

REFUGEES, RACE AND THE LEGAL CONCEPT OF ASYLUM IN BRITAIN

Prakash A. Shah

Refugees Race And The Concept Of Asylum In Britain

Satvinder S. Juss

Refugees Race And The Concept Of Asylum In Britain:

The Evolution of Humanitarian Protection in European Law and Practice Liv Feijen, 2021-04 Humanitarian protection has evolved from an act of charity into a legal obligation not to remove certain categories of non nationals **The Discourse of Repatriation in Britain, 1845-2016** Daniel Renshaw, 2021-03-04 Examining responses to migration and settlement in Britain from the Irish Famine up to Brexit The Discourse of Repatriation looks at how concepts of removal evolved in this period and the varied protagonists who have articulated these ideas in different contexts Analysing the relationship between discourse and action Renshaw explores how ideas and language originating on the peripheries of debate on migration and belonging can permeate the mainstream and transform both discussion and policy The book sheds light both on how the migrant other has been viewed in Britain historically and contemporaneously and more broadly how the relationship between state press and populace has developed from the early Victorian period onwards It identifies key junctures where the concept of the removal of othered groups has crossed over from the rhetorical to the actual and considers why this was the case Based on extensive original archival research the book reassesses modern British history through the lens of the most polarised attitudes to immigration and demographic change This book will be of use to readers with an interest in migration diaspora the development of populism and political extremes and more broadly the history of modern Britain **Forced Migration: Exiles and Refugees in the UK and the British Empire, 1815-1949** , 2025-03-24 This volume explores the forced migration of people defined briefly as when individuals or groups are compelled to leave their home countries due to various though predominantly political factors to the UK and the British Empire from 1815 to 1949 With a uniquely international and inclusive scope this volume is a welcome contribution to our understanding of forced migrations over this 135 year period It aims to kickstart future work on this subject and provide the basis for a more truly global understanding of refugees forced migrations and border controls in modern history Contributors are Yianni Cartledge Vesna Curlic Milosz K Cybowski Rosaria Franco Jade Hastings Jemima Jarman Jeffrey Jones Thomas C Jones Chana Revell Kotzin Micha Adam Palacz Leslie Rogne Schumacher Evan Smith Andrekos Varnava and Andrew Williams **Refugees, Race and the Legal Concept of Asylum in Britain** Prakash Shah, 2000 This book critically interrogates the principle of asylum for refugees in UK law and proposes that when faced with the migration of non European refugee groups this principle has often been limited The book considers the response of the State to the migration of various groups of refugees through five centuries The reaction of the legal system to the arrival of gypsies and Huguenots from the Tudor period is analysed The responses to the arrival of African refugees from the American War of Independence is also considered here along with an examination of the reactions to refugees from the French Revolution and the Napoleonic Wars various European refugee groups in the mid Victorian period Jews from Eastern Europe and later from Nazism and groups displaced in Europe as a result of the Second World War Refugees Race and the Legal Concept of Asylum in Britain also provides a

detailed discussion of the backlash against African and Asian refugee groups in particular as against the East African Asians Vietnamese and Tamils from Sri Lanka An analysis of the major legislative reforms of the 1990s which have been directed against the settlement of Asian and African refugees is also presented The post Second World War period is scrutinised in the context of the failure of European human rights law and international norms of refugee protection to secure the principle of asylum and the implications of the development of a Fortress Europe that is premised on the tight control of non European migrants are drawn out *The Oxford Handbook of International Refugee Law* Cathryn Costello,Michelle Foster,Jane McAdam,2021-06-02 The Oxford Handbook of International Refugee Law is a comprehensive critical work which analyses the state of research across the refugee law regime as a whole Drawing together leading and emerging scholars the Handbook provides both doctrinal and theoretical analyses of international refugee law and practice It critiques existing law from a variety of normative positions with several chapters identifying foundational flaws that open up space for radical rethinking Many authors work directly in the field and their contributions demonstrate how scholarship and practice can mutually inform each other Contributions assess a wide range of international legal instruments relevant to refugee protection including from international human rights law international humanitarian law international migration law the law of the sea and international and transnational criminal law Geographically contributors examine regional and domestic laws and practices from around the world with 10 chapters focused on specific regions This Handbook provides an account as well as a critique of the status quo and in so doing it sets the agenda for future academic research in international refugee law The Refugee in International Law Guy S. Goodwin-Gill,Jane McAdam,2007 Millions of people are forced to flee their homes as a result of various forms of persecution The instruments to secure international protection are the 1951 Convention Relating to the Status of Refugees and its 1967 Protocol This book examines challenges to the Convention **Race, Criminal Justice, and Migration Control** Mary Bosworth,Alpa Parmar,Yolanda Vázquez,2018-01-12 The criminalization of migration is heavily patterned by race By placing race at the centre of its analysis this volume examines questions and explains the growing intersection between criminal justice and migration control Through the lens of race we see how criminal justice and migration enmesh in order to exclude stop and excise racialized citizens and non citizens from societies across the world within beyond and along borders Race and the meaning of race in relation to citizenship and belonging is excavated through the chapters presented in the book and the book as a whole thereby transforming the way we think about migration Neatly organized in four sections the book begins with chapters that present a conceptual analysis of race borders and social control moving to the institutions that make up and shape the criminal justice and migration complex The remaining chapters are convened around the key sites where criminal justice and migration control intersect policing courts and punishment Together the volume presents a critical and timely analysis of how race shapes and complicates mobility and how racism is enabled and reanimated when criminal justice and migration control coalesce **The Ashgate Research Companion to**

Migration Law, Theory and Policy Satvinder S. Juss, 2016-03-23 The Ashgate Research Companion to Migration Law Theory and Policy complements the already successful Ashgate series Law Migration established in 2006 which now has a number of well regarded monographs to its credit The purpose of this Companion is to augment that Series by taking stock of the current state of literature on migration law theory and policy and to sketch out the contours of its future long term development in what is now a vastly expanded research agenda The Companion provides readers with a definitive and dependable state of art review of current research in each of the chosen areas that is all embracing and all inclusive of its subject matter The chapters focus on the regional and the sub regional as well as the national and the global In so doing they aim to give a snap shot that is contextual coherent and comprehensive The contributors are both world renowned scholars and newer voices and include scholars practitioners former judges and researchers and policy makers who are currently working for international organisations Britannia's Embrace Caroline Shaw, 2015-09-18 Britannia s Embrace revises current understandings about the origins of refugee which have focused exclusively on the period post 1914 It argues that the responsibility to protect persecuted foreigners developed in nineteenth century Britain through a popular movement that equated refugee relief with what it meant to be liberal on a global stage **Bordering Britain** Nadine El-Enany, 2020-02-11 B ordering Britain argues that Britain is the spoils of empire its immigration law is colonial violence and irregular immigration is anti colonial resistance In announcing itself as postcolonial through immigration and nationality laws passed in the 60s 70s and 80s Britain cut itself off symbolically and physically from its colonies and the Commonwealth taking with it what it had plundered This imperial vanishing act cast Britain s colonial history into the shadows The British Empire about which Britons know little can be remembered fondly as a moment of past glory as a gift once given to the world Meanwhile immigration laws are justified on the basis that they keep the undeserving hordes out In fact immigration laws are acts of colonial seizure and violence They obstruct the vast majority of racialised people from accessing colonial wealth amassed in the course of colonial conquest Regardless of what the law media and political discourse dictate people with personal ancestral or geographical links to colonialism or those existing under the weight of its legacy of race and racism have every right to come to Britain and take back what is theirs

Refugees Race And The Concept Of Asylum In Britain Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Refugees Race And The Concept Of Asylum In Britain free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Refugees Race And The Concept Of Asylum In Britain free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Refugees Race And The Concept Of Asylum In Britain free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Refugees Race And The Concept Of Asylum In Britain. In conclusion, the internet offers numerous

platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Refugees Race And The Concept Of Asylum In Britain any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Refugees Race And The Concept Of Asylum In Britain Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Refugees Race And The Concept Of Asylum In Britain is one of the best book in our library for free trial. We provide copy of Refugees Race And The Concept Of Asylum In Britain in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Refugees Race And The Concept Of Asylum In Britain. Where to download Refugees Race And The Concept Of Asylum In Britain online for free? Are you looking for Refugees Race And The Concept Of Asylum In Britain PDF? This is definitely going to save you time and cash in something you should think about.
