**The Purpose Effect** Dan Pontefract,2018-06-08 Pontefract combines years of experience and research on employee engagement behavior and culture to create a work about the three crucial areas of purpose personal organizational and workplace role If all three can come to fruition if there is a positive interconnection between the three distinct definitions of purpose the benefits should be felt by employees teams the organization customers and perhaps most importantly society as

a whole We can refer to this balanced state as the sweet spot When one area is lacking or ignored the results range from disengagement apathy lack of growth and even bankruptcy The Purpose Effect is aimed at both leaders and employees who wish to achieve a purpose mindset on a personal level for the organization where they are employed and in their role at work too A business leader that is committed to purpose will create purpose for the organization An employee that feels his her personal sense of purpose is being fulfilled at work will be an invaluable asset to productivity and success An organization centered on purpose will benefit every stakeholder from employees to society in general This sweet spot of purpose creates a reciprocal relationship between all three areas and sits at the center of Pontefract s work *Each Day a Renewed Beginning* Karen Casey, 2021-05-25 Daily Inspirational Quotes to Help You Find True Peace An important reminder of the simple truths which can bring us to a peaceful mind and heart Becca Anderson author of *Prayers For Calm* 1 New Release in Eastern Philosophy Taoism Everyone deserves a peaceful journey regardless of age or gender religious affiliation or political preference With more than 3.5 million copies sold this beautifully curated collection of daily motivational quotes about life seeks to influence the way you live the next 24 hours The result of more peaceful days A more peaceful planet Peace is always possible even in the midst of a storm By sharing a meditation for each day of the year author Karen Casey speaks to the common experience shared struggles and unique strengths of those who seek support and spiritual growth in recovery Featuring daily inspirational quotes about finding peace and honoring love this positive thinking book offers the perfect touchstone at this crucial time in history a time when millions are seeking quiet moments and mindful meditation Today can open the door to a new way of living Love can be a powerful influence in our lives It s the total absence of judgment It s pure acceptance It is the inner voice reminding us that all is well and God is present right here and right now The overwhelming peace we feel is all the evidence we need of God s constancy The expression of love quiets our minds and we are flooded with inner peace How much gentler our lives would be if we dispensed with all expressions but love But we don t live in a world that truly values peace What if we can turn away from constant judgment and offer love instead in every situation If you re looking for inspirational books mindful gifts quotes about thinking positive or mindfulness books for adults or enjoyed books like *A Year of Positive Thinking* and *5 Minute Daily Meditations* then you ll love *Each Day a Renewed Beginning* **Shadows in the Sun** Gayathri Ramprasad, 2014-10-13 As a young girl in Bangalore Gayathri was surrounded by the fragrance of jasmine and flickering oil lamps her family protected by gods and goddesses But as she grew older demons came forth from dark corners of her idyllic kingdom with the scariest creatures lurking within her tortured mind *Shadows in the Sun* traces Gayathri s courageous battle with debilitating depression that consumed her from adolescence through marriage and a move to the United States Her inspiring memoir provides a first of its kind cross cultural view of mental illness how it is regarded in India and in America and how she drew on both her rich Hindu heritage and Western medicine to find healing
