Redeeming Modernity Contradictions In Media Criticism:

Redeeming Modernity Joli Jensen, 1990-06-01 This book examines the explicit and implicit logic operating in claims of media influence Beginning with a close analysis of arguments by four critical voices Dwight Macdonald Daniel Boorstin Stuart Ewen and Neil Postman on the nature of media influence the author demonstrates how they mobilize three dominant metaphors media as information media as art and media as education She then examines the historical and intellectual roots of these concepts in American social and cultural thought and explores media as a new technology as a means for more positive expectations of media influence The book closes with a section considering how debates on postmodernism redirect but do not resolve the basic contradictions in social and culture

Re-reading Popular Culture Joke Hermes, 2008-04-15 Re-reading Popular Culture is an entertaining investigation of the meanings and value of popular culture today It explores the theme of cultural citizenship by combining textual analysis and media reception theory to analyze popular culture Includes such contemporary issues as the rewriting of masculinity after the success of feminism and the layers of meaning in semi public and private talk of multiculturalism and ethnicity Traces its topics across a variety of media forms and texts including sports detective fiction and police series and children's television and games Clearly and accessibly written for the student scholar and general reader

Manufacturing Desire Arthur Asa Berger, 2017-07-12 The average person in America watches four hours of television per day and spends the equivalent of nine years of his or her life in front of the television set If the attention most people devote to popular culture listening to the news watching soap operas reading the comics were added up it would reveal that most people spend an enormous amount of time with popular culture which becomes in large measure

their culture Manufacturing Desire is a study of how the mass media broadcast or spread various popular arts further how the media and popular arts play a major role in shaping our everyday lives The television shows we watch the movies we see the radio programs we listen to and all the comic strips we read influence social behavior They give us ideas about what is good and evil about how to solve problems and about how we should relate to others If we understand this says Berger then the way we think about our media influenced culture will be far different than if we see popular culture as mindless entertainment Berger provides an analysis of the way popular culture and the mass media simultaneously reflect and affect various aspects of American culture and society He examines commercials television shows comics film humor and everyday life in terms of what beliefs and values are found in them what attitudes toward ourselves and our societies are contained in them how they achieve their effects and what they reflect about present day American culture and society This book is analysis of the impact mass media have across America cross culturally and internationally Manufacturing Desire will provide the general reader as well as specialists in communication and information sociology and psychology with a better understanding of the effects of mass media and popular culture on contemporary society The ^AOxford Handbook of Digital Technology and Society Simeon Yates,Ronald E. Rice,2020-06-01 The Oxford Handbook of Digital Technology and Society will equip readers with the necessary starting points and provocations in the fields of social science and technology so that students scholars and policy makers can effectively assess future research practice and policy Crossing Over Harold M.
