Reflections Of The Christ Mind

Paul Ferrini

Reflections Of The Christ Mind:

Reflections of the Christ Mind Paul Ferrini, 2000-07-25 For Paul Ferrini there was a time when the very thought of Jesus left him cold. Instead of embodying the truth of Jesus teaching Christianity seemed to harbor the fearful thoughts and actions of people who were more committed to self interest than to unconditional love. So when Ferrini felt Jesus voice inside him saying I want you to acknowledge me he resisted. In time however he came to realize that it was not Jesus he was rejecting but the untruths that had become attached to Christian teaching. Responding to the inner voice did not mean merely acknowledging Jesus as some great teacher who lived in the past but also meant that he was opening himself up to a living presence within his own awareness. Once Ferrini reached this reconciliation powerful words of spiritual truth began to flow through him. Reflections of the Christ Mind presents the most important teachings the author has received through his spiritual awakening. Here at last is a gospel devoted solely to Jesus teachings of love healing and forgiveness. The teacher readers meet in these pages is both compassionate and open minded he is the Jesus Christians know in their hearts. Repudiating religious hypocrisy intolerance and spiritual pride Ferrini rejects the dogmatic position of the Church offering instead words of hope and healing that form the new gospel for today. *Reflections of the Christ Mind* Paul Ferrini, 2000

Love Without Conditions Paul Ferrini, 2021-11-02 The incredible book from Jesus calling us to awaken to our own Christhood. Rarely has any book conveyed the teachings of the master in such a simple but profound manner. This book will help you to bring your understanding from the head to the heart so that you can model the teachings of love and forgiveness in your daily life. **Christ Mind Series** Paul Ferrini, 1998-06-01 Reflections of the Christ Mind contains key excerpts from Love Without Conditions Silence of the Heart Miracle of Love and Return to the Garden. It presents the most important teachings in the Christ Mind series. These words can inspire you to greater insights and understandings to more clarity and a grander resolve to make changes in your life that can truly change the world. The Silence of the Heart Paul Ferrini, 1996 A powerful sequel to Love Without Conditions John Bradshaw says with deep insight and sparkling clarity this book demonstrates that the roots of all abuse are to be found in our own self betrayal. Paul Ferrini leads us skilfully and courageously beyond shame blame and attachment to our wounds into the depths of self forgiveness a must read for all people who are ready to take responsibility for their own healing. *The Power of Love* Paul Ferrini, 2004 The Power of Love presents 10 spiritual Practices that can transform your life. Performed over a 10 week period these experiential exercises will help you to integrate into daily life the concepts presented in The Laws of Love. The Wounded Child's Journey Into Love's Embrace Paul Ferrini, 1991 Healing the Wounded Child The wounded child cannot be kept separate from you. If s/he is in fear you need to love the one in fear. You must be willing to feel her pain. This is a sacred journey through fear to love. You must learn to approach the child not as a judgmental parent but as a loving one. For only love releases the pain. Only love gently brings the darkness into the light. The process of recovery does not end until there is no one left to blame or shame including

yourself It does not end until you can see the light behind your shadow It is time now to take the little child into your arms and rock her and speak to her softly the words of love s he needs to hear Do not be afraid of her anger or her pain but remember that all s he wants is love and that is the only gift you can offer her *Living in the Heart* Paul Ferrini,1998-02 The definitive book on the Affinity Process Now you can learn how to hold a safe loving non judgmental space for yourself and others which will enable you to open your heart and move through your fears If you are a serious student of the Christ Mind teachings this book is essential for you It will enable you to begin a spiritual practice which will transform your life and the lives of others It will also offer you a way of extending the teachings of love and forgiveness throughout your community

The Twelve Steps of Forgiveness Paul Ferrini,2012-11 The Twelve Steps of Forgiveness offers us a process for unlearning our ego based search for perfection and discovering the inner beauty guidance and grace that already exist in our lives It enables us to honor others and establish healthy boundaries that prevent manipulation and co dependency Most importantly it helps us practice forgiveness moment to moment so that we can discover the place of peace within **Laws of Love** Paul Ferrini,2004 The Laws of Love offers a rare in depth look at the causes of suffering and the way out of it Drawing from many Wisdom Traditions the Course integrates the insights of Paul Ferrini s 30 books on Spirituality into a comprehensive and powerful whole Like a beautiful and intricately woven tapestry the ten major spiritual principles are described and illustrated Paul s unique ability to synthesise the wisdom of the Taoist Zen Sufi and Hasidic Masters with the heart centred teachings of Jesus makes this material a delight to encounter Presented with absolute clarity this material will help you align your life with the highest teachings available on the planet
