There are already many useful books in the hands of the people and my apology for adding another to the list is that in these pages I state many things concerning Adventist and especially Seventh day Adventist which have not heretofore been brought in this form before the people Besides this many who espoused the cause in later years and who have not witnessed the things mentioned have earnestly requested a narration of these facts and experiences from those earlier in the work Having been familiar with the advent movement in 1843 and 1844 and having since June 2 1849 proclaimed the doctrine first as an Adventist I esteem it a pleasure to speak the things i have seen and heard

It is an interesting fact of history that as the Reformation progressed the Reformers adopted the Received Text in union with the Waldenses the Jesuit inspired counter Reformation adopted the Latin Vulgate and the Vaticanus What do we see today Most of the modern versions are based upon the text of the counter Reformation In addition we see increased negativity toward the Textus Receptus and the King James Version This has not been without adverse effects upon all of Protestantism and Adventism specifically This book provides insights into the causes and effects that the doctrinal pluralism of the common text Bibles of the counter Reformation have had on Adventist doctrine Since doctrinally pluralistic Bibles cannot function as self interpretive units an interpretive authority from outside of Scripture is brought into play As a result creedalism is overtaking Biblical authority History has demonstrated the sure results of this misplaced authority *Seven Trumpets and the Investigative Judgment*, The David D. Burdick, 2017-04-13

Earthquakes rip through the world as the Creator approaches the stars fall the sun goes dark and the moon proclaims death Jesus comes and His powerful presence causes the atmosphere to split and roll away Revelation 6 shows people wailing for the mountains to bury them Fall on us and hide us from the face of Him who sits on the throne and from the wrath of the Lamb for the great day of His wrath

is come and who will be able to stand And who does stand in that day No one Not a single soul It s the total annihilation of a vile self righteous human race God s followers expected all of this to happen on October 22 1844 They watched and waited but Jesus didn t return This was only a warning preview of His return in the sixth seal In God s mercy He commands to delay the cataclysm of judgment day so that He can send to the world the needed preparation for the day of wrath That needed preparation comes with the seven trumpets of the seventh seal that occur after 1844 The postponed destruction seen in the sixth seal will yet be a future reality The Seven Trumpets and the Investigative Judgment examines chapters 4 11 in the book of Revelation and studies how recent events since 9 11 have almost completed God s gracious delay This book presents a new view of Revelation that meets the biblical rules of prophetic interpretation and of the inspired testimony of Jesus which is the spirit of prophecy Rev 19 10 How have we done in this waiting period Will we stand when Jesus returns By God s grace this book will help you prepare for that great day

Millennial Dreams and Moral Dilemmas Michael Pearson, 1990-03-30 Technological developments on many fronts have created in our society some extremely difficult moral predicaments Previous generations have not had to face the dilemmas posed by for example the availability of safe abortions sperm banks and prostoglandins They have not had to come to terms with an unchecked exploitation of natural resources heralding imminent ecological crisis or worst of all with the recognition that only in this current generation have people the capacity to destroy themselves and their environment This book seeks to show how and why Seventh day Adventism has addressed these moral issues and that the ethical questions arising from these issues are especially relevant to the Adventist Church and its development Dr Pearson looks specifically at the moral decisions Adventists have made in the area of human sexuality on such issues as contraception abortion the role and status of women divorce and homosexuality from the beginnings of the movement to 1985

Adventist Interchurch Relations Stefan Hörschele, 2022-09-05 This study presents the first comprehensive analysis of Seventhday Adventist interchurch relations a 20 million member body whose ecumenical stance has so far been underresearched For the sake of interpreting denominational involvement and reservations in Adventism as well as beyond the study develops a new academic approach to ecumenism based on Relational Models Theory a comprehensive social science paradigm of interpreting human relationships The resulting typology of ecumenical interactions and the historical case study of Adventism suggest that such a relational interpretation of ecumenical interaction sheds light on many of the unresolved issues in ecumenics such as divergent concepts of unity difficulties in recognition processes and the permanence of denominationalism

Seeking a Sanctuary Malcolm Bull, Keith Lockhart, 2007 The story of a large yet little known Protestant denomination

Adventism Re-examined: 75 Years of Changes, Challenges and Choices Gordon Kainer, 2019-11-13 My book s objective is to describe the beliefs practices and ventures of the Adventist church that have had or still have a significant impact on my life Looking back I now have a better understanding why ancient Israel was

repeatedly told to remember what God had done for them For this reason there will be much reminiscing retelling of personal experiences and evaluating church teachings and decisions all in the endeavor to make sense of what has happened That can only take place if we bathe our words and expressions in grace love and understanding The book endeavors to answer the underlying question what do we mean when we use the term church What are the primary reasons for its existence When you ask Adventists such a question we hope they answer with a reply that is inspiring and practical In presenting my view of Adventism over the past seventy five years it s had a positive effect on my knowing and understanding Jesus and I hope the same goes for you
