

We thought of you in love today,
but that is nothing new.

We thought about you yesterday
and days before that, too.

We think of you in silence,
we often speak your name.

Now all we have is memories
and your picture in a frame.

Your memory is our keepsake,
with which we'll never part.

God has you in his keeping,
we have you in our hearts.

Passionate Impressions in Love's Reflection Cherie Leigh, 2020-12-07 It becomes obvious to anyone who gets to know me that I am a hopeless romantic. I am not sure what instigated my sentimentality over love and romance, but I have an affinity for all things that exhibit the beautiful qualities of passion. The incredible holding power of love should not be taken for granted, even as it can either profoundly entice or greatly elude. The full effects of love's intensity move me with deep appreciation. Some may say that I live in a fantasy world with my notions about romantic love, but I don't let that bother me. I just hop on my magical unicorn and ride off into the sunset. I use my poetry to express intensity of emotions, whether it be to entice, delight, mystify, enlighten, ache, or touch. Sometimes, even through love's painful experiences, there can be profound beauty taken from it that leaves lasting impressions. For love in all its reflections has much to teach us about its purpose as the most powerful force in existence. Since the beginning of time, as we know it, it has lived and breathed its testimony, serving to inspire. This collection of poetry came together for publication from encouragement from friends and fellow peer poets who believe in me. I have always

enjoyed writing but the past few years have been pivotal times of creativity I have changed from a woman seeking deliverance from pain to a woman experiencing inexplicable passion The obsession of love has become an innate part of my personality that needs to express itself in words I guess you could say I am smitten about anything written about love My hope is for the readers of my poetry to experience an emotional connection or perhaps find release through my various themes of love Some of my love poems take on a tone of spirituality while others embrace aspects of sensuality But all show phases and faces of love in need of expression For as mysterious as love can be it always makes its presence known in one form or another with unmistakable impact Welcome to my world of Passionate Impressions in Love s Reflection **Morning Reflections** Karen Jean Matsko Hood,2014-01-01 Morning is a time to embrace renewed opportunity fresh perspective and an overall sense of rejuvenation Morning Reflections is a collection of powerful and inspirational reading that is dedicated to helping you begin each new day in a positive way Christian and inspirational author and poet Karen Jean Matsko Hood has woven together poems prayers and Biblical verses to fill your soul and spirit with peace and understanding Just like a hearty morning meal strengthens your physical body it is equally important to center your emotions and nourish your spirit with the sure footing that can only come from a personal connection with the Creator Morning Reflections offers enlightenment and wisdom through blending encouraging prose and Scripture passages This truly insightful new book of reflections makes for a perfect bedside companion or as a topic of conversation over the coffee table This book is a wonderful gift to friends and family for daily morning prayer and appreciation of Christ s teachings It is also for those with whom we are given the opportunity to share and experience it *Our Exquisite Journey Through Poignant Reflections and Delightful Musings* Pasquale De Marco,2025-07-20 In this poignant and thought provoking literary journey Pasquale De Marco takes readers on an introspective voyage through the tapestry of life exploring the myriad facets of human existence with profound insights and poetic grace Through a collection of heartfelt reflections and musings the book delves into the complexities of human emotions the art of embracing change and growth and the transformative power of self discovery It invites readers to ponder the mysteries of life and death the beauty of nature and the enduring essence of love and connection With a keen eye for detail and a profound understanding of the human condition Pasquale De Marco paints vivid pictures with words capturing the nuances of human experiences and emotions The book is a celebration of life s beauty and fragility a reminder to cherish each moment and embrace the journey with an open heart Divided into ten thought provoking chapters each exploring a different aspect of the human experience this book offers a mosaic of reflections that resonate with readers of all ages The author s unique perspective and evocative language create a captivating narrative that flows effortlessly from one topic to another leaving readers with a sense of wonder and a deeper appreciation for the intricacies of life Whether you re seeking solace inspiration or simply a deeper understanding of yourself and the world around you this book will touch your heart and leave a lasting impression It is a literary companion for those who seek meaning and purpose in the tapestry of human

Reflections Omar H. Malik, 2014-01-27 In a world where most of us are busy making a living, finding few moments to reflect and revel in awe-inspiring power of nature, both contributing and disrupting its beauty, serenity and complexity, and how we fit in and play our part, this book explores and evaluates all that in simple language. The beauty and power of nature pictured in the poems titled *The Sun*, *The Cloud*, *A River's Tale*, *Autumn Leaves* and *Rainbow*. In *A Lout's Legacy*, a portrayal of social malaise. Interesting interpretations are reflected in *Time*, *A Holy Sanctuary* and *Of Good and Evil*. There is humour with substance in *Follow the Man in the Middle* and *Oh Dream*. Examples of how commercial folly influenced our life over a period of time is apparent in *Celebrations* and *Merry Christmas*. These are just a few examples. It is literally a reflection mirror of author's mind on aspects of life that move us.

In the Murmuring Trees R. Tirrell Leonard Jr., 2012-11-15 In *The Murmuring Trees*, R. Tirrell Leonard Jr. delves into nature mythology and fantasy through evocative prose and poetry, taking readers to a time and place where myths were real and legends walked amongst men. It retells classic stories of gods and monsters and man's place within nature's grandeur, capturing the essence of these timeless tales while instilling in them a modern twist unique to R. Tirrell Leonard Jr. Imaginative poems and prose of great spirit, rich creativity and three-dimensional imagery. *The Columbia Review* In *The Murmuring Trees* 2012 Reviewed By The Editorial Board. The Editorial Board of *The Columbia Review* selects new books and films of interest as well as paid submissions and sponsored reviews from authors, publishers, directors, agents and producers. In *The Murmuring Trees* by R. Tirrell Leonard Jr. is an imaginative volume of poems and prose of great spirit, rich creativity and three-dimensional imagery. Readers of poetry often seek to understand not only the meaning of the words themselves but to perceive who the poet really is. One might speculate that Leonard may be revealing himself best with the first line in the poem *A Post in Furies*: *Winds I know I differ from the normal view*. This collection of poems and prose is also a unique exploration of a common sentiment: love. But here it is to a place as the title of another song reads: *A Magical Country Dance*. One cannot miss Mr. Leonard's deep love for the State of Massachusetts, both its people, contemporary and natives, and its raw physical beauty: land and coast. Most of the pieces may fit on one page, but many would serve as food for thought for a whole evening. And while the poet speaks of losing his voice, his writing comes across loud and clear with great charm and natural rhythm. Adding to this volume's value for the reader are snippets of true perception and tickling humor. For example, who among us, lovers of poetry, don't remember a sleepless night made longer by the crickets singing through the open window, driving us near the brink? In particular, some of Mr. Leonard's poetry attains the cloak of youthful wit, alluding to figures from the sphere of fantasy and the world of magic, which would make much of this volume easily accessible and happily enjoyable for younger readers as well. In summary, this meticulous and beautiful

collection leaves the reader shaken elated and reflective perhaps as the poet concludes the title poem or close to it In Murmurings Through Trees Skies with lightning flashes bright and brawling fill my mind with wonders still and installing Indeed **THE HUES OF REFLECTION (VOL-1)** AUTHORS OF THE BHARAT, Our Anthology THE HUES OF REFLECTION contains marvellous literary work of various authors across the whole Bharat It is a compiled to give a platform to the budding writers of our great nation and help them in coming forward and present their literary work in front of the whole world **Reflections from the Kitchen** Fred Raynaud, 2006-10 Reflections is not a cookbook There are no recipes between its pages What you will find is a look at Christ through the eyes of a chef The book takes you behind the scenes of restaurant life and reflects the Glory of Christ while working and worshipping within the marketplace
