struggle persisted the imagery of the praline mammy was recognized as an offensive caricature As it uncovers the history of a sweet dessert made of sugar and pecans *New Orleans Pralines* tells a fascinating story of Black entrepreneurship toxic white nostalgia and the rise of tourism in the Crescent City **Americas Best Recipes 1995** Oxmoor House Staff,1995 A collection of over 400 of the highest rated recipes from over 200 current community cookbooks from every state in the U S **Recipes for Reading** Anne Bower,1997

The community cookbook is a familiar item in many kitchens Usually compiled by women and sold to raise funds for a charitable cause these collections of recipes may seem to be utilitarian objects that exhibit little if any narrative interest But this is hardly the case In *Recipes for Reading* scholars from a variety of disciplines examine community cookbooks as complex texts deserving serious study The contributors contend that such cookbooks have stories to tell about the lives and values of the women who wrote them stories that are autobiographical in most cases historical in some and fictive in others
