Streb, 2023-09-13 The easiest bargain Victoria Shephard had ever struck in her life was for her surgery with six months of recuperating under the watchful eye and care of the Alexander family No longer feeling like damaged goods The plan was to heal and relax but with crazy girlfriends who are always up to no good as well as a rich arrogant playboy who is suspicious of her every move and who has a little boy she can't seem to say no to her life suddenly gets a bit chaotic and complicated When Constantine comes back into her life and can't seem to let go she comes face to face with the truths of his betrayal leaving her with a lot of burning unresolved feelings Finally letting her rage and fury take over she finds herself falling into the arms of a man she shouldn't Before she knows it she's caught in the middle of two different worlds and she's unsure of what to do Will she be able to accept the hard truths and embrace her second chance or will she be sucked back into a world of violence *Dangerous Truths* is the second novel of the Victoria Constantine series *Englisch deutsches und deutsch-englisches Wörterbuch, mit besonderer Rücksicht auf den gegenwärtigen Standpunkt der Literatur und Wissenschaft* bearbeitet Newton
