Reduce Me to Love Joyce Meyer, 2007-05-22 1 New York Times bestselling author Joyce Meyer points out You can't give away something you don't have Many people who are trying to walk in God's love are doing so in their own strength but they can't demonstrate God's love because they never stop to receive it themselves Because God is love loving and being loved is what makes life worth living Once you learn how to truly accept God's unconditional love for you and walk in love like Jesus did you will discover the sweet peace deep joy and unfailing strength that come with being willing to say REDUCE ME TO LOVE *Love, the only answer.* Tina Julia RICHTER, 2025-09-01 Love the only answer by Dr Tina Julia Richter is the BEST book to find and to understand love It defines seven types of love gives 30 practical advice to put more love in your life and helps you for self care It is best for singles partners couples and everybody who wants a guide for a life full of love and joy

Wager Raymond Barfield, 2017-03-21 How do humans explore beauty virtue love justice and goodness This book argues that philosophical attention to our lives shaped in part by our choices is our instrument for investigating these parts of reality Constructing a life is a philosophical act Philosophical acts that are shaped by a life and that shape a life constitute philosophical style Everyone has a philosophical style which is fundamentally about the way we live in the world through our bodies our reason our imagination and our virtue It is about what we love and how we are loved Beauty suffering and being in the world are placeholders for everything that makes up our lived experience As we live our lives between beauty and suffering we learn most about being in the world The argument of the book moves from a discussion of philosophical style through the three placeholders for human experience as they are affected by philosophy beauty suffering and being in the world arriving at a reworking of Pascal's wager about living in relationship to the presence or absence of God as a way of understanding the commitments that are our only way into the truth of our life Ennobling Love C. Stephen Jaeger, 1999 Ennobling Love is both a reader's pleasure and a scholar's treasure An American Dictionary of the English Language Webster, 1845 *Love and Society* Swen Seebach, 2017-04-21 Why does love matter Love and Society discusses the meaning and importance of love for contemporary society Love is not only an emotion that occurs in our intimate relationships it is a special emotion that allows us to relate to each other in a lasting fashion to create out of our individual pasts a shared past which enables us to project a shared future Bringing together the idea of Simmel's second order forms with theories of love this insightful volume shows that the answer to why love is so central to society can be found in the social transformation of the last two centuries It also explains how we can build our strongest social bonds on the fragility of an emotions thanks to the creation of special moments love rituals and intimate stories love myths that are central to the weaving of lasting social bonds Going to the cinema reading a book together or sharing songs are forms of weaving bonds of love and part of the cycle of love But love is not only shared between two people the desire and the search for love is something we share with almost all members of society With rich empirical data an analysis of love's transformation in modernity and a critical engagement

Osho, 2016-07-19. One of the most important life events is falling in love, yet we never learn about it in school. Societies and religions force us into models and thought forms that are often in opposition to an organic model of love which is instead institutionalised by marriage, religious affiliations and nationalism. This results in love that is for most people a painful challenge in one form or another throughout life. In these modern days where the focus shifts more and more to realising one's individual potential, Osho helps us to direct our search for love by widening our view, showing us that love has many manifestations and is not limited to the other. One manifestation of love is meditation, a life-changing experience that allows the flowering of real love within oneself and toward others. The Osho Life Essentials series focuses on the most important questions in the life of the individual. Each volume contains timeless yet contemporary investigations and discussions into questions vital to our personal search for meaning and purpose. The Osho Life Essentials series focuses on questions specific to our inner life and quality of existence, for example: is it possible to have an authentic spirituality without a belief in God? What is meditation and how does it work? What can I do as an individual to make the world a better place? **Yell Less, Love More**
