Reflections Of Hippo:

Reflections of Hippo Paul White,1995 *Reflections of a Hippo* Paul White,1973 *Reflections of Hippo* Paul Hamilton Hume White,1973 Jungle Doctor Picture Fable Paul Hamilton Hume White,Paul White, D.,1973 Boohoo the hippopotamus tried to see his handsome self in the water but the image in the mirror showed him the truth about himself as the Bible shows us the truth about ourselves *Through the Rearview Mirror* John Macnamara,2009-09-22 In this lively book John Macnamara shows how a number of important thinkers through the ages have approached problems of mental representation and the acquisition of knowledge He discusses the relevance of these approaches to modern cognitive psychology focusing on central themes that he believes have strongly influenced modern psychology This is not a neutral historical survey but a vehicle for Macnamara s compelling and provocative arguments on the relevance and worth of certain aspects of psychological and philosophical thought The historical figures discussed are quite varied from Plato to Thomas Jefferson to Sigmund Freud and include numerous Christian philosophers such as Augustine and Thomas Aquinas The book assumes no previous background in the subject matter Macnamara often simplifies abstract concepts via homespun examples many using his beloved dog Freddie This is a quirky engaging book as well as the last work by a highly influential figure in cognitive psychology Reflections of Twelve Decades Frank Morgan,2012-12-18 This informative and loving memoir about the life and times of author Frank Morgan tells the story of his years in East Africa with his beloved wife But the story is even much richer than that in that it also covers twelve decades of time in an area of the world most can only dream about Now age 88 and retired the author has always wanted to share his East African adventures as well as his work for the British government in the development of the region Morgan also tells of his ancestors involvement in East Africa and the Seychelles that began in 1830 His epic story takes readers up to the year 1958 *Reflections of Twelve Decades* is a fascinating mixture of what ifs and what could have beens **The Art of Painting Animals** Maury Aaseng,Lorraine Gray,Jason Morgan,2015-07-15 In *The Art of Painting Animals* aspiring painters will learn how to work with oil acrylic and watercolor paints to bring their favorite animals to life on paper or canvas Each medium has its section that begins with an introduction which includes a section of helpful information on basic tools and materials including paints brushes appropriate supports and additional materials followed by a quick guide to techniques and artist tips for rendering animal features and fur as well as natural textures such as bark and foliage Talented artists guide readers through a series of easy to follow step by step projects covering a variety of subjects from pets and horses to wildlife and birds Projects include a moose a Shih Tzu dog a fox a deer a lynx and many more Along the way aspiring artists will find helpful tips and tricks for establishing a compelling composition achieving accurate proportions and developing expressive animal faces and emotions With its breadth of content and instruction *The Art of Painting Animals* is perfect for any animal loving artist s collection *The Hippo at the End of the Hall* Helen Cooper,2019-10-08 When Ben receives a mysterious invitation to an odd museum he s swept into a peculiar world

of forgotten secrets and wild magic in this illustrated novel The invitation to the Gee Museum was delivered by bees It wasn't addressed to anyone but Ben knows that it was meant for him Why else would the images on the postcard have stirred up memories of his father who was lost at sea long ago Ben makes his way to the old dilapidated building to find a host of curious talking animals awaiting his arrival They are certain he is the only one who can save the museum But Ben and the animals in the Gee collection will have to outwit a devious rival museum owner and a greedy land developer With a bit of luck some strange magic and a little help from his mom Ben might succeed in ensuring the future of the museum and finding the answers about his father that he's been searching for his whole life Helen Cooper's first novel brims with mystery and hope and her lovely illustrations bring the wonders of the Gee Museum to life

Civility Philip Sheldrake, 2024-08-19 Civility offers a thoughtful response to one of the most significant social challenges and public problems that we face in contemporary society particularly in the Western world The book identifies and discusses the critical public social values and virtues that we need to focus upon and actively to promote to counter these problems and overall to develop a healthy human society To achieve an effective inclusive and just society we must first reframe how we understand politics What does politics mean and how should it be practiced Politics in its true sense does not mean something ideological but rather it involves the service of the polis that is the human community We also need to recover a robust sense of public virtues The book describes some of the critical virtues and suggests how they may be cultivated The overall argument is that in a healthy society it is vitally important to concentrate more effectively on public virtues and values rather than simply to focus on encouraging material success or on creating efficient social and political systems as the main goals that we seek to develop in our societies The volume focuses particularly on the public virtues of civility having a sense of place building community solidarity and responsibility respect and compassion and cultivating discernment that is the art of how to choose well The book concludes by offering reflections on the particular role of education especially school education and of public leadership as two central elements in reshaping a healthy society based on clear societal values
