State Dominance in Myanmar Tin Maung Maung Than,2007 Focuses on the state s efforts to industrialize Myanmar first through direct intervention and planning under a socialist economic framework as interpreted by the state leaders 1948 88 and lately 1989 onwards through state managed outward orientation

Political Change and Consolidation A. Freedman,2006-11-13 This book explores the varying reactions to the political turmoil in Asia in the late 1990s by looking at external pressures from global actors the IMF and US security policy popular protests the nature of the opposition and elite coalition formation dissolution at the highest levels of government

Reforming China's State-owned Enterprises and Banks Becky Chiu,Mervyn Lewis,2006-01-01 This book is informative and readable It will be of interest to anyone wanting to learn about the development of the Chinese economy in general and the reforms of state owned enterprises in particular The data and in depth discussion presented in the book will appeal to academics as well as policymakers Yin Fang Zhang Journal of the Asia Pacific Economy China watchers will welcome a book which provides a detailed insight into the two pillars of that economy the state owned enterprises SOEs and the state owned banks SOBs This is a scholarly work rich in detail Shelagh Heffernan The Financial Regulator For China to sustain her transformation requires that she tackle reform of her state owned enterprises SOEs and banks This book comprehensively assesses the scale of the problem reviews previous reforms and suggested solutions Finally the authors propose their own reform agenda sensitive to Chinese realities Michael Artis European University Institute Italy This is an excellent study of the nexus between the effects of party control the soft budget of state owned enterprise SOEs and the financial fragility of the state owned banking system SOBs in China It is both sympathetic and knowledgeable about the

problems of achieving reform and progress Beautifully written it should become the most influential work in this field in the English speaking world Charles A E Goodhart London School of Economics UK This book s starting point is that after two decades of experiments during which other transition economies have effectively privatised all of their former state enterprises China is still endeavouring to find a way to reinvent and re engineer its own state owned economic establishments The authors explore these reforms along with the problems of China s state owned banks which have long been troubled by the adverse loans of Chinese enterprises and face foreign competition in 2007 under China s WTO commitments Drawing on wide ranging case studies of enterprise reform Becky Chiu and Mervyn Lewis combine their extensive experience to give an authoritative account of China s enterprise and bank reform agenda involving property rights improved corporate governance and stimulating enterprise This book will be of great interest to business economists academic economists and those following the development of the Chinese economy The Development of Business Clusters in Indonesia Aknolt Kristian Pakpahan,2015-03-26 This unique and thoroughly researched book examines small and medium sized enterprises SMEs in Indonesia focusing on Indonesian government policy for developing industrial clusters Aknolt Kristian Pakpahan elaborates on such challenges as a lack of political coordination as well as cultural factors for the long term growth of business clusters He uses case studies of the footwear and ceramic industries to expand on the theoretical research resulting in a fascinating and useful text for researchers of industrial development Economic Development in a Globalized Environment Henry Y. Wan Jr.,2011-06-28 Is the East Asian growth record replicable today This book answers yes It places the common East Asian theme in the theoretic context of product cycles globalization and convergence and the historical perspective of the German Miracle after World War II also the more recent Irish growth it identifies the effective policies for sustained rapid growth by structured comparisons among different economies it evaluates the strengths and weaknesses of the alternative policy packages of Korea Taiwan Hong Kong and Singapore in the light of such recent events like global trend for liberalization and the Crises of 1997 and 2001 Economic Development in a Globalized Environment also scrutinizes the major debates in development economics using documented cases and analytic reasoning for support **Entrepreneurial States** Yves Tiberghien,2007 An innovative examination of the comparative politics of reform in stakeholder systems *Asian Development Experience Vol. 2* Yasutani Shimomura,2004-01-19 This volume investigates the missing link the complicated realities of the relations between governance and development through case studies of ASEAN countries Its main objective is to explore a theoretical framework to overcoming the limitations of mainstream approaches by employing case studies on decentralization crisis management corporate governance and foreign aid management of both public and private entities From the beginning of the 1990s onwards the international aid community has increasingly stressed that good governance together with democracy and protection of basic human rights is indispensable for sustainable economic development The terms however are complex broad and arguable They largely refer

to discipline of government institutions and the capacity of the public sector While a wide variety of empirical studies has been done on the relations between good governance and development it is still unclear how the differences in governance influence development performance in a real world
