photographs of classic homes from all over the Pacific Coast In depth profiles of some of the most iconic homes in the region
A history of the architectural styles that have shaped the Pacific Coast Tips on how to appreciate the beauty of classic homes
And much more This book is the perfect way to learn more about the architectural heritage of the Pacific Coast It is a
beautiful and informative guide that will inspire you to appreciate the beauty of these homes and to learn more about the
history of the region If you like this book write a review on google books **Ethnic Landscapes of America** John A.
Cross,2017-06-19 This volume provides a comprehensive catalog of how various ethnic groups in the United States of
America have differently shaped their cultural landscape Author John Cross links an overview of the spatial distributions of
many of the ethnic populations of the United States with highly detailed discussions of specific local cultural landscapes
associated with various ethnic groups This book provides coverage of several ethnic groups that were omitted from previous
literature including Italian Americans Chinese Americans Japanese Americans and Arab Americans plus several smaller
European ethnic populations The book is organized to provide an overview of each of the substantive ethnic landscapes in the
United States Between its introduction and conclusion which looks towards the future the chapters on the various ethnic
landscapes are arranged roughly in chronological order such that the timing of the earliest significant surviving landscape
contribution determines the order the groups will be viewed Within each chapter the contemporary and historical spatial
distribution of the ethnic groups are described the historical geography of the group s settlement is reviewed and the salient
aspects of material culture that characterize or distinguish the group s ethnic landscape are discussed *Ethnic Landscapes of
America* is designed for use in the classroom as a textbook or as a reader in a North American regional course or a cultural
geography course This volume also can function as a detailed summary reference that should be of interest to geographers
historians ethnic scholars other social scientists and the educated public who wish to understand the visible elements of
material culture that various ethnic populations have created on the landscape *American Bungalow* ,2006 *American
Bungalow Style* Robert Winter,1996-05 In the tradition of *The Wright Style* this lush volume captures the charm of that Arts
and Crafts era building type called the bungalow and provides a wealth of ideas for restoring and decorating these historic
American homes 300 full color photos 14 black white photos Line drawings
