Reflection Of Christs Mind Paperback By Ferrini:

Reflections of the Christ Mind Paul Ferrini,2000-07-25 For Paul Ferrini there was a time when the very thought of Jesus left him cold Instead of embodying the truth of Jesus teaching Christianity seemed to harbor the fearful thoughts and actions of people who were more committed to self interest than to unconditional love So when Ferrini felt Jesus voice inside him saying I want you to acknowledge me he resisted In time however he came to realize that it was not Jesus he was rejecting but the untruths that had become attached to Christian teaching Responding to the inner voice did not mean merely acknowledging Jesus as some great teacher who lived in the past but also meant that he was opening himself up to a living presence within his own awareness Once Ferrini reached this reconciliation powerful words of spiritual truth began to flow through him Reflections of the Christ Mind presents the most important teachings the author has received through his spiritual awakening Here at last is a gospel devoted solely to Jesus teachings of love healing and forgiveness The teacher readers meet in these pages is both compassionate and open minded he is the Jesus Christians know in their hearts Repudiating religious hypocrisy intolerance and spiritual pride Ferrini rejects the dogmatic position of the Church offering instead words of hope and healing that form the new gospel for today

The Wounded Child's Journey Into Love's Embrace Paul Ferrini,1991 Healing the Wounded Child The wounded child cannot be kept separate from you If s he is in fear you need to love the one in fear You must be willing to feel her pain This is a sacred journey through fear to love You must learn to approach the child not as a judgmental parent but as a loving one For only love releases the pain Only love gently brings the darkness into the light The process of recovery does not end until there is no one left to blame or shame including yourself It does not end until you can see the light behind your shadow It is time now to take the little child into your arms and rock her and speak to her softly the words of love s he needs to hear Do not be afraid of her anger or her pain but remember that all s he wants is love and that is the only gift you can offer her

Return to the Garden Paul Ferrini,1998 In the Garden all our needs were provided for We knew no struggle of hardship We were God s beloved But happiness was not enough for us We wanted the freedom to live our own lives To evolve we had to learn to become love givers not just love receivers We all know what happened then We were cast out of the Garden and for the first time in our lives we felt shame jealousy anger lack We experienced highs and lows joy and sorrow Our lives became difficulty We had to work hard to survive We had to make mistakes and learn from them Initially we tried to blame others for our mistakes But that did not make our lives any easier It just deepened our pain and misery We had to learn to face our fears instead of projecting them onto each other Returning to the Garden we are different than we were when we left hellbent on expressing our creativity at any cost We return humble and sensitive to the needs of all We return not just as created but as co creator not just as son of man but also as son of God
