Reforming Products Liability:

Reforming Products Liability W. Kip Viscusi, 1991 Drawing on liability insurance trends and litigation patterns Viscusi shows that the products liability crisis has been developing for decades He argues that the principal causes have been the expansion of the doctrine of design defect the emergence of mass toxic torts and an increase in lawsuits involving hazard warnings *The Need for Product Liability Reform Legislation in New York State* Product Liability Reform Coalition, 1980

Product Liability Reform United States. Congress. Senate. Committee on Commerce, Science, and Transportation. Subcommittee for Consumers, 1982

Tort Reform by Contract Paul H. Rubin, 1993 The author argues that there is a current crisis in tort law and advocates that a return to a more widespread use of contracts in three areas product liability medical malpractice and some aspects of automobile accidents Such contracts he suggests should be allowed by the courts

T p *Consumer Capitalism* Gunnar Trumbull, 2018-07-05 The unfettered marketplace in which uncertainty rules and the admonition caveat emptor let the buyer beware dictates each consumer decision has today virtually disappeared Consumers have become the focus of intensive economic policymaking designed to protect them from the risks and disappointments of the market Today arguably no other economic actor in the advanced industrial countries not the investor not the worker not the welfare recipient enjoys a more thorough set of legal and institutional protections than the modern consumer when he or she enters the corner store from the Introduction Gunnar Trumbull investigates the origins of national systems of consumer protection in France and Germany where in the early 1970s consumer groups and producers organized to advance their own ideas about the identity and interests of the affluent consumer Through a comparison of eight areas of policy product liability law product safety standards and recall misleading advertising comparative product tests product labeling quality standards consumer contracts and pricing Trumbull shows that different conceptions of the consumer interest emerged in the two countries The result was the development of distinctive national consumption regimes which have in turn influenced the market strategies of domestic producers Trumbull's findings help to clarify distinctive national approaches to recent product crises including cases of BSE and genetically modified foods His research suggests that in the age of consumer capitalism national competitiveness may hinge not only on endowments of labor and capital but also on the institutional forms of national consumption *Exploring the Domain of Accident Law* Donald N. Dewees, David Duff, M. J. Trebilcock, 1996 This work reviews empirical evidence relating to five major categories of accidents automobile accidents medical malpractice product related accidents environmental injuries and workplace injuries The authors also offer recommendations for revisions in the tort system

Research Handbook on Economic Models of Law Thomas J. Micell, Matthew J. Baker, 2013-12-27 One of the great successes of the law and economics movement has been the use of economic models to explain the structure and function of broad areas of law The original contributions to this volume epitomize that tradition

offering state of the art *Tort Law and Economics* Michael Faure, 2009-01-01 The central goal of this book is to provide a state of the art overview of the literature with respect to the economic analysis of tort law It sure meets the challenge offering with great expertise a comprehensive presentation of tort law in both economic and comparative perspectives The clarity of the text unusual in the law and economics literature makes the book accessible to a broad readership of economists with a limited legal background and lawyers with limited economic skills Olivier Moreteau Louisiana State University US Tort Law and Economics ed Michael Faure provides a highly useful economic overview of the most important topics of tort law The authors clearly show the main developments of the discussion examining the results of recent studies and stating their own opinions Detailed bibliographies are included The volume has to be warmly recommended to friends and foes of economic analysis who are provided with a comprehensive update in this field while also indicating areas which critics have to focus on Helmut Koziol European Centre of Tort and Insurance Law Austria This volume provides a state of the art overview of the literature on the economic analysis of tort law In sixteen chapters the specialist authors guide the reader through the often vast literature in each domain providing a balanced and comprehensive summary Particular attention is paid to the evolution of the field further refinements to economic models and relevant conclusions and lessons for the policymaker Tort Law and Economics is part of the Encyclopedia of Law and Economics and enables readers some not familiar with law and economics to obtain an insight in the relevant economic literature concerning tort law and economics This book will be of interest to lawyers and economists practitioners and academics interested in accident law tort law insurance and regulation It will also appeal to students in economic analysis of law and policymakers working on prevention of accidents tort law or compensation of accident victims *Research Handbook on the Economics of Torts* Jennifer Arlen, 2013-11-29 Focusing on issues of vital importance to those seeking to understand and reform the tort system this volume takes a multi disciplinary approach including theoretical economic analysis empirical analysis socio economic analysis and behavioral anal
